About FUN&GAMES Event Hire

At Fun & Games Event Hire, we specialise in providing corporate event games hire and entertainment attractions designed to create unforgettable experiences for events of all sizes. With years of industry experience, we know exactly what it takes to deliver games that entertain, engage, and drive results for brands, businesses, and private clients.

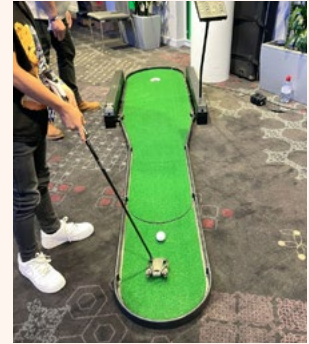

Our mission is simple — to help you deliver a fun, interactive, and memorable event where guests are entertained, crowds are drawn in, and your brand stands out.

A wide range of corporate event games hire for every occasion

Whether you're planning a corporate event, exhibition stand, brand activation, sports hospitality lounge, team-building day, or family fun day, we have the perfect mix of games to entertain your guests and keep them engaged.

Our extensive range includes popular favourites like Strike A Light Hire, the high-energy Cash Grabber Hire, the competitive Whack A Mole Hire, and exciting football-themed activities such as Football Pool Hire and ICON Fast Feet Hire.

For those looking to create high-energy experiences, we also offer interactive exhibition stand games that drive footfall and engagement at trade shows and expos. Our team-building activities are perfect for encouraging friendly competition, boosting morale, and creating lasting memories for employees.

Custom-branded games to showcase your brand

One of the biggest advantages of working with Fun & Games Event Hire is our ability to offer custom-branded game hire. Many of our interactive games can be fully customised with your logo, brand colours, and messaging, giving you an unmissable platform to promote your business during brand activations, product launches, and promotional events.

Our branding team ensures your company is front and centre, helping you maximise brand exposure while creating a unique, immersive experience for guests.

The benefits of choosing our corporate games hire for your event

Hiring interactive games from Fun & Games Event Hire offers several valuable benefits:

- **Boost Audience Engagement:** Our games naturally attract attention and encourage participation, making your event stand out and keeping guests involved.
- **Create Memorable Experiences:** Games like Prize Wheel Hire and Race Simulator Hire deliver exciting, shareable moments that guests will remember long after the event ends.
- **Increase Footfall:** Especially useful for exhibition stands and public activations, our games act as proven crowd-pullers, drawing people in and creating buzz around your brand.
- **Enhance Brand Visibility:** With custom branding options, your logo and messaging become part of the action, maximising exposure in a fun, engaging way.
- **Versatile for All Event Types:** From wedding entertainment to team-building ideas and sports fan zones, our games suit a huge variety of events, indoors or outdoors.
- **Professional Delivery & Support:** Our experienced team handles delivery, setup, and on-site support, ensuring a hassle-free experience so you can focus on your guests and event objectives.

Trusted nationwide corporate event games hire across the UK

Our games are hired by leading brands, agencies, and venues across the country. From corporate conferences in London to fan zone activations in Manchester and family fun days in Liverpool, our games consistently create excitement and memorable moments.

No matter where your event is located, our corporate games hire is available across the UK.

Contact us today for corporate event games hire

If you're looking for corporate event games and attractions that engage guests, generate buzz, and create a truly memorable event, Fun & Games Event Hire is ready to help.

Contact us today to discuss your event requirements and let our team help you create an unforgettable experience. From sports fan zones to exhibition games and everything in between, we've got you covered.

Liverpool FC – Matchday Fanzone Games

We deliver and operate a rotating programme of interactive games for Liverpool FC’s official matchday fanzone in the Anfield Road Stand, creating a lively pre-match activity space for supporters attending each home fixture. Access to the zone is included for all fans with a valid match ticket, making the games an open-access part of the stadium experience.

For every matchday we install and staff 4–5 activities from our sports and arcade range. The core lineup typically includes the Panna Cage, Fast Feet reaction game, Precision Target Wall and table football, alongside a rotation of additional arcade and skill challenges. Our team manages gameplay, encourages participation and maintains safe, high-throughput operation throughout the pre-kick-off period.

The games area consistently attracts strong footfall, with families, young fans and adult supporters all taking part while gathering in the concourse. Short, football-themed challenges create quick competitive moments and spectator interest, helping build atmosphere ahead of the match. Table football and reaction games provide inclusive options alongside the more physical skill elements.

