Welcome

We have been genuinely astonished by the positive reception of this magazine. As volunteers, we are simply giving back to the sports that have brought us joy over the years.

Remarkably, the readership has doubled within the first three issues. This is incredible, especially since we initially planned for a soft launch, expecting only a small audience and hoping to grow gradually as we established our systems.

However, we find ourselves needing assistance sooner than anticipated.

If you can spare a few hours each week and are interested in helping us assemble the magazine, we would love to hear from you.

This is completely voluntary opportunity, but we are looking for a couple of individuals to join us. It would be particularly beneficial for those who are just starting their careers in journalism or publishing and wish to gain some ex-

perience for their resumes.

We are specifically seeking someone with desktop publishing skills to help compile sections and prepare the magazine for publication (experience with Quark is preferred, but familiarity with InDesign is also acceptable as it is quite similar).

This person would also need to take full responsibility during holiday periods.

Additionally, we are looking for someone interested in writing feature articles on a regular basis—ideally at least every other week, though not necessarily weekly.

You will need your own computer for both roles, but we will provide the necessary software.

If you are interested in contributing, please reach out to us at enquiries@southyorkshiresport.co.uk, and we will provide you with more details about what we need.

Thank you all for your continued support!

Toner leaves Belles

Doncaster Rovers Belles have confirmed they have parted ways with Manager Ciaran Toner.

In an official statement released by the club last Friday afternoon they stated:

“The Belles can confirm that Ciaran Toner has left his role as manager by mutual consent.

“First team matters will be overseen by Amanda Greenslade along with Debbie Barry and Lynn Goodman until the end of the season.

“All at the club thank Ciaran for the tremendous time and effort he has put into the role and wish him the very best for the future.”

Appointed over a third of the way into the 2023-24 season, Toner took Belles from a position where the possibility of relegation was very real to narrowly failing to finish in the top half of the FA Women's National League Division One North table.

The transformation in Belles' fortunes last term was chiefly down to making the team near invincible at home where 8 games produced 6 wins and 2 draws with a scoring record of 17-4. Away from home, the 6 games played yielded just 4 points. However, the combined total of 24 points (from just 14 games remember) is

usually enough for a team to not have to worry about relegation in any of the FAWNL's six divisions where teams play 22 games. Belles also reached the County Cup final for the second successive season where they lost 3-2 to Huddersfield Town.

Ahead of the current campaign there was justified optimism for being in a comfortable mid-table position and with some astute signings, being able to flirt with the title chasers. My pre-season prediction for the title (and sole promotion place) was Middlesbrough who are second behind Cheadle Town Stingers on goal difference with each of the division's 12 teams having just two games to play.

Belles are currently second bottom, four points from safety and effectively needing a miracle to stay up.

Belles visit Middlesbrough this Sunday and end the season with a home game against Huddersfield. Middlesbrough have the division's best home record (unbeaten with 28 points from 10 games) and they need the points along with two high scoring wins if they are to guarantee finishing above Cheadle. Boro's solitary League defeat came when they crashed 3-0 away to Belles in November and Belles need a similar result

this Sunday.

Assuming Belles can conjure two wins from their two remaining games, they then have to rely on results elsewhere. Fortunately for Belles, six points will suffice if Norton & Stockton Ancients fail to add to their current tally of 20 points or if York City fail to record a victory in both their remaining games.

There have been too many games where they have been “Jekyll and Hyde” this season. Good enough in spells, but not making it count when on top, while defensively conceding goals in the latter stages of a game to drop crucial points.

Belles have just one clean sheet to date, ironically in the aforementioned victory over Middlesbrough. A month later in their defeat at Huddersfield, the defending was almost non-existent for Town's

goals.

Player recruitment. This season's squad is effectively Toner's Belles. Players have left at various stages since last season. Some of this season's signings have come and gone.

Toner's team selections, along with formations, have come in for criticism, but far less than would surely be the case if it was Doncaster Rovers (men) getting similar results.

Even though Belles exited the County Cup to Huddersfield on penalties on Sunday, there has been a marked increase in positivity.

