Les Ginanni Business Community Connection Award

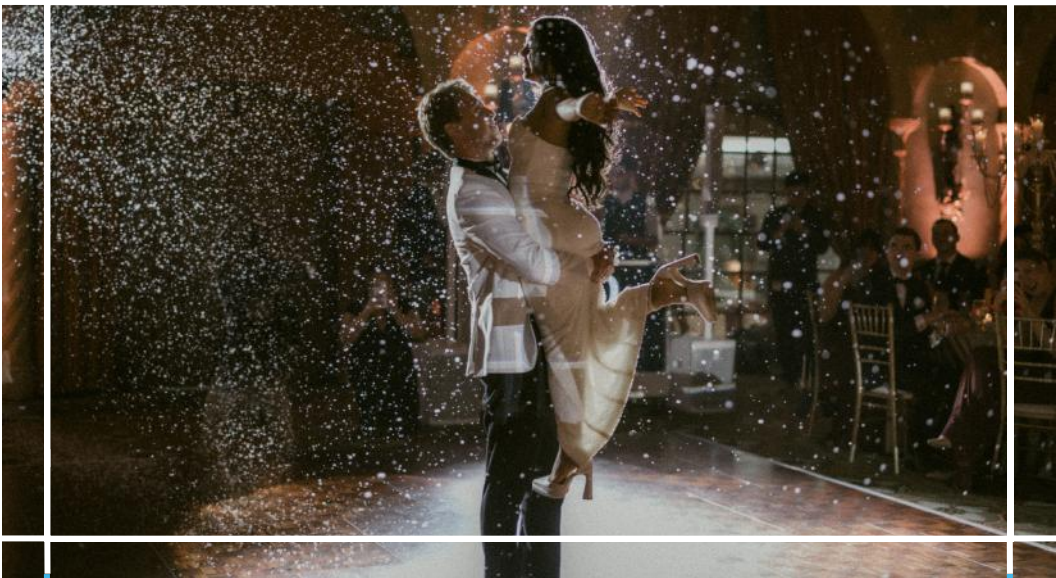

The recipient of the Les Ginanni Business & Community Connection Award is the West Shore Chamber member who has continuously contributed to the community through his or her business and on a personal level. First presented to the late Mr. Les Ginanni, the award was named in his memory as a tribute to his exemplary community service throughout central Pennsylvania. Mr. Ginanni was Chairman of the West Shore Chamber of Commerce from 1982-83 and 1987-89. A vigilant community advocate, he was active in various nonprofits and hospital drives.

The 2025 recipient of the Les Ginanni Business & Community Connection Award is Michael C. Verber, DMD, CEO & Chairman of the Verber Dental Group, a nationally recognized dental health care system built on a culture of innovation, empowerment, kindness, and positivity. Under his leadership, the organization has become a model for modern, patient-centered dentistry and collaborative practice. Beyond the dental group, Dr. Verber has co-founded an employee-owned media company; a real estate development firm, a dental continuing education institute, and an AI technology startup focused on advancing innovation in health care and education. His entrepreneurial work reflects a deep commitment to progress, professional growth, and community impact. A passionate advocate for education and access to care, Dr. Verber has helped develop new dental programs at Central Penn College, where he serves as a Trustee, to address workforce shortages and expand access to oral health services across Pennsylvania. He also founded numerous political action committees aimed at addressing access to dental care and educational initiatives across PA.

Verber has served as dental faculty at multiple institutions, coached scholastic basketball, and served on several nonprofit boards, including as President of the Cumberland Valley Youth Basketball Association, where he has volunteered for over two decades. He has also served on the Eagle Foundation, supporting enrichment programs for underserved students, and the National MS Society (Central PA Chapter), helping his mother, Shelly Verber, raise more than \$250,000 for MS research and family support. His greatest charitable effort involves his work selling hot dogs as the assistant manager at the volleyball booster concession stand. Dr. Verber has been featured on the cover of Incisal Edge Magazine as one of the “32 Most Influential People in Dentistry” and named among the “40 Under 40 Best Dentists in America.” He was recognized as the 2025 Temple Alumni Entrepreneur of the Year, received the Agate Award at the Conference for Women, and led the Verber Dental Group to become a finalist for Business of the Year. Despite his other achievements, Dr. Verber proudly considers surviving four hours in the NYC American Girl Doll Store with his two daughters and wife his greatest accomplishment.
