Information on Universal Display Stands:

Our shift knobs and dash toppers are always top sellers, but not everybody wants to use them in their vehicle. After many requests from our customers, we developed a skull display stand for our shift knobs / dash toppers to display in your home, garage, man cave or office.

- Stand hold universal fit shift knobs for display
- Highly detailed skull base that measures 2.75 inches width x 2.75 inches length x 3.5 inches height
- Base produced from poly resin plastic
- Highly detailed sculpture
- Individually hand painted
- Does not include shift knob
