FACTS ON FOCUS

"FOUNDATION STAGE-SPECIAL EDITION" -2024-25

PRINCIPAL MESSAGE

Mrs. Suma S. Rao.
CBSE Principal

At Soundarya School CBSE , we emphasize on a holistic approach to early childhood education, particularly in foundation literacy and numeracy as per the National Education Policy (NEP).

To ensure comprehensive development in children, the NEP recommends a variety of engaging and interactive teaching methods that cater to different domains of growth: cognitive, social, emotional, physical, and aesthetic.

At Soundarya School in ECCE section [Early childhood care and Education] teachers follow the key patterns of teaching suggested pedagogy which includes play-based, story-based, and activity-based learning.

By implementing these patterns of teaching, educators can create to a nurturing and stimulating learning environment that supports the holistic development of children.

- Storytelling at Soundarya School enhances students' language skills and fosters creativity. It also helps in building listening skills and promotes a love for literature.
- Cultural competitions provide students with an opportunity to celebrate diversity and learn about different traditions. They also help in developing self-confidence and performance skills.
- Parent engagement activities strengthen the bond between parents and the school, promoting a supportive learning environment. They also encourage parents to be active participants in their children's education, enhancing student motivation and achievement.

Yoga Day

Our Grade 1 students enjoyed a fun and engaging introduction to yoga. They practiced simple poses and breathing exercises, all while having a great time. The day was filled with laughter and learning, helping the children understand the basics of yoga and its benefits for their health and well-being. It was a joyful experience that encouraged them to stay active and mindful.

Father's day

Father's Day event was one that brought the fathers and their children together for a joyful and creative day. Duo Delight was fun . The laughter and comradery were infectious, and it was heartwarming to see fathers and children working together to do their best. Frame Making allowed fathers and their children to get creative and reminisce about their childhood days.

SUPER DAD

Soundarya's Got Talent

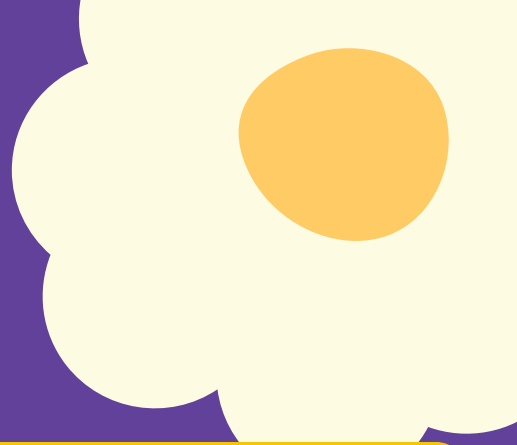

Step into the wonderland of talent at Soundarya School CBSE Foundational Stage - Talent Show!

Our little stars shone brightly on the stage with magic tricks, expressive dances that made us groove, and melodious songs in multiple languages. From impressive shloka recitals to rhymes, left us in awe. Each performance was a masterpiece, making opportunities, paving their path to greatness."

SCHOOL TOUR

Exploring the School: A Fun Tour for LKG students.

