MENSAHE

Isang makabuluhang araw sa ating lahat.

As we conclude this school year, we do more than close a chapter. We honor the strength that carried our learners, teachers, and families through months of hardwork, sacrifice, and hope. Sa ating mga mag-aaral, this year was not always easy. May mga araling mahirap intindihiin at mga pagsubok na tila nakakapagod. Yet you stayed the course and learned to rise after setbacks. That resilience will matter far beyond the classroom.

Our schools became second homes where friendships were formed and confidence slowly rebuilt. Hindi lamang kaalaman ang natutunan ninyo, Kundi disiplina, malasakit, at tibay ng loob-mga katangiang huhubog sa inyo bilang mga kabataang handing manguna nang may kakayahan at mabuting pagkatao.

Behind every learner's success stands a community. To our teachers, thank you for teaching not only lessons but courage. To our parents and families, your support made every achievement possible. Education is truly a shared responsibility.

This year, we continued strengthening the foundations of basic education-from sharpening the Revised K to 10 Curriculum and expanding Senior High School pathways, to sustaining programs that help learners recover essential skills and better supporting our teachers. Under the leadership of President Ferdinand R. Marcos Jr., we remain committed to building an education system that prepares Filipino learners for the future.

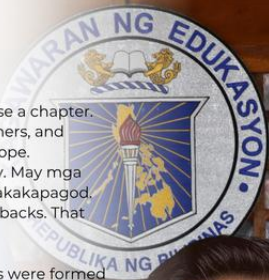

As we celebrate the End-of-School-Year rites, we are reminded of the aspiration that guides our efforts this year: Filipino Graduates: Prepared to Lead with Competence and Character." This reflects the kind of learners we strive to nurture-young Filipinos who are not only academically prepared, but also guided by integrity, compassion, and a strong sense of responsibility to serve others.

To our learners moving forward, especially our graduates, this is only the beginning. Dalhin ninyo ang sipag, disiplina, at malasakit na hinubog sa inyo. Knowledge will open doors, but character will define your path. We are proud of you. We believe in you. And we will continue building a stronger future for every Filipino learner.

Maraming salamat po.

SONNY ANGARA
SECRETARY

Greetings of Peace and Unity!

To the Graduates of Batch 2026,

Today, we do more than close a chapter; we celebrate a summit scaled. I warmly congratulate each one of you for reaching this significant moment, the culmination of your efforts, hard work, and unwavering hope. As you wear your hard-earned badge of completion, let it also be a badge of honor for your families, whose unconditional love and support have been your foundation.

Just last year, I spoke of your generation as the prime movers of unity, the bravest fighters of this era. Today, you prove that truth. You have navigated another year of learning, not just acquiring knowledge but building character. There were lessons hard to understand and challenges that tested your resolve. Yet, like true Filipinos, you stayed the course. You learned to rise after setbacks, developing the resilience that will serve you far beyond the classroom. This is the foundation of true leadership.

This year's theme, "**Filipino Graduates: Prepared to Lead with Competence and Character,**" is not just a phrase; it is the very mission we have pursued together in the National Capital Region. Guided by the **5-Point Agenda** of Secretary Sonny Angara and our own **DepEd NCR 5 Priorities**, our focus has been singular and clear: to increase learning outcomes and ensure you are ready for the future.

Secretary Angara reminds us that knowledge will open doors, but character will define your path. As you move forward, you carry with you the academic competence forged in our classrooms and the character honed through shared experiences and challenges. You are prepared to lead.

Therefore, I encourage you to stay true to your core. Continue to be the vanguard of justice, the source of fresh ideas, and the blessing your family and our country deserve. As you pursue your aspired goals, take on things one step at a time, with the same vigor, strength, and deep understanding of social issues that make you the brave fighters of this era. The unity and peace this country once truly had can be revived and reunited through your actions.

The DepEd National Capital Region celebrates your contributions as forerunners of social change. We honor your achievement, for this milestone is meant to savor the triumph of your academic labor. You are the living proof of our collective effort towards a stronger, more united, and better Philippines.

All for One NCR! Stronger, Together, RISE!

Congratulations, Batch 2026! We are proud of you. We believe in you.

JOCELYN DRANDAYA

Regional Director, NCR
concurrent Officer-In-Charge, Office of the
Assistant Secretary for Operations

Sa iyong pagpasok sa high school, nais naming ipaalam na kaagapay mo ang Lungsod Quezon. Patuloy naming isusulong ang mga programa at oportunidad na susuporta sa iyong pangarap at kakayahan.

Muli, binabati ka namin sa iyong pagtatapos. Ipagmalaki mo ang iyong husay at talento sa sarili, ang tiwala sa sarili, ang disiplina, at kaalaman sa iba't ibang larangan.

Patuloy mong ipakita na ang kabataang QC ay tunay na maipagmamalaki!

Lokal na Pamahalaan ng Lungsod Quezon

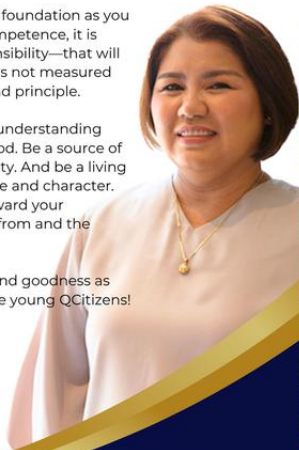

This day is not only a celebration of your achievements, but a powerful testament to your hard work, perseverance, dedication, and determination to reach your dreams. Anchored on the theme, "Filipino Graduates: Prepared to Lead with Competence and Character," we recognize the vital role you will play in shaping the future of our city and nation.

