HEADING OUT

From: **STEAM**

MAY 7TH

It's not about the destination, it's about the journey.

Heading Out is an immersive driving game passionately inspired by cult classic road movies.

Escape your fears by taking off down American highways on an emotional trip of discovery.

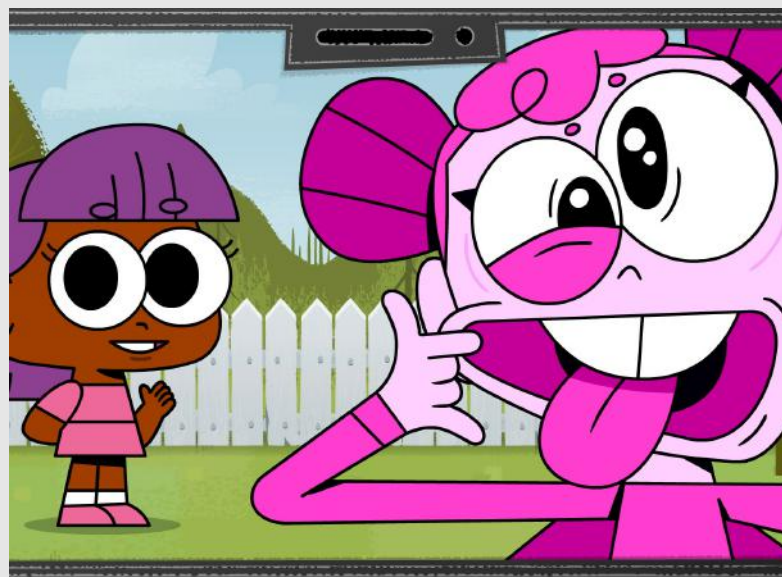

Save your friends, fight off the vampire apocalypse, and survive the horrors of freshman field hockey practice in #BLUD, a delightfully zany animated dungeon crawler that blurs the line between action RPGs and hyperkinetic 90s cartoons.

Slaying the undead is just another day at high school for Becky Brewster, new kid in town and latest in an ancient bloodline of spellcasting vampire hunters. Root out demonic infestations through the town's buzzing social media, and take selfies with demonic forces to analyze their weaknesses. Power up your trusty fiend-thwacking field hockey stick, and level up your latent magic skills through grimoires and school supplies. Master the slaying game with the help of an eclectic cast of hilarious characters, and teach the vampires a thing or two about messing with Carpentersville High!
