True Warriors

by Pastor/Evangelist Barbara Lynch

No man has ever seen what I am about to do. I am taking the Heavenly and downloading it to the Earthly realm. All will know that there is a God in Heaven who has a Son named Jesus and a Holy Spirit who leads, guides, and directs the footsteps of all those who are marked for My Kingdom.

Harassment of the loyal ones is on the horizon. The enemy has targeted the Elite. Where the Elite ran freely, without persecution, they will now be persecuted.

John 21: 18 (NKJV) Most assuredly, I say to you, when you were younger, you girded yourself and walked where you wished; but when you are old, you will stretch out your hands, and another will gird you and carry you where you do not wish."

This new twist is the final thrust of the evil one to take out My Elite ones. But My own have been in training in Holiness and Righteousness for over a decade now, and they will not cave in under the enemy's attacks.

I had them on the backside of the desert; there, they were trained in the ways of the evil one. They were taught how to fight the good fight of Faith and win. They were taught how to walk in Holiness and Righteousness no matter what the world was doing.

1 Timothy 6: 12 (NKJV) Fight the good fight of faith, lay hold on eternal life, to which you were also called and have confessed the good confession in the presence of many witnesses.

My chosen Elite are ready to stand under the persecutions. They have come forth as True Warriors. These warriors run to the front line to defend the weak ones until they are strengthened and can go forth on their own.

These warriors have learned hand-to-hand combat. They have learned how to Stand still and watch the salvation of the Lord work on their behalf.

Exodus 14: 13 (NKJV) And Moses said to the people, "Do not be afraid. Stand still, and see the salvation of the LORD, which He will accomplish for you today. For the Egyptians whom you see today, you shall see again no more forever.

They have been taught of the Angelic Army's ways and know how to call upon the Heavenly host to come to their defense and fight the battle for them. You have never seen an army like this before in My Kingdom. The training was hard, and some thought they would not make it through boot camp. But to their astonishment, they not only made it through but received top honors and were promoted to the front line of battle.

Church, from whence does your help come from? Doesn't it come from Abba Father, the Lord God Almighty? You know Me, but there is still a part of Me you do not know, but you will know that part of Me as we go forth together- =>> Pg 7

“Daughter, tell My people My Glory is Coming... ...and don't grow weary in doing it!”

“ W h e n
the spiritual war es-
calates, My people must be ready
to fight the enemies of darkness with
the weapons of warfare they have re-
ceived from Heavenly Encounters.

I have called My True Warriors to come
up hither, and as they approached the
Heavenly Battlefield, these warriors were
met with Angelic warriors who trained
them how to fight from the Heavenly
perspective. Even though you are not
aware of this encounter, when the war
escalates, you will be endued with power
from on high. You will immediately go
into war mode with an incredible accuracy
of how to move forward into total victory.

Spiritual warfare in heavenly places is
happening right now. It's a war in the
heavens. During times of spiritual war-
fare, you might feel alone, but you're not.
God's angels are fighting with you! If you
could pull back the curtain and see into
the realm of the spirit, you would discover
there is a war taking place in the heavens.”

“Nation shall rise against nation. Wars
and rumors of wars. But the ultimate
destruction is not going to happen. I
am preparing a mighty army of prayer
warriors that are rising up and interced-
ing for this nation and you shall see My
Mighty hand at work all across this nation.

Time as it is known will not be in the
days ahead. For time is moving into a
different time zone and I must accom-
plish much for My Kingdom. Many saints
will come on home to be with Me in
this time frame. Much will be accom-
plished for the gospel in this time frame.

My Word says “Not by might, not by
power, but by My Spirit saith the Lord”
and you shall see this come into fruition
in this time frame. I am raising up a mighty
army of warriors that are going to storm
the front lines and take back the ground
that was lost in the last generation of
saints. You will see prayer return back
to the schools. You will see Roe versus
Wade overturned. You will see men and
women of God repent and return back to
their first love. You will see the enemy de-

feated at every turn. This nation will be
turned upside down for My Kingdom.

Many young ones will come into the
call in this time frame. You will see re-
vival break out in the schools all across
this nation. You will see the colleges
break forth into revival. You shall
see the government overturned and a
new awakening for truth come forth.

