

DANSK WILTON

Custom Designed Carpets

We find our inspiration in many places. Wherever we go, we spot the colors, textures and patterns around us. The good design is not just a question of shape and color. It is a question of finding the right design solution for the area in question.

The carpet specialists

Carpet Specialists

Custom-made Solutions for the Maritime and the Land-based Hospitality Industry

Since the start in 1953, Dansk Wilton has grown to be one of the leading carpet specialists within the international hospitality industry – land or marine based.

Safe delivery and competitive prices go hand in hand with innovative design and high quality. Our concept is based on the ability to match our customers' needs and support their competitiveness.

We endorse a professional culture where passion for precision is key. Our carpet specialists support our customers throughout the project as a close associate and sparring partner – securing a safe and optimized work process.

We work strategically with sustainability on a daily basis and are determined to contribute to the development of environment-friendly solutions in the hospitality industry.

Dansk Wilton rely on years of experience, innovative thinking, relationships, and highly skilled Danish craftsmanship.

Art projects

We love to collaborate with creative people. Everyday we work with designers and architects but occasionally we get the chance to work with artists as well.

On our website you will find a selection of art projects we have realised with renowned artists.

Design inspiration

Our talented designers have created a collection of beautiful pattern designs and design stories with various themes such as Nordic Nature, Indigo Mood and Art deco.

We hope you will feel inspired!