The parting of the ways has probably come too late to save Belles from relegation. If Amanda Greenslade can steer Belles to safety, she would deserve the “Manager of the Year” award.

Appointments for Penistone Church and Rossington

Penistone Church have moved quickly to announce their new management team following the end of season retirement of Stephen Lenthall.

A statement on the clubs website stated "Following the 'early' retirement of co-manager Stephen Lenthall we've been able to move quickly to ensure the stability at the top of the men's First Team.

"We're delighted to confirm John 'Jubby' Whitehead is staying on as co-manager and will be joined at the helm by Brett Lovell who is stepping up from the Assistant Manager role.

"As a club our succession planning is always at the forefront of our minds

and no better example than this. Jubby & Brett are already into planning the 2025-26 season only 48 hours after the 2024-25 season has finished.

Meanwhile, Rossington Main have appointed Jack Crookes as the new manager of their Ladies Developments, effective at the end of the current season.

In their statement, Rossington said:

"Jack is a Rossington local and a highly regarded coach, having previously managed Dearne Ladies.

His appointment follows a thorough recruitment process, in which John, who has been supporting the team in a dual role

Jack Crookes

alongside the U18s, played an important part.

With the U18s recently crowned league champions and securing promotion, John will now fully focus on their continued success.

We extend our thanks to him for his dedication and commitment during

this transition."

Joining Jack in his coaching team are:

- Ryan Hatton – Assistant Manager
- Chris Griffin – Goalkeeper Coach
- Jemma Bramley – Player Coach

Sheffield FC Relegated

Whilst looking inevitable for some time, the relegation of Sheffield FC was confirmed on Saturday with a 2-1 defeat at Pontefract Collieries. In a game that probably summed up a disappointing season, it was a performance of two halves with Club taking a 21st minute lead through Connor Cutts before being pegged back seven minutes later. The succumbed to a last minute goal to seal their fate.

They won't know what league they will be playing in next season until the FA placement system concludes at the end of May. It will be either the United Counties League or the Northern Counties East League.

Kiveton Park Favourites

Kiveton Park look favourite to take the County Senior League Division One title following a 2-1 victory over Sheffield Union. Kiveton leapfrog both Handsworth Reserves and Union to the top of the table. Kiveton, who lead the table by three points, travel to Athersley Recreation for their final game on Saturday, whilst Handsworth, who have a 10 goal superior goal difference host Parkgate Reserves. Union have concluded their season and finish in a promotion place third.

In the Premier Division, Oughtibridge WM and Hemsworth Miners Welfare are battling it out for the title. Oughtibridge are three points ahead and travel to Penistone Church Reserves whilst Hemsworth will win the title if they win at Jubilee Sports and Oughtibridge lose.

Hallam FC - a COVID success story

With a rich history spanning 165 years, Hallam FC is recognised as the second oldest football club in the world, and its ground is the oldest still in use. Despite this long-standing legacy, the club is currently experiencing a resurgence, having concluded their league season in their highest-ever ranking. They are now on the brink of potentially achieving even greater success in three upcoming matches.

This remarkable turnaround has not occurred overnight; rather, it has been nearly a decade in the making, with an unexpected boost from the COVID pandemic. In 2016, the club's then-Chairman, Steve Basford, initiated a project known as "Target 200," aimed at increasing match attendance to an average of 200 spectators per game. To support this initiative, he enlisted volunteers with various skills to take on specific roles—those with bar experience managed the refreshments, individuals with strong customer service skills handled ticketing, and media-savvy volunteers took charge of the club's communications.

WORDS: Steve Birch

And that's where Ian Jones comes in. He started volunteering in 2018 and doubles up in the role of kitman as well as the media manager. He has a couple of helpers who give a hand with the social media side of the club.

Ian explains "We reached the 200 target before COVID and, in fact, were averaging up to 250 and we felt we were going in the right direction, especially off the pitch. On the pitch wasn't going so well but there was an awful lot of good happening to get it off the ground and making sure the structure was right to get to where we are now."