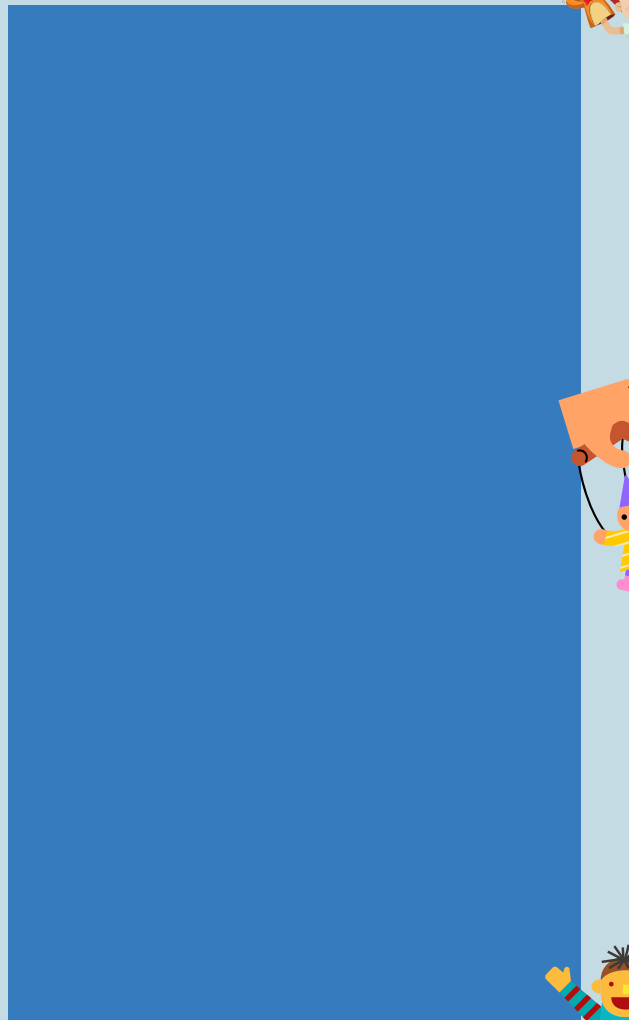

Our LKG students had a fun-filled day exploring their new school. They visited colorful classrooms, played in the vibrant play area, checked out the art room, play area, classrooms, play ground, Library, Computer Room, Principal Office, quadrangle and also had an imaginary story adventures in the lawn area.

Puppet Show

Grade 1 students were treated to an enchanting story session that was bursting with creativity! Grade 1 teachers that put up a Puppet show with a lively narration also brought moral lessons to life with dynamic voice modulation, insightful annotations, and thought-provoking questions. The students were completely captivated, hanging on every word, eager to unravel the stories and the valuable lessons they imparted.

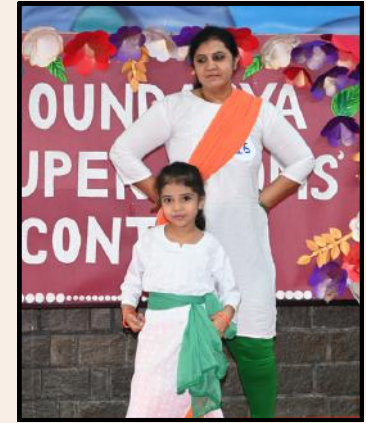

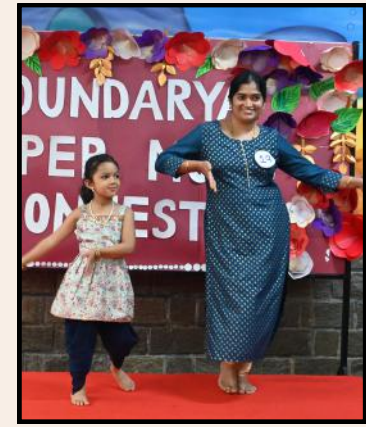

SUPER MOM

Soundarya Super Moms

On Saturday, July 27th, 2024, Soundarya Preprimary proudly hosted the "Soundarya Super Moms Contest," an exhilarating celebration of maternal talent and creativity. The event was a vibrant showcase of our amazing moms, who brought their tussle with dazzling dance performances and impressive muffin art creations. The muffin art contest featured stunning works crafted with cream and fondant, as the moms involved their kids in the creative process, added a special touch of joy to the event.

A heartfelt thank you goes to our esteemed guests: Soundarya Directors Mr. and Mrs. Varun Kumar, State Board Principal Mrs. Chinnamma Kaverappa, and Principal Mrs. Suma Rao, whose presence and support were invaluable in making the event a resounding success. The day was truly memorable. Thanks to the exceptional coordination and enthusiasm of our dedicated coordinator and teachers. Their efforts ensured that the "Soundarya Super Moms Contest" was a spectacular celebration of creativity and spirit!

