# Your Perfect Pizza Mozzarella

From dough to plate, every pizza is unique – and every stage affects the final product. When it comes to choosing the perfect mozzarella, whether you're a wood-fired traditionalist or a delivery whiz, it all starts with understanding the oven you cook it in.

 <p>Traditional Oven</p>	 <p>Delivery</p>	<p><b>TIP:</b> Use a thicker cut size on delivery pizza to retain opacity as it travels</p>	 <p>Deck Oven</p>	 <p>Impingement Oven</p>
<p><b>Block Mozzarella 2.3Kg</b></p>  <p>Perfect for pizza purists, a <b>VERSATILE</b> product that can be used across the menu, ideal for customisation to create a <b>BESPOKE</b> blend/ shape and <b>AUTHENTIC</b> looking pizza.</p>	<p><b>Shredded Mozzarella 2Kg</b></p>  <p>A good all round choice for chefs, our shredded mozzarella contains potato starch as an anti-caking agent which increases browning.</p>	<p><b>Large Diced Mozzarella 2kg</b></p>  <p>A thicker cut size of mozzarella gives a <b>SLOWER MELT</b>, allowing the pizza base to be fully cooked before the cheese begins to burn.</p>

## Smoked Cooked Sliced Streaky Bacon

Our Grumpy Pig cooked bacon is oven roasted to perfection, giving a pink texture with a gorgeous slight brown tint along the edge and tail, don't, my mouth is watering! # SunBlush®

THE ORIGINAL SLOW ROASTED TOMATO

Our range of SunBlush® products bring a taste of the Mediterranean to your menus. From the classic slow roasted tomato wedges in the signature SunBlush® garlic and oregano marinade, to our new slow roasted bruschetta mix, our innovative range adds bursts of flavour to pizzas, pastas, salads and sandwiches.

# Roquito®

Bursting with bold flavour, Roquito® delivers an unmistakable sweet heat thanks to our signature brine. From iconic pepper pearls to indulgent hot honey, flaming candied jalapeños and beyond, each bite is bursting with fiery fun.

A top-down view of a rustic wooden surface. On the right, a wooden cutting board holds several slices of medium-rare meat, a whole roasted meat piece, and fresh rosemary. A carving fork with a wooden handle and a single garlic clove are positioned on the left. The text "Meat & Poultry" is written in a white, cursive font across the center.

The Dipper That Delivers on Taste and Performance.

# simplicity.

Crafted for flavour. Created from vegetables.

We believe in flavour first. That's why we take vegetables and transform them  
- slowly and naturally -  
into ingredients with real depth, richness and umami.

## Simply crafted. From vegetables.

We start with whole vegetables and unlock their flavour through slow fermentation. It's a simple, natural process – never ultra-processed – that creates ingredients with real savoury depth. No imitations, no shortcuts. We reuse the natural fermentation liquid to create a rich vegetable stock – reducing waste while adding even more depth of flavour.

## SPREAD A LITTLE HAPPINESS

The Wilkin family have been farming at Tiptree, Essex, since 1757, and making quality preserves there since 1885. We grow a wide range of traditional English fruits and use them to make preserves, condiments, and

other treats in our nut free factory by the farm. We received our first Royal Warrant from George V in 1911, and remain Royal Warrant holders as purveyors of Tiptree Products to His Majesty King Charles III.

# PREP CAN LAST UP TO **3 TIMES LONGER** THAN STANDARD FRYING OILS.

It performs better, wastes less,  
and pays back harder.

We track it. Filter it.  
Optimise it.

We take oil very seriously.  
Perhaps a little too seriously.

## IT'S SERIOUS STUFF

[PREPOILS.CO.UK](http://PREPOILS.CO.UK)

Prep High Performance Oils can last up to 3 times longer than standard vegetable oil. Typical values verified against Laboratory Rancimat tests at 120°C to bring the oil to discard point. Source AAK (UK) Ltd.

# MÖVENPICK®

## Range

VANILLA DREAM

As iconic as our flag, our Vanilla Dream is a Mövenpick classic. We blend Madagascan Bourbon Vanilla with Alpine cream. So good you'll think you're dreaming.

- 5L

SWISS CHOCOLATE

We may be blowing our own Alphon but we believe Swiss Chocolate is the best in the world. Enjoy our dream team of chocolate creaminess paired with crunchy layers!

- 5L

MINT CHOCOLATE

Alpine cream, crunchy cocoa shavings with a zing of mint make this ice cream as fresh as a morning walk on a Swiss glacier.

- 2.4L

STRAWBERRY

There's only one way to make the best strawberry ice cream. We transform ripe strawberries into the finest puree and pure juice and then mix all this fruity goodness with our best cream.

- 5L

PISTACHIO

We use unroasted pistachios for fresh natural flavour and texture. Pure and how nature intended, just like Switzerland.

- 2.4L

CARAMELITA

Our Caramelita is one-of-a-kind. Creamy caramel ice cream with soft buttery caramel pieces that melt in your mouth. An unsurpassed classic from Mövenpick.

- 2.4L

RASPBERRY SORBET

We love waking up to the fresh mountain air and so do our raspberries. We pick them in the early morning hours when they're at their best.

- 2.4L

PASSION FRUIT & MANGO SORBET

Even exotic fruits love the cold. Sun-ripened passion fruit, loaded with sweet mango pieces.

- 2.4L

## DISCOVER THE MÖVENPICK ICE CREAM EXPERIENCE

"Open a window into the garden of pleasure" Ueli Prager, our founder, believed that natural ingredients would provide pleasurable indulgence. We believe that pure, natural ingredients and Alpine cream can be blended together to create a delicious and premium ice cream experience.

The most important ingredient in ice cream is cream! So we use only the best. Our farmers have small farms which are located in the serenity of the Alps. Our cows are mostly in open stalls and lawns, fed primarily on grass, flowers and herbs.

Our craftsmen explore the world just like our founder by being "open and curious to everything". We experience life to innovate and create with an open-minded and joyful attitude, we dare to think outside the box and embrace new flavours and trends.