COVID caused the 2019/20 season to be cut short but in May 2020, Hallam made an inspired decision to appoint Craig Denton as manager. He previously had huge success at Worksop Town and also a successful, albeit shorter period, as manager at Barton Town. Work commitments meant that Hallam was a perfect opportunity for him.

Ian recalls "We have had good seasons before when Ryan Handley got us into the play-offs but it was a complete rebuild when Craig came in. I remember we had an open trials day at Sandygate when Craig first came in and we had 40 players turn up. I think only three players had been with us from the previous season."

The 2020/21 season was also curtailed by COVID but then success really took off on and off the pitch.

"COVID, as weird as it was, has probably been the best thing to happen to this football club," Ian explains. "The Government said people could go back to watch sport again but only at our level. The professional game could not have spectators and the likes of the semi-pro leagues such as the three divisions of the Conference and the Northern Premier League were still not able to play. They said our level was classed as amateur – people were bored, had nothing to do so they came to our games!

"We have a family friendly inclusive attitude to everyone that comes, you can stand with you mates; you can have a pint in the terrace.

"Obviously everybody wants us to win, but the people are coming just to enjoy a Saturday afternoon. As long as they've got some good football, the result is almost not relevant. We are getting a bigger fan base which has continued to grow."

Success on the field followed. In the first season back after COVID, Hallam stormed to the Northern Counties East Division One title with a record 102 points from 40 games scoring an amazing 146 goals and a positive goal difference of 103!

The following season they missed the Premier Division play-offs by a single point, and then last season, by their standards, finished a "disappointing" ninth. However, this was compensated by a run to the fifth round of the FA Vase (going out on penalties to Lincoln United), the farthest they have been in the competition since its introduction in 1974. "Without doubt, the on pitch success - which we couldn't have done without Craig and his team - has helped drive the growth," says Ian.

This continued growth has brought with it its own problems off the pitch. But they are good problems to have.

something we will be embracing.

"We have developed good relationships with local companies. Our lads were training the other night and we arranged with a local pizza company to deliver pizzas after the session. We have promoted them across our social media channels and now our season ticket holders can also get a discount with them. It's all about the good relationships.

"We also have such a good atmosphere, we are competitively priced and people have realised that at £6 for adults and £4 for kids, you can come to a game, have a pint and food, drinks and food for the kids and stay behind for another drink after the game and still have change from what it would cost for the admission alone at a professional game."

One of those large crowds this season was the World's Oldest Derby when Hallam hosted Sheffield FC in the Quarter Final of the Senior Cup. In fact, it reignited the world's oldest game between two different clubs first played in 1860. 1,496 turned out to see the hosts win 2-1. It was the first time in over a decade the two have played each other with Sheffield having being a division higher since 2007.

There's a chance that the two may swap places next season with Sheffield FC being relegated from the Northern Premier League (although even if Hallam don't win their way through the play-offs they may still not play each other as there's a possibility that the FA may place Sheffield in to the United Counties League rather than the Northern Counties East League).

"I had a German guy contact me before the Sheffield game on my private Instagram channel and asked if I could get him a ticket for the match as he wanted to come over," said Ian. "I arranged it for him and he sorted out flights but the original game was called off due to snow. I just assumed he had gone back to Germany so I messaged him before the rearranged game just to be polite. He

Ian explains "Richard (Pillinger) took over as Chairman at the end of COVID and he was keen to ensure we took advantage of the situation. We were able to get an awful lot of the local community who had never been to the ground involved. Some didn't even know we existed."

This last point is quite remarkable as anyone from Sheffield knows, the city has the World's oldest football club in Sheffield FC and the World's oldest football ground in Sandygate – and this is something that Hallam FC market exceptionally well.

Ian continues: "It all just snowballed. We have people now having their kids as mascots, they buy merchandise and everyone keeps coming back. We have had three attendances this season of over 1,000. Our average League crowd is just under 600 – I think 'Target 200' has been smashed.