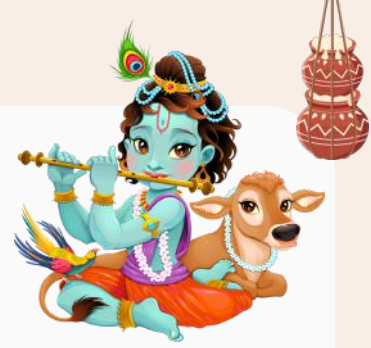

Independence Day

On August 14, 2024, Soundarya School-CBSE celebrated the "Har Ghar Tiranga" campaign with vibrant cultural performances by students from nursery to grade 1. The event featured a performance of "Yeh Desh Meri Darti," a ramp walk portraying freedom fighters, and a lively presentation of patriotic songs. This celebration underscored the spirit of patriotism and cultural pride, reinforcing the message of national unity and cultural preservation.

Krishna Janmashtami

On August 26, 2024, Our Krishna Janmashtami celebration was truly enchanting. The students delighted the entire school with a mesmerizing Radha-Krishna dance performance during the assembly held in the school grounds. The toddlers, Pre-KG, LKG, and UKG students were dressed vibrantly as Radha, Krishna, Sudhama, the Sheshnag, Vasudev and Yashodha, each posing uniquely for memorable pictures. Adding to the festive atmosphere, bhajans dedicated to Krishna were sung, enhancing the heavenly ambiance. Witnessing these tiny children in their divine roles felt like experiencing a slice of heaven on earth.

Saturday Shandy

LKG-A's "Saturday Shandy/Shanivara Santhe" created a mini market where students sold fruits and vegetables. They practiced connecting quantities and currency while using both English and Kannada. Their accurate and articulate responses demonstrated their grasp of the marketplace concept. This view was so typical of a village Santhe.

Soundarya Supermarket

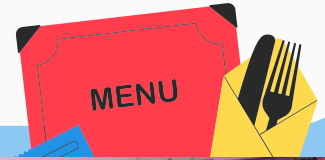

LKG-B created their "Soundarya Supermarket" and set it up with a demand sale- buy-one-get-one-free offer. The setup included dummy mobiles, QR codes, and simulated transactions, helping students understand real-world pricing and transactions.

Soundarya Inn

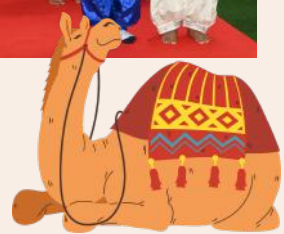

UKG Soundarya Inn presented dining etiquette through a mock restaurant setup, including proper handwashing, utensil use, and maintaining silence. They demonstrated various roles such as chefs and waiters, culminating in a billing process.

A Journey Across India

"A Journey Across India" by Grade One students showcased four Indian regions—Karnataka, Goa, Rajasthan, and Kashmir—through models of landmarks and placards. Their enthusiastic presentations highlighted their knowledge of regional geography.

Language Literacy Activity:

"Building literacy basics in the foundation stage with phonics and fun activities to spark curiosity and eagerness to learn every day!"