I am on the move and I am not going to
stop. This is a time of great acceleration
in the heavenly realm. The rain that is
coming is going to drown My children
in the river of My Glory. You will see
those come in that you thought weren't
interested in Me. You will see a mighty
onslaught of the enemy, but it will not
stop My church.” **(Prophecy by Evangelist

“The war has begun; the war between
good and evil. Evil will prevail for a
season, but then the light shall begin to
shine and it will shine brighter and bright-
er until it covers the entire earth. My
champion warriors are being released
to take their lights to the four corners
of this earth. The light shall shine so
bright that it will be daylight all the time.

The enemy cannot prevail forever. There
is always a stopping time for all things
and the enemy has to let go of My people.

Something great is about to break over
the horizon. My Glory in all its fullness
is about to be released to those who are
anticipating this new revival. All shall see
the Glory. All shall cry out Holy, Holy,
Holy is the Lamb that was slain; for this
is the day and the hour that I have spoken
of through my prophet Joel. Now is the
time foretold of! Be ready church. Be ex-
pectant.” **(Prophecy by Evangelist Barbara
Lynch; September 26, 2012)**

“The hour is so late, and very few un-
derstand the lateness of the hour. I have
come upon the scene with all of Heaven's
doors wide open to assist My people in
this end-time event. The warfare is get-
ting ready to become volatile, and you
will need the assistance of My Angelic
Host. I am asking you to control all that

I have given to you
through fasting and prayer.

As you do your part, I will do Mine.
Terrible fierce warriors are arriving on
the scene, and they will not back down.”

“Tell My people that I Am is on the scene
and I am bringing My gifts into fruition.
There is so much to be done and oh so lit-
tle time to do it. Get prepared to leap over
mountains and tear down fortresses that the
enemy has been erecting for the past decade;
for the warriors are arising even as I speak
and the battle has begun; the battle of all ages.
The battle for this end time harvest. You just
wait and see what I am going to bring about.
In the midst of much turmoil and confu-
sion; My Glory will shine like never before.

Everybody talks about My Glory but they
truly do not understand what they are talking
about. Book after book has been written on
My Glory; but nobody ever took the time
nor the space to seek My Face what the Glo-
ry was truly all about. Yes, My Word de-
scribes My Glory; but there is even more
to My Glory than what My Word tells.

A Glory drop like has never happened before
is about to occur all across this land and I
mean to tell you peoples, I will be right in the
very center of that Glory Drop. Be prepared
for an adventure of your life.” **(Prophecy

Signs of a Stony Heart

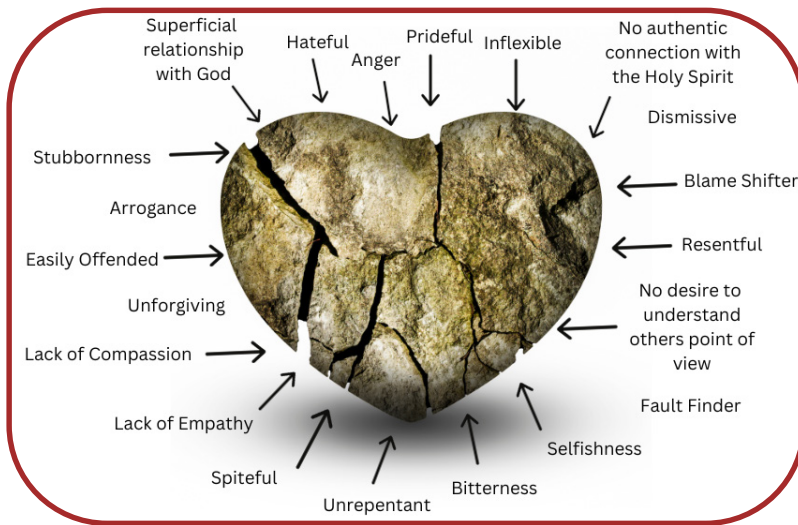

Rev. Nancy Connell

Yesterday, a picture post (similar to the one here) was shared on Facebook about the signs of a stony heart that brought me to really dig deep into examining my own heart.