"A lot of money was spent on refurbishing the bar and the toilet facilities. But these were refurbished with 200 in mind – we have outgrown them so we are looking at how we can change and add with the new attendances. And if we are promoted again, this will bring with a whole heap of ground grading issues. It is good, though, and

then told me he was still in the country, had been sofa surfing and was able to change his flight back so had stopped in the country for the re-arranged game.

“He’s coming again next year but bringing his mum and dad across with him next time!”

That victory over Sheffield came in the middle of an amazing spell of League form that has seen them go unbeaten since 30 November (when they were beaten 4-2 at home to another local rival in Handsworth). This run of form has seen them clinch second spot in the Premier Division and with it a shot with two potential home games to gain promotion to the Northern Premier League.

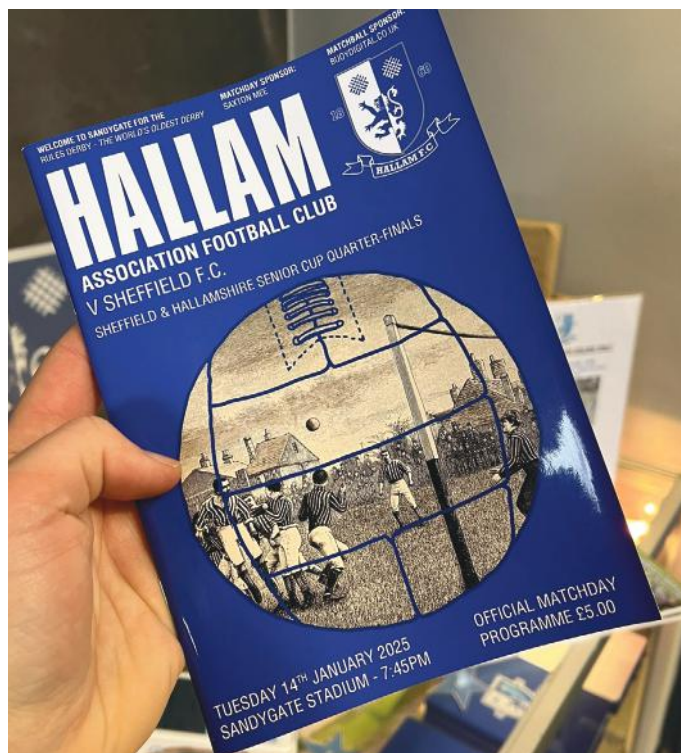

First up will be on Saturday when Thackley come to town.

“I thought it was going to be Albion Sports,” said Ian. “I am so glad its not – they always seems to have one over us.” They can thank those pesky neighbours of Handsworth for that with their 3-1 win on the last day over Albion consigning them to 6th place and outside of the play-offs. Earlier in the season Albion won 4-1 at Hallam although the reverse fixture was a 2-2 draw.

Thackley beat Hallam 2-1 in their home game back in September although the game at Sandygate in January resulted in a 3-1 victory for the Countrymen. The attendance that day was 602. There will again be a four figure crowd on Saturday.

A win on Saturday will see another home fixture against either Golcar United or Beverley Town the following weekend. That could be an Easter special at Sandygate but as the saying goes, “One game at a time”.

The victory over Sheffield in the Senior Cup was followed by a thrilling 3-2 semi-final victory over another team one division higher in Stocksbridge Park Steels, the winner coming in added time. The final will be against two divisions higher

Workshop Town at Rotherham United’s New York Stadium.

“It’s another fantastic opportunity to play in, and no disrespect to anyone, a proper stadium,” says Ian. “We have a lot of lads who have come through professional academies or have played professionally higher up but it’s still fantastic. A fantastic day for family, friends and hopefully we can apply ourselves on the pitch but we know it’s going to be a difficult game.”

Workshop Town are set to finish runners up in the Northern Premier League Premier Division and have a shot in the play-offs themselves to win promotion to the Conference North. These games will be played shortly before the Senior Cup Final.

