Dear Alumni and Friends,

We are delighted to welcome you to this thoughtfully curated journey from Italy to Malta, a voyage designed to blend comfort, discovery, and meaningful exploration. From the moment you depart Canada, you are invited to slow the pace, savour each destination, and immerse yourself in the landscapes, cultures, and histories that have shaped the Mediterranean for thousands of years.

This tour is defined by a refined yet relaxed approach to travel, where quality, authenticity, and care are evident in every detail. Travelling aboard the intimate M/Y Callisto and staying in carefully selected accommodations, you will enjoy gracious hospitality and attentive service that enhance the experience without overshadowing the destinations themselves.

Throughout the journey, expert guides will add depth and perspective, offering insight into the region's art, architecture, and traditions, and bringing each place vividly to life. Just as valuable are the unhurried moments, with time to explore independently, enjoy a quiet view from the deck, or reflect on the stories and connections formed along the way.

We hope this voyage inspires curiosity, broadens perspective, and leaves you with a lasting appreciation for the Mediterranean's enduring legacy. We look forward to sharing this memorable journey with you and wish you an experience that is both enriching and rewarding.