In Ezekiel 36, God's people had been suffering for a long time and was being completely destroyed by the enemy. They were mocked, ridiculed, and at a severe loss. This enemy not only did this to God's people – but to God, His Name, and all that is holy. God had enough. Does this sound familiar to what the world is doing to God's people now?

God has warned us that He is done with this kind of behavior and it was no different back in Ezekiel's time. In Ezekiel 11 – God sent Ezekiel to warn the people and to share the vision of exactly what took place in Ezekiel 36 so the people would be able to see that there was coming a time when God would move miraculously to stop the hand of the enemy, move upon their lives and remove their hearts of stone. They had to make a decision to turn back to God before their hearts would forever be stone (cold towards Him).

The time came when God was done with what the foreign lands were doing to His people and having His name mocked. But His people were also found with fault. God's people were found stubborn, rebellious, and indifferent to God's ways, and had allowed what the enemy did to defile their hearts and make their hearts a heart of stone.

God decided to defend His own name and not allow the enemy to make a mockery out of Him or His people. He sent Ezekiel to warn the people to turn back to Him and allow Him to change their hearts or be one of those whose stony hearts would not be transformed.

God has said that very same thing to us. He has warned us and has given us the end picture as to what is going to take place as His hand keeps moving in the lands and on the people.

Search your heart and allow God to show you any part of your heart that has become a heart of stone. Allow Him to soften it and make it one with His, and a heart of flesh – one on fire for His ways and to see His Will be done and the souls saved from the fiery pits of hell. Don't be one of those who keeps the stony heart and misses out on the eternal promise of life with our Father in Heaven.

Inflation

- Rev. Brett Connell

"In case no one has noticed, the U.S. national debt has risen by \$444 Billion in the past two weeks. At that pace the U.S. would be adding \$11 Trillion per year to the national debt. Something is clearly going wrong. A sovereign debt and U.S. dollar crisis can't be too far away." – Peter Schiff

There is a ticking time bomb in our American society that many of us are feeling and experiencing, but few understand. I'll be honest with you, I could list all the facts and break down the math for you but I don't know if that would help but make it worse.

Our government comes out with figures every so often about inflation, cost of living, and all these factors that help determine minimum wage. The system is rigged and it's all being bent and twisted out of shape to be presented as something it's not. One of the first things you learn about statistics in college is that they can be manipulated to reflect whatever you want.

"90 percent of Americans say..." could mean they only inter-

viewed 10 people that happen to be their colleagues that agree with their bias, minus one. This is just an example of how statistics can be manipulated, because they almost never reveal the details about the audience interviewed.

If you try to actually live on the minimum wage it won't be possible anywhere in the nation. This study has been done already, and failed in all 50 states. Yet all the information coming out to us is based on these impossible and unrealistic statistics. They say right now the inflation rate is 3.7% but that is based on all the crooked, twisted and outdated methods and figures they use to calculate it.

The "real" inflation rate that you and I feel every time we go to the store to buy goods is sitting at about 15-20%. Prices have been increasing steadily as I'm sure you've noticed – even just in the last year alone, many products have literally doubled in price or more. This is way worse than 3.7% and we both know it. Something is wrong with the math. You can't tell me prices only went up 3.7%.

Interest rates were held artificially low for about a decade so we could print more money easily, but now that number has no choice but to go up. Have you seen interest rates on mortgages lately? This cannot be sustained much longer and the system is going to burst at the seams and leak out. Gold. Silver. Stockpile necessities. The warning light is on – are you prayerfully managing what is coming?

Testimonials on the Mediterranean Cruise

by Rev. Astrid Sherriff

God has a time for everything.

In Ecclesiastes 3: 1 - 8 Everything has its opportune timing; there is time for all that is done under heaven: 2 time to be born and time to die; time to plant and time to harvest; 3 time to kill and time to heal; time to destroy and time to build; 4 time to cry and time to laugh; time to mourn and time to dance

5 time to scatter stones and time to pick them up; time to hug and time to stand aside 6 time to seek and time to lose; time to save and time to discard 7 time to tear and time to sew; time to be quiet and time to talk; 8 time to love and time to hate; time for war and time for peace.