One thing that Ian will try to look at for next season, though, no matter what division they are playing in will be the kit. After each game as part of his kitman duties he visits the launderette. “We have to change the white socks,” he says. “I keep telling the Chairman not to have white socks again. They are an absolute sod to clean – some of the pitches we play on shall we say are not the best so I’m not sure who’s idea it was to have white socks!”

Blades Still Second, but Oxford Bags a Win!

What a difference a week makes – at least we're still second, as both of the Yorkshire clubs in the race "fell apart" somewhat!

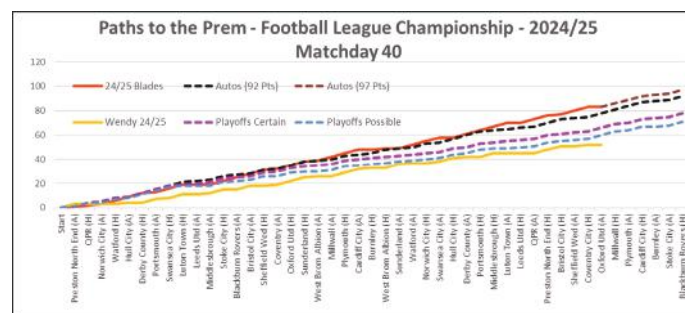

Our performance was flat, and the whole game was a really low quality affair. We had only 1 shot that had a shot xg above 0.1, and both teams barely scraped a full match xg above 1. The game was decided by Campbell ball-watching and allowing his man to run and have a virtual tap-in, as a long throw was flicked on. The only player with any real credit was the Oxford keeper, Jamie Cumming, who did make a couple of decent stops – I pointed out last week that Cumming is 4th, one place above Cooper, in the Championship Goalkeeper stats.

Anyway, that's more than enough about a very forgettable game – what do the overall graphs and charts look like.

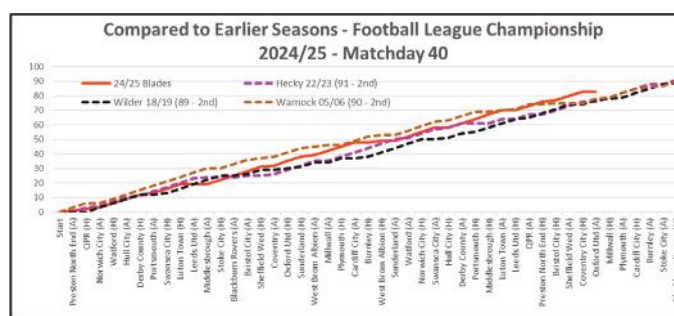

Graph 1 compares our progress against 3 benchmark sets of results which represent Automatic Promotion, Playoff Certainty and Playoff Possibility. My benchmarks take account of who our opponents are each week. On 83 points, comparing to my benchmarks, we are now 5 points ahead of my Autos Promotion (92-point) schedule – and that is with our 2 point deduction.

However, I now think that, unbelievably, we could need 97 for second place this year. I've added the new 97 target to Graph 1, which I will update if future results change my target. (Wendy's yellow trickle on Graph 1 has only crept up 1 point in the last 3 games as well!)

My current end of season forecast is Leeds 98, Blades 97, Burnley 96! - and that includes a draw at Turf Moor! Very squeaky bum time on April 21st!

Graph 2 compares this season against our last 3 successful promotions from this level (all in second place), in 2005/06, 2018/19 and 2022/23. On 83 points after 40 games (with the 2-point deduction) we are 6 points ahead of the 77 points that we had under Wilder in 18/19, 7 points ahead of Hecky in 22/23 and 5 points ahead of Warnock in 05/06. (Unfortunately, the second place totals in those seasons were very much lower than this season's will be!)

Let's hope that the 2 -point deduction isn't coming back to bite us!

Next, the coloured annotated up-to-date League Table which, unfortunately highlights those 2 unacceptable red blocks at the bottom of the table.

No Panic, we won 4 in a row after that Hull game!!

Who would have thought that, with the toughest game this weekend, Burnley would end up being the big winners?!

Football!!!