Hindi

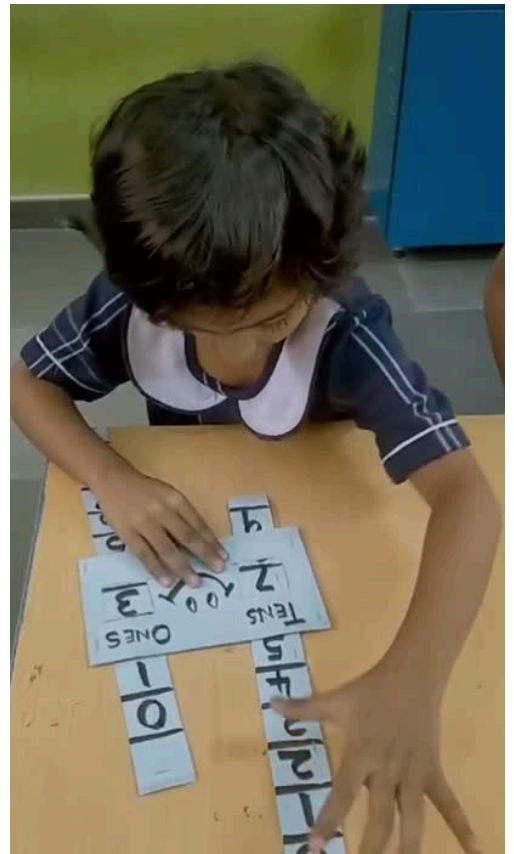

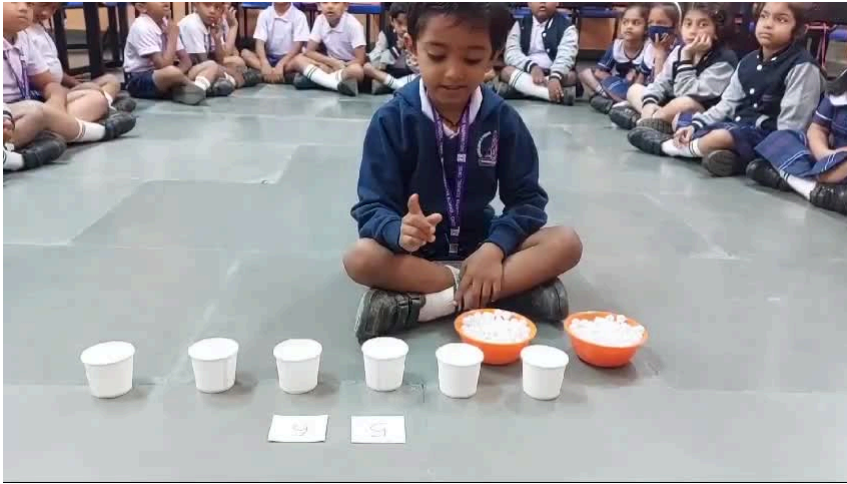

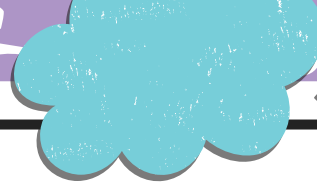

NUMERACY:

Discovering numeracy fundamentals through fun activities; igniting absorption and a passion for learning and love for number from the scratch!"

NUMERACY:

EVS

"Exploring the environment through fun activities that are physically done and understood, learning about our, environment /world, and sharing new discoveries!"

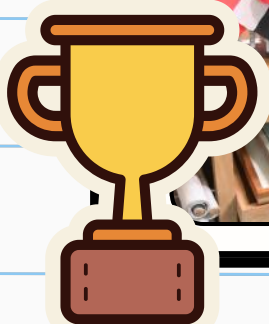

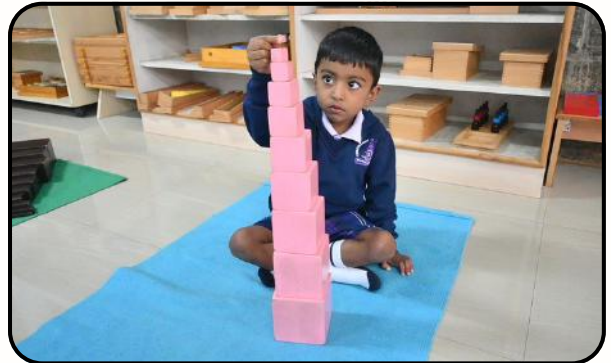

Dream

EPL

Over a couple of years, Practical Life Exercises (EPL) in our Montessori setting, helped children develop essential skills.

An absolute fun place where these activities, ranging from simple tasks like pouring and stringing, pairing to more complex chores, build motor skills, independence, and responsibility. They also foster self-discipline and social skills, laying a strong foundation for future learning and personal growth.

EPL

RED COLOUR DAY CELEBRATION

The Toddlers widened their eyes to see their class decorated in red, they wore clothes red clothes and explored red objects around the classroom with so much glee. They read a story about a red balloon and colored pictures with red crayons. It was so much fun and excitement for them to see everything in red around them!