These verses help us to reflect that there is time in life for everything, in my time it is time to rejoice in God. God gives us many ways to minister to the harvest.

In my time on the Island of Malta I was able to minister to a person from Serbia, A Hispanic from Colombia at my Hotel in Sliema, Malta. People are hungry for God, they need a hope that is Jesus.

In MSC Divina I met a Colombian from Honduras and another from Honduras and God gave me the opportunity to minister to him, I remember that one of the questions was about the gift of prophecy and they love the Lord, they travel 8 months of the year to bring sustenance to their family.

Today in Mykonos, Greece I had the opportunity to meet people from Israel and he asked me when I went to Israel in 2019, and I told him for a Christian conference and I had that hunger for God to know more.

What I mean is that no matter where your fences go, many people are lost and need God. God's timing is perfect, because we hear God's voice, and it directs us to what we should do. Jesus tells us to fence other nations and make disciples.

Matthew 28: 19 - 20 Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching you to obey all that I have commanded you. And I assure you that I will be with you always, until the end of the world.

No matter where we are or what we are going through, God is with us and He loves us. There is a lot of harvest in many areas of the world, it's just being available for God to use you the way He wants to use you.

Their plans are perfect. In many areas of Malta, Greece anointed areas that God told me to anoint and pray for those areas and people.

The most beautiful thing of all is to plant the seed and see what God will do with it. This boy named John and thirsting for God wants to know more about him.

Guard Your Heart

by Rev. Kathryn Gore (DoTK)

With all that is going on in the world, I felt strong in my Spirit some weeks back, we have to guard our hearts. What does this mean? As darkness increases, we have to be careful about how the darkness could affect us. If we are not careful, our hearts can grow cold and the things we hate could become a part of our very own character.

There are many things we see and hear on the news, social media, workplace, even within our own families that can anger us. Some people don't understand the enemy has a foothold upon their lives, allowing for deception and darkness to rule and reign in their hearts.

Years ago, a prophetic word was released that a portal of evilness was open due to the people of America choosing to fight against God. I believe this. Why? Shortly afterwards, the increase in demonic activity took place, and it has not stopped.

God has been speaking to His children, suggesting for us to draw close to Him or **we would not make it in this season.** As the days go by, I understand more and more on why God had to warn us of this very thing.

Yes, we are in the last days. Yes, God has already warned us through His word what would take place, but every day we are shocked behind the activity and behavior of the enemy. **It is evident that Satan is working overtime to destroy ALL he can destroy. His hatred for humanity is real.**

Phil Wickham released a song that reminds us to do right through it all. I believe this is very appropriate for such a time as this. Read the lyrics, find the song on YouTube, and allow for the words to rest in your soul. Guard your heart by drawing closer to God. He will get us through every valley that lies ahead.

The Jesus Way: Phil Wickham

If you curse me,
I will bless you
If you hurt me, I will forgive
And if you hate me,
Then I will Love you
Oh, I choose the Jesus way

If you're helpless,
I will defend you
If you're burdened, I'll share the weight
And if you're Hopeless,
Then Let me show you
There's Hope in The Jesus Way
If you strike me,
I will embrace you
If you chain me, I'll sing His praise
And if you kill me, my home is Heaven
For I choose The Jesus Way

[Chorus]

I follow Jesus, I follow Jesus
He wore my sin,
I'll gladly wear His name
He is the Treasure, He is the answer
Oh, I choose The Jesus Way

[Bridge]

I choose Surrender, I choose to Love

Bible Warnings
by Sis. Grace Crescenzo

There are many people in our current time that are professing to be Christian and placing sayings from Buddha or other Eastern Religious sources on Facebook for all to read. They might sound similar to Biblical words found in the scriptures, but truth is they are satan's subtle twisting of TRUTH used to lure unknowing people, even Christians searching for answers/wisdom for life situations, pain, and heartache!

Satan is the source of these false religions and groups: Humanism, New Age, Occult, Wicca churches, worship of devil, false gods, idols, etc.

People in desperation search and embrace anything that will ease their pain, and gain wisdom. However, these sayings are misleading, candy-coated slivers of truth! They masquerade truths from the Bible and twist it to lure people away from real TRUTH of the Word of God.