Just another normal week

A week's a long time in football, but in the case of Sheffield Wednesday Football Club, it's often more than some clubs have to deal with in an entire season.

These past seven days really has had it all and put every single Wednesdayite through the ringer so to speak.

To start with we've had unpaid staff & players, threats of a transfer window embargo, strong rumours that the manager has had enough and is walking away very soon, the Chairman then publicly saying that "Reading did well under similar circumstances, so why can't we", the various Wednesday fans groups getting together and being 'as one' as it were and encouraging the Chairman to sell up and go – and this is just in the past week!

Aside to all of this, on the pitch we've had a gut-wrenching injury time defeat against Hull City (that all but ended any play-off hopes that we still had left) and then we managed to throw away a two-goal lead away at Blackburn on Tuesday evening that was equally disappointing but seemingly accepted by the many travelling fans who were present.

The wages have now been settled, but how long is it before the next crisis appears on the horizon?

A disconsolate Danny Rohl in his after-

match interview, just about summed up every fan's thoughts and feelings after the Hull game and then a few days later Southampton sack their manager, and we all know what's about to happen.

I'm also told (by a reliable source might I add) that DR has even put his house up for sale and is preparing to move as we speak.

The numerous Wednesday fans groups (and there are 14 I'm told) have also got together as one in a concerted effort to try and 'encourage' the Chairman to sell up and get out of town.

The yellow leaflets were once again out in force last night at Blackburn and there was a considerable amount of anti-Chansiri chanting to go with it.

The fans have clearly had enough, and the groundswell of support for the Chairman to leave will be even greater this weekend with a home game versus Oxford to have to endure.

Yes, I want Wednesday to win as I always do, but we saw how dejected the home fans at Blackburn were on Tuesday until they scored.

If Mr Chansiri wants this kind of atmosphere at Hillsborough, then he's on the right track, but we all know we are just one more bad decision away from disaster – watch this space!

Who said the road to the play-offs was easy?

BELPER TOWN 3-0 STOCKSBRIDGE PARK STEELS **WORDS:** Adam Allcroft

The road to the play-offs is never a simple one. This Saturday was a perfect opportunity for Stocksbridge Park Steels. They had just moved into the play-offs and were facing Belper Town, the team they had replaced in the top five. The Nailers had been a spin over the last couple of months, dropping from title contenders to fighting to stay in the top five. A Stocksbridge win would further cement them in the top five and potentially finish off Belper's season.

But football is not a simple game with obvious winners. And so Stocksbridge found out. They came out like the team on shaky ground, their defence looking lost and confused. And Belper were happy to take advantage, a quick ball into the box finding its way to Jaanai Gordon. The former West Ham United striker went one-on-one with the goalkeeper and he was able to finish it off.

After the early shock, Stocksbridge recovered and were able to settle into the game. You could even argue they were the better team, especially when they were able to

earn some set pieces. A Kurtis Turner corner flew into the six-yard area and Luke Rawson got onto the end of it, but that ended up being dragged wide. Paul Ig-gulden also connected with a later corner by Turner, but he got underneath it and sent it over.

If Stocksbridge had been one down before the break, the Steels would have been very confident of a comeback. But Belper scored at the perfect time. It was more quick play orchestrated by Kevin Bastos and he whipped in the ball for Andrew Buah. His shot was hit with real venom and power, leaving

Townsend with no chance.

The second half could have seen momentum tilt Stocksbridge's way but big chances were missed. A brilliant Jack Tinker cross was headed just over by Tom Charlesworth, which was quickly followed by the left-back turning into the shooter when the ball was played to him, only for Tinker to smash the ball over.

The dagger went through the heart of Stocksbridge midway through the first half. The Steels were committing men forward and they were caught, with Bastos having free reign in the opposition half. He duly finished the game off and made it 3-0. It could have been worse as well but Bastos' cockiness, often a strength as much as it a weakness for the talented forward, cost him as he rounded the goalkeeper before firing wide.

