Love is the journey...

Celebrating love,
laughter, and happily
ever after!

Angelica Larell Rucker
THE BRIDE

MICHAEL,

Carole King once said, "When my soul was in the lost and found, you came along to claim it". There was a time that I was broken into so many pieces that I lost myself, but in you, I've gained a best friend and a prayer partner that shows me daily what love and faith is all about and you've given me a safe place whereas your unconditional love and support keeps me uplifted. In you, I have someone who supports me, who inspires me, who respects and honors me. Thank you for picking up every one of my broken pieces and patiently polishing them in ways that make me whole again.

Forever Yours,
Angelica

THE GROOM

ANGELICA,

You have been my best friend, mentor, playmate, confidant, and my greatest challenge. But most importantly, you are the love of my life and you make me happier than I could have ever imagined, I feel more loved now in ways that I've ever thought wasn't possible. You have made me a better person! Our love for one another is reflected and represented by the way I live my life. So I am truly blessed to be a part of your life, which as of today becomes our life together as one, it's only up from here, baby... lets go!

Yours Truly,

Michael