By integrating staffed, participatory games into the fanzone, Liverpool FC extends engagement beyond the pitch and adds value to the matchday journey. The activation contributes to dwell time, crowd energy and positive supporter interaction at every home game.

Venue: Anfield Stadium – Anfield Road Stand Fanzone

Frequency: Every home matchday

Games: Panna Cage, Fast Feet, Precision Target Wall, Table Football & rotating arcade games

Service: Matchday game supply, staffing, operation, setup & derig each fixture

Noomz - Whack-the-Noomz

Noomz, the colourful freeze-dried candy brand, hired our Whack-a-Mole game for a 3-day activation at the Food & Drink Exhibition at the NEC. Their aim was to create a fun, eye-catching feature that would draw visitors onto the stand and support product sampling conversations.

We fully customised the game into the “Whack-the-Noomz” experience, wrapping the cabinet, playfield and backwall in Noomz artwork and transforming the popping targets into their characters. Branded mallets, LED-lit holes and a digital score display created a bright, competitive focal point that stood out across the exhibition hall.

The game quickly became a natural gathering point on the stand. Visitors stopped to watch, then joined in, creating steady footfall and visible engagement throughout all three show days. Friendly competition around high scores encouraged repeat play, while samples and small prizes allowed the Noomz team to introduce their freeze-dried candy range in a relaxed, memorable way.

By turning brand characters into an interactive challenge, Noomz transformed their exhibition space from a static display into a lively destination. The activation delivered sustained attention, longer dwell time and strong brand association between the gameplay and the Noomz product range.

Hire Duration: 3 days

Event: Food & Drink Exhibition, NEC Birmingham

Service: Custom branded game hire, delivery, installation & collection

HSBC - Office Putting Challenge

HSBC hired our Golf Putting Game for colleague wellbeing activations across their Birmingham and London offices. The aim was to provide a simple, inclusive activity that encouraged movement, friendly competition and informal interaction during the working day.

We installed the unbranded putting lane in communal office areas, creating an accessible drop-in challenge suitable for all abilities. The setup included our magnetic leaderboard, allowing participants to record scores and track progress over time. This introduced light-hearted competition between colleagues and departments, with prizes awarded for the highest scores.

The game quickly became a popular break-time activity. Colleagues stopped to watch, take a turn and compare scores, generating conversation and repeat participation throughout the activation period. Its compact footprint and quiet play made it well suited to the office environment while still providing a clear focal point for engagement.

By introducing a familiar, low-pressure sporting challenge into the workplace, HSBC created opportunities for movement, social connection and positive morale within the office setting. The activation supported wellbeing objectives while delivering measurable participation through leaderboard engagement.

Locations: HSBC Offices, Birmingham & London

Programme: Colleague wellbeing activation

Service: Golf putting game hire with magnetic leaderboard, delivery, installation & collection

Carlsberg Britvic – Conference Games Zone

Carlsberg Britvic hired a selection from our Classic Games range to create a relaxed evening entertainment space for colleagues during their annual staff conference at Celtic Manor Resort. The aim was to provide informal, sociable activities that would encourage interaction and help attendees unwind after the daytime conference sessions.

We supplied a mix of familiar, easy-to-play favourites including pool tables, table football, giant Jenga and cornhole bean bag toss. Arranged together as a dedicated games zone alongside the event bar and social areas, the setup created a natural hub for guests to gather, play and connect throughout the evening.

The games were in constant use, with colleagues rotating between activities and forming small groups around each table. The combination of competitive and casual gameplay appealed across different ages and abilities, supporting inclusive participation and sustained engagement during the social programme.