The knowledge and skills you have gained will serve as a strong foundation as you face the challenges of a rapidly changing world. Yet beyond competence, it is your character—your integrity, compassion, and sense of responsibility—that will truly define the kind of leaders you will become. For leadership is not measured by intelligence alone, but by the ability to serve with purpose and principle.

As you step beyond the walls of your school, carry with you the understanding that success is not only for personal gain, but for the greater good. Be a source of inspiration in your communities. Be a light in times of uncertainty. And be a living example of what it means to be a Filipino with both competence and character. Do not be afraid to dream boldly and take meaningful steps toward your aspirations. In every step you take, remember where you came from and the responsibility that comes with your accomplishments.

Congratulations and may you continue to embody excellence and goodness as you lead the way for future generations. Thank you, and long live young QCitizens!

Payatas C Elementary School @43 years: A Living Story of Resilience and Hope

In the heart of Payatas, where challenges often overshadow opportunity, a school rose from the determination of a community that refused to be left behind. Payatas C Elementary School, established in 1983 by the Madjaas Confederation of Payatas II, was not simply built—it was born out of necessity, a bold response to the urgent call for accessible public education.

From its earliest days, with only two classrooms standing against the odds, Payatas C became more than a place of learning. It became a sanctuary of hope, where children could dream beyond the boundaries of poverty and hardship. Over the years, through partnerships with government and private organizations, the school expanded strategically, culminating in the construction of a four-storey, 20-classroom building in 2010. This achievement was not just about infrastructure—it was a testament to the school's ability to adapt, innovate, and sustain learning continuity despite land disputes, overcrowding, and the looming presence of nearby dumpsites.

As the "Mother School" to LPES, PBAES, and PBES, Payatas C has shaped the educational landscape of Quezon City, nurturing generations of learners who embody the perseverance and potential of their community. Every square meter of its limited space tells a story of resourcefulness. Every classroom shines as a beacon of hope. Every child carries within them the promise of a brighter tomorrow.

Today, Payatas C Elementary School stands at a critical juncture. Its journey is not defined by deprivation, but by opportunity—an opportunity for stakeholders to invest in a project that directly strengthens human capital, community development, and social equity. Supporting Payatas C is not charity; it is a strategic investment in building healthier communities, stronger families, and a more inclusive society.

Over the years, Payatas C Elementary School has proven that success is not measured by wealth or privilege, but by resilience, unity, and the relentless pursuit of progress. From two humble classrooms to a thriving institution that has birthed sister schools and inspired countless learners, its journey reflects the triumph of a community that chose education as its path to dignity and empowerment. The story of Payatas C is not just about overcoming adversity—it is about transforming adversity into advantage. Each generation of graduates stands as living proof that when opportunity is nurtured, dreams take flight. Today, the school is more than an academic institution; it is a legacy of hope, a cornerstone of Quezon City's educational landscape, and a beacon that continues to light the way for future leaders.

As Payatas C looks ahead, its vision is clear: to sustain excellence, expand opportunities, and ensure that no child is left behind. Its success over the years is a promise—that with continued support, the school will not only endure, but will flourish, shaping lives and strengthening communities for decades to come.

PANALANGIN

PURIHIN KA O DIYOS

Purihin Ka, O Diyos namin, Salamat sa Iyong pag-ibig
Sa bawat araw ng pag-aaral, Ikaw ang aming gabay

Tinuruan Mo kaming matuto, Magpursigi at magmahal
Sa guro, magulang, at kaibigan, Kami'y Iyong inalagaan

Sa aming munting mga pangarap, Ikaw ang aming sandigan
Bigyan Mo kami ng tapang, At pusong laging mabuti
Sa Iyo ang papuri at pasasalamat
Ngayon at magpakailanman Amen...

PANGWAKAS NA AWIT

SA DULO NG LANDAS, MAY PANGARAP

*Sa umagang nilalakbay ang daan, Putik man o ulan ay hindi hadlang
May baong pangarap, hawak ang pag-asa, Kahit ang paaralan ay malayo pa*

*Sa silid aralang payak ang anyo, Ngunit puno ng aral at pangako
Guro't magulang aming sandigan, Sa bawat hakbang kayo gabay namin*

**Chorus: Salamat sa araw aming tinahak
Sa hirap at pagod hindi umatras, Sa dulo landas may liwanag
Pangarap naming ngayo'y lilipad, Salamat mahal naming paaralan
Sa aral habang buhay naming baon,
Kami'y magpapatuloy may tapang at dangal
Dala ang pangarap dala ang aral**

*May mga panahon kami'y nanghina, Ngunit pag-asa'y hindi nawala
Sa bawat pahina ng modyul at libro
May pangarap na unti-unting umusbong, Tahimik man ang aming paligid
Malayo man sa sentro ng mundo
Ang aming pangarap ay kasinglawak Ng langit na aming tinitingala*

REPEAT CHORUS

*Outro: At paglipas ng mga taon, Babalikan mga ala-ala
Isang munting paaralan sa malayo, Na humubog sa aming pagkatao*

*Hindi man madali ang aming simula, Ngunit matibay ang aming paniniwala
Sa bawat hakbang sa bawat laban, May pag-asang kami'y patutunguhan*

*Kami'y aalis nang may pasasalamat Ngunit mananatili inyong yakap
Mula sa malayong paaralan na minahal Kami'y magtagumpay
pangakong tapat*