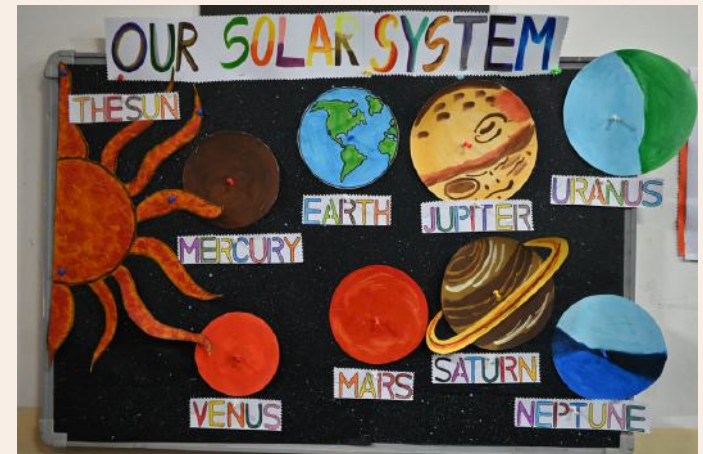

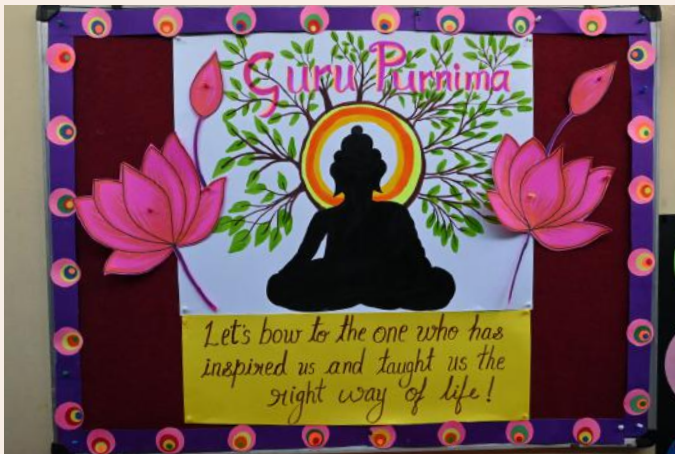

YELLOW COLOUR DAY CELEBRATION

PreKG Celebrated the colour Yellow, the whole room turned out to be so bright and radiant. The students explored the color yellow through diverse activities involving math, shapes, fruits, and vegetables. Highlights included sunflower art and minion-themed takeaways. Students confidently answered questions from dignitaries, showing their understanding of the theme based on all domains of education.

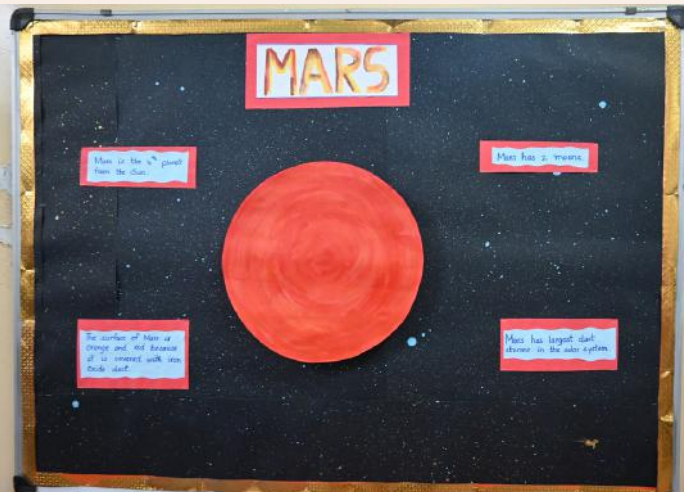

THEME BOARD

"Theme boards enhance students' learning by showcasing important days celebrated, various things in and around us, and topics beyond our initial understanding. This artistic approach widens their spectrum of knowledge and engagement."
