Greetings Manor Senior High School Scholars and Families,

Today is an exciting day! Today marks the ending of one journey, and the beginning of another. Today, we show the world that TOGETHER we can endure.

We started this school year in a virtual learning environment because of the continuation of COVID-19. We transitioned into a hybrid learning environment with virtual and in-person learning opportunities. Then we had to shut down because of a winter storm. We lost electricity and water, some left with expensive repairs. Over the past two years, many of us have lost loved ones, experienced financial difficulties, health challenges, and more. But Today, we are here.

Today our scholars represent visible proof that, when the school and community work together, we can overcome anything. This room is full of future business owners, military service men and women, college graduates, lawyers, technicians, doctors, educators, welders, construction managers, engineers, and more.

I want to thank all of our parents, guardians, extended family members, teachers, staff, volunteers, administrators, district personnel, and school board members for doing all of the behind the scenes work, direct and indirect work with our scholars. You have been the village they needed during these perilous times. You are valued and your contributions are priceless.

To all of the juniors and future MSHS scholars. We will start Today focusing on getting you to this point next. We will hold ourselves accountable to make sure you know what you need to do so that next year you will be right here in the front row. We will support you, communicate with you, and empower you to reach your potential. Hold on to these words, "hard work pays off." We have a lot to do, and we will do it together.

Today I am honored and happy to have had the opportunity to guide the Manor Senior High School family to this point. We have an outstanding team and only great things are in store for our future. Dr. Spencer, thank you for the opportunity.

*Always working to make the world a better place,
Dr. Chris Harvey
Interim Principal, Manor Senior High School*