When people read and take these sayings into their minds, they unknowingly open the door (a portal) to evil spirits that will pollute their mind, their heart and destroy the body with infirmity. Open doors lead to more subtle deceptions which bring destruction and eventual death to person's spirit without realizing what is happening (maybe last day falling away?)

Bible Warnings:

John 4: 1 - 6 AMP, Beloved, do not believe every spirit [speaking through a self-proclaimed prophet]; instead test the spirits to see whether they are from God, because many false

prophets and teachers have gone out into the world. 2 By this you know and recognize the Spirit of God: every spirit that acknowledges and confesses [the fact] that Jesus Christ has [actually] come in the flesh [as a man] is from God [God is its source];

3 and every spirit that does not confess Jesus [acknowledging that He has come in the flesh but would deny any of the Son's true nature] is not of God; this is the spirit of the antichrist, which you have heard is coming, and is now already in the world.

4 Little children (believers, dear ones), you are of God, and you belong to Him and have [already] overcome them [the agents of the antichrist]; because He who is in you is greater than he (Satan) who is in the world [of sinful mankind].

5 They [who teach twisted doctrine] are of the world and belong to it; therefore, they speak from the [viewpoint of the] world [with its immoral freedom and baseless theories—demanding compliance with their opinions and ridiculing the values of the upright], and the [gullible one of the] world listens closely and pays attention to them.

6 We [who teach God's word] are from God [energized by the Holy Spirit], and whoever knows God [through personal experience] listens to us [and has a deeper understanding of Him]. Whoever is not of God does not listen to us. By this we know [without any doubt] the spirit of truth [motivated by God] and the spirit of error [motivated by Satan].

Much protection and many tools our loving Father God graciously gives us to use here on this earth realm!

Fall Is Upon Us
by Rev. Aaron Betz

No season better signifies the end of something quite like Fall. All of the leaves that trees have built themselves up with will now fall to the ground. I can't help but see the parallel of this season with the spot that God has His people in.

Think of a tree without leaves. Leaves are what a tree uses to eat and breathe. Without leaves, the tree must go into a dormant season: a season of rest yes, but also a season of not being able to do much of anything.

The rest that we can enter into comes from being purged and sanctified. It is not a rest of inaction, but a posture that waits on God before doing anything. From this rest, we can be fruitful without wrong motives or vain deceits polluting the work that God wants to do through us. This is a good spot to be at. "God, we have no more leaves, only You. We aren't going to feed ourselves anymore, we aren't even going to breathe on our own, we

are looking to you."

The new thing that God is doing is going to be only through His Spirit. What God is going to do is going to go beyond anything we could do, or think, or imagine.

Ephesians 3: 20 - 21 "Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us to Him be the glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen."

There comes a point that God is just going to move- beyond what we can ask Him to do or conceive on our own. It's good to ask God for things but the point is this: We've already asked God to move. God has piles and piles of petitions before His Throne and He has been waiting for the perfect time to act. Well, the time of action is upon us - to where He will make all things right within His body. When things our right within us, then His Glory will fill the church and blow the doors down to welcome in the Harvest.

IN CONGRESS, JULY 4, 1776.
A DECLARATION
BY THE REPRESENTATIVES OF THE
UNITED STATES OF AMERICA,
IN GENERAL CONGRESS ASSEMBLED.

No Idea – On the Brink of an Ongoing Religious War.

What has happened in Israel has greater implications than anyone can imagine. We need to understand that we are in the midst of a religious war. A war which will place Islam against Christianity and Judaism. This will not just be a religious war but a cultural war as well.

The attacks that took place in Israel started with the Islamist extremists screaming “allahu akbar” as they videotaped themselves attacking the Supernova Music Festival, a party that was held in a dusty field outside the Re'im kibbutz, about 3.3 miles (5.3 kilometres) from the wall that separates Gaza from southern Israel. What were they doing at this party? Videos show young Israelis dancing to trance music under a giant Buddha statue and prayer flags around dawn. The festival was billed as “a journey of unity and love” with “mind-blowing and breathtaking content”.

