Welcome to the January 2023 edition of Grin N Share It

We would like to welcome all of our patients to our first newsletter of 2023. We hope that you all had a wonderful break with your family and friends and are now ready for a new year with a renewed zest!

It's that time of year where resolutions are made (some are kept whereas some are quickly forgotten about!), new goals set as everyone looks ahead to their own respective futures.

How many of you have opted to undertake Dry January? It's that time of year where we take the opportunity to remind patients the benefits that low to no alcohol consumption can have on your oral health.

JANUARY 2023

Practice News

This month, we would like to focus on a particular topic – Airflow Cleaning. This treatment is so much more than your standard scale and polish and we want to take this opportunity to remind our patients of this additional service that we offer.

SPARKLING RESULTS WITH AIRFLOW TOOTH POLISHING!

A gentle, quick, and non-invasive therapy that removes surface stains and plaque.

Airflow is an advanced hygiene treatment that uses a gentle spray of water, air and aesthetic polishing powder to rapidly remove:

- Surface stains caused by tea, coffee, red wine, tobacco, some mouthwashes etc.
- Bacterial Plaque that builds up around the gum line and causes inflammation and gum disease.

The Flash Pearl Polishing Powder has spherical granules designed to roll smoothly over every surface of the tooth, is gentle on tooth enamel and natural tasting.

Our hygienist Teresa has many years' experience using Airflow and we are excited to reintroduce this treatment that patients can request to complement their routine hygiene appointments. And the best part is – it's currently on offer so why not give it a try!

AIR FLOW PROMOTION!!

UNTIL 31st MARCH 2023 – ANY HYGIENE APPOINTMENTS WITH TERESA CAN HAVE AIRFLOW TREATMENT ADDED IN FOR ONLY £10 EXTRA (ADDED TO YOUR REGULAR HYGIENE FEE OF £60)

(USUAL HYGIENE + AIRFLOW PRICE IS £75)

We look forward to hearing from you once you have tried this treatment out!

With Best Wishes -The Team at Cassio Road Dental Practice
