# ABOUT US

*Meemo was born in 2023, the result of a lot of research and in response to the great need to innovate and improve the luxury market in the Algarve. We provide unique experiences through personalized products and services. From small treats that make a difference in the day of those who receive them, to the maintenance services necessary to keep your villa always in perfect condition. No matter the time, we make the impossible possible! We follow high standards of elegance and personalization, always according to the style of each client.*

*Meemo*

WELLCOMES

# OUR PRODUCTS

*If you are looking for services, at Meemo you will find unique high standards. This is our main value when we talk about services. Our team has been trained to provide the best service, always with punctuality and refinement, exceeding the customer's expectations. Our concierge services are tailor-made, allowing the client to live all the best moments of their vacation in total relaxation, leaving all the bureaucracy and organization to us. We take pride in providing excellent and creative services marked by customer satisfaction.*

Products

## PAMPERING KITS.

*From basic hygiene kits to pompous personalized baskets and boxes, we have customized kits according to the customer's personality. All with the purest refinement!*