The supporters of the extreme versions of Islam do not believe in any other God than Allah. They do not have the cultural or religious tolerance that Judaism and Christianity exhibit. They believe you either serve Allah or have your head cut off and they travel with swords prepared to complete that task. This is what took place as they entered into the music festival grounds. They went in with extreme hatred for the whole setting. The music, the partying, the people, the worshipping of the Buddha, the drunkenness, etc. that was taking place. They were offended by it all.

This religious war is going to be different than anything that we have ever seen. It will be fought with extreme levels of violence and hatred that comes straight from the pits of Hell. The enemy does not like the bodies that we were given, and he does everything in his power to desecrate them. Whether the desecration comes through tattooing's, piercings, brandings, or the more extreme forms of ritualistic sexual abuse and torture. The enemies' goal is clear. Destroy the human body at all costs. The enemy wants to show God that he has no respect for His creation at all.

The massacre that just took place in Israel clearly demonstrates that there is no respect for human life if you do not bow down to Allah, your life means nothing to them. This is a hard concept for us to understand. There is a level of denial on the part of the Christian community. The real fanaticism of the Islamic religion will be demonstrated through extreme terror

W HEN in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

tactics and torture to the point of the loss of life. There is intellectual dishonesty that comes from leadership in the Church, but the reality is the people in the Church have said, “We don't want to hear anything “negative””.

The Bible is fulfilling itself hourly. Yet, we are living in days where the Church refuses to call evil, what it actually is, evil. We tiptoe around foundational truths and refrain from preaching the full Gospel in the name of love. Love is good but the Body of Christ remains fixed in a mindset that nothing bad will happen to them. This mindset of sloppy agape and watered down Christianity has allowed for the Body of Christ to not be in a state of readiness for the persecution that is coming to the Church. Persecution will grow the Church but how many will die being angry at God for allowing them to be killed at the hands of an Islamic extremist. If you don't believe in and serve their God, then you are to be killed. This played out in Israel. The Islamist extremists practice their religion with fervency and intensity.

There is another story that is being played out in the background. What's not being tied together is that the Islamist extremists opening attack was on a music festival. They attacked the people who attended the Supernova Music Festival. They deeply believe that they were acting on God's behalf and cleansing the area from sin. This is real. This is being swept under the carpet by the media because they do not want people to be afraid. The United States had an attack on a music festival in Las Vegas in 2017. Isn't it strange that they have not released details on why this attack occurred.

They are not telling you the true reason behind this attack but now that the one in Israel has occurred people are making a connection. The connection is that the attack on Las Vegas was committed by an Islamic extremist group that is embedded here in the United States. These extremists do not like our culture. They despise the party life that includes drunken partying, half clothed people, and idolatry that was taking place in Las Vegas. The attackers were offended by the Ameri-

can lifestyle of sex, drugs, and rock and roll. While we think it's cute that we can express ourselves and live in a way that is not godly, the Islamist extremists don't want to see this. It offends their idea of purity. Go to any Islamist country and you will quickly see that you don't see women walking around uncovered. If they did, they would be stoned or beaten on site. You don't see homosexual couples walking around holding hands or kissing like they do here in our country because they would be stoned or beaten. They do not tolerate and accept the things that we do.

The Islamist extremists are working to prepare the world for the return of their Islamic messiah. The last Mahdi. They pledge to enact a holy war that will cause chaos around the world and bring him back. They believe that as they enact punishment upon those who do not believe in Allah, they will gain more credit that will ensure them a place in Heaven. They are prepared to do anything, go to anything length to prepare the way for their god to return. As we look at the bigger picture, I want to remind you that these Islamist don't like the Jews or us. They want to see both of us completely removed from the earth.