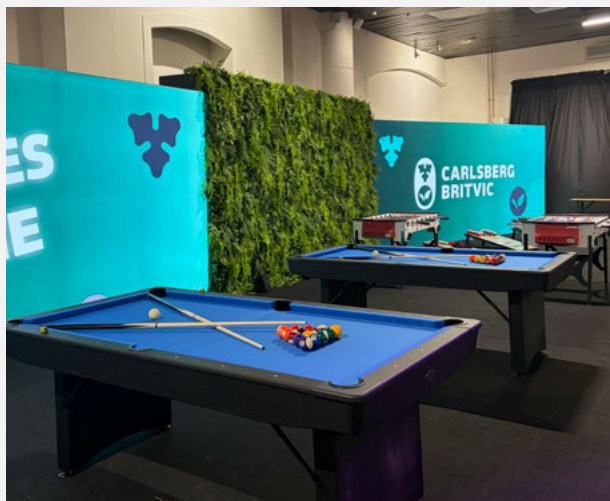

By introducing recognisable pub-style and garden games into the conference environment, Carlsberg Britvic transformed part of the venue into an informal recreation space that complemented the wider evening entertainment. The activation encouraged conversation, friendly competition and shared moments between teams from across the business.

Event: Carlsberg Britvic Annual Staff Conference

Venue: Celtic Manor Resort

Games: Pool tables, table football, giant Jenga & cornhole

Service: Classic games hire, delivery, setup & collection

Hydro Flask – Festival Prize Crane

Hydro Flask hired our Prize Crane for a retail promotion across Go Outdoors stores in York and Basingstoke, supporting their partnership activation around the Reading & Leeds Festival. The objective was to create an eye-catching in-store feature that would engage shoppers and provide a fun incentive linked to the festival campaign.

We supplied a fully branded prize crane customised in Hydro Flask colours and graphics to match the wider campaign display. Positioned alongside large-format festival visuals and product messaging, the machine invited customers to play for the chance to win Reading & Leeds festival tickets, creating a clear connection between the retail environment and the live music experience.

The crane quickly became a focal point in store, drawing attention from passing shoppers and encouraging interaction. Customers queued to play, generating excitement and dwell time within the Hydro Flask display area. The simple win-mechanic provided

a natural conversation starter for staff and reinforced campaign messaging around the brand's festival presence.

By combining a familiar arcade interaction with a high-value experiential prize, Hydro Flask transformed a standard retail space into a promotional destination. The activation increased visibility, encouraged participation and created memorable brand engagement directly at point of sale.

Locations: Go Outdoors York & Basingstoke
Campaign: Reading & Leeds Festival promotion
Service: Branded prize crane hire, delivery, installation & collection

Lenovo – Big Score Fast Feet Roadshow

We supplied a branded Fast Feet reaction game for Lenovo’s “Big Score” partner engagement roadshow, touring offices of Lenovo partners and customers across the U.K. The objective was to introduce an interactive, football-themed activity alongside staff training sessions within Lenovo’s partner programme.

The Fast Feet unit was customised with Lenovo campaign adhesive vinyl graphics and paired with a magnetic leaderboard, enabling each location to run friendly score competitions during their events. Installed within meeting and breakout spaces, the game provided an accessible, high-energy activity that encouraged participation between sessions and reinforced the competitive “Big Score” theme.

The roadshow has visited more than 25 partner offices nationwide, with the branded game acting as a consistent visual and experiential element across all stops. Staff competed to set local high scores, creating conversation, repeat play and informal networking alongside the structured learning content.

By combining training with interactive gameplay, Lenovo extended engagement beyond presentations and created a memorable shared experience for partner teams. The touring Fast Feet activation delivered energy, visibility and campaign continuity across the U.K. partner network.

Campaign: Lenovo “Big Score” Partner Programme

Format: Touring office roadshow (25+ U.K. locations)

Activation: Fast Feet with Lenovo adhesive vinyl branding & magnetic leaderboard

Service: Game branding, logistics, delivery, setup & collection per venue

Catch It Reaction Ring

Catch It Reaction Ring game hire for exhibitions, brand activations and corporate events – how many sticks can you catch?

Hire from £495 +vat. Available nationwide.

Add an engaging reaction challenge to your event with the Catch It Reaction Ring from Fun & Games Event Hire, where players must catch falling batons before they hit the ground. Inflatables Football Tennis

Inflatables football tennis ideal for fun days, sports festivals and team-building activities.

Hire from £425 +vat. Available nationwide.

The Inflatables Football Tennis game from Fun & Games Event Hire combines football skills with tennis-style gameplay for a fast, competitive challenge. Played across an inflatable court with a central net, players use volleys, headers and controlled touches to return the ball without letting it bounce. Easy to learn and great fun to watch, it's an excellent addition to fun days, sports festivals and team-building activities, delivering energetic, skill-based action for all ages.