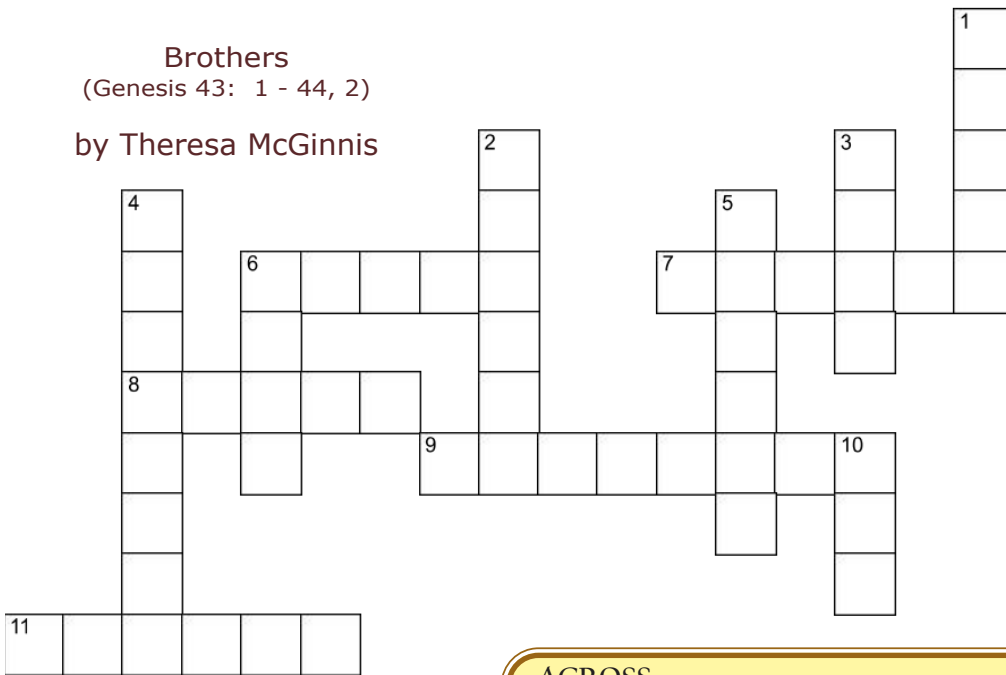

How do you sound an alarm here in America that more of this is coming? There's compromise in the Church. Along with the compromise comes a downplaying and acceptance of behaviors that in the past would be looked at negatively. The United States is filled with the multiple places that hold events just like the one in Israel. We do not understand that this religious war that is taking place is being focused on our western lifestyles and practices. The Islamists have the mindset that they are holy warriors for their god going forth and riding the earth of the sin and the degradation that comes from what is the western way of life. We have grown to see our lifestyle as harmless fun. There is a disconnect between some of the things that we allow and accept that Islamic religious people refuse to accept.

There is an extreme hatred for what the Islamic people consider sin. In some ways the Islamists practice a level of holiness and separateness from the things of this world more so than the Church. What do you think is going to happen when these Islamic extremists are emboldened and empowered by the new attacks that are taking place right now around the world. We must do our part to wake the Church up. May God grant them understanding that we are on the brink of war with a people who are fully committed to finishing what they started. Selah.

er to bring in this Great Harvest of Souls.

Psalm 121: 2 (NKJV) My help comes from the LORD, Who made heaven and earth.

Feel the Joy right now. Feel the laughter bubbling up deep inside. The Joy of the Lord is your strength, and it is this strength I send you forth in. This Joy destroys every ploy of the evil one. His minions do not know what to do with a child who walks in this Joy. Instead of the evil one defeating you, you defeat him with the unprecedented Joy of the Lord.

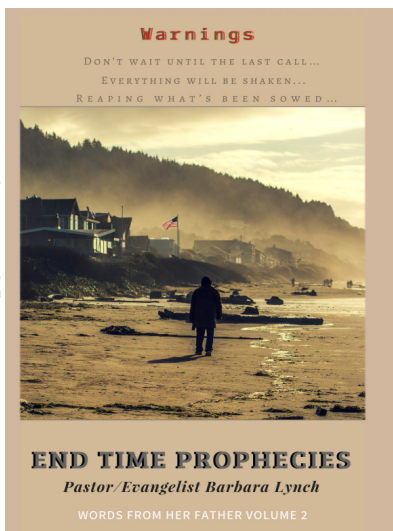

Nehemiah 8: 10 (NKJV) Then he said to them, "Go your way, eat the fat, drink the sweet, and send portions to those for whom nothing is prepared; for this day is holy to our LORD. Do not sorrow, for the joy of the LORD is your strength."