The loss means Stocksbridge are knocked out of the play-offs with Belper returning to the top five. There's still four games for the Steels to get back there, but two potential play-off opponents in Dunston and Emley have to be conquered first.

Premier play-off confirmed Still all to play for in Division One

WORDS: Matt Jones

The remaining two Premier Division play-off places were decided whilst the race for the Division One title has been extended until at least midweek after Saturday's NCEL action.

Beverley Town and Thackley were both victorious on the final week-end of the Premier Division season to take fourth and fifth spot, respectively, with Albion Sports dropping out of the play-off zone following a defeat.

Luke Suluburic struck in stoppage time as Beverley sneaked past hosts Tadcaster Albion with a 1-0 victory and they will travel to Golcar United on Saturday in the Semi-Finals of the promotion play-offs.

Thackley, meanwhile, will go to **Hallam** after their 3-0 home win over Barton Town, courtesy of goals from Slater Barnes, Antony Brown and Luke Rhodes, secured them a chance to move up to Step 4 of the FA's National League System.

They take it at the expense of Albion who miss out by two points following their 3-1 loss at **Handsworth**, Dominic Staunton netting for the Lions whilst Mitchell Dunne struck twice and Harry Jessop netted a crucial third for the hosts who will end the campaign in seventh spot.

Champions Silsden AFC ended their fantastic season with a remarkable 6-4 win at **Rossington Main** that means they finish nine points clear at the summit.

The game was unusual in that all ten goals were scored by ten different players with Dylan Mantle, Oliver Nowak, Ross Hannah and Brandon Miller the scorers for Main whilst Harry Coates, Toby Jeffrey, Jake Maltby, Mohamed Conteh, Robbie Fox and Luke Brooksbank found the net for the Cobbydalers.

But, Eyles pounced late on to add to a brace from Iwan Heely to earn the Vikings a point but they end the season in bottom spot as they were overtaken on goal difference by Winterton Rangers who grabbed a vital victory – winning 2-1 against Knaresborough Town.

Elsewhere, third-placed Golcar were beaten 2-1 at **Parkgate**, Brad Gregory with both of the Steelmen's goals sandwiching a Jerome Bedeau strike for the visitors.

Kieran Ryan scored twice for **Penistone Church** as they end the season with a 7-2 home win over

Handsworth ended Albion Sports (white) chances of a play-off spot with a 3-1 victory. *Photo: Ken Allsebrook*

Second-placed **Hallam** were pegged back for a 3-3 draw by an injury time equaliser from James Eyles for visitors Goole AFC after a Calum Ward double and a Rio Allan strike, all in the opening seventeen minutes, had seemingly given them the win.

Frickley Athletic to ensure eighth spot, Wayne Hughes, Tom Brennan, Mackenzie Stocks, Ryan Johnson and Samuel Scrivens with their other goals whilst Thomas Alngohuro claimed a double for Frickley.

All of the three sides in the Divi-

sion One title chase won to keep the trophy hunt still on a knife edge.

Horbury Town maintain their four point gap at the summit as Joe Jagger and Abdou Bojang scored in a 2-0 home victory against Louth Town whilst there were away wins for Wakefield AFC and **Wombwell Town**.

Anthony Dwyer's penalty gave Wakefield an early lead at **Athersley Recreation** that was extended midway through the second half by Jaydan Sandhu to beat their hosts 2-0.

And, there was a brace for Joshua Nodder along with one each for Jordan Kershaw, Owen Fieldsend and Jack Dando as **Wombwell** won 5-0 at **Armthorpe Welfare**.

Ilkley Town took the last remaining promotion play-off spot with a 4-1 home win over bottom side Yorkshire Amateur, a result that ended the hopes of the only other side in play-off contention, **Worsbrough Bridge Athletic**, were beaten 4-1 at Appleby Frodingham.

In the race to avoid relegation, **Dronfield Town** were confirmed a bottom three spot as Harley Adam's 90th minute winner saw visitors Selby Town grab a 3-2 victory.

That leaves Chris Millington's side four points behind Nostell Miners Welfare, who secured their NCEL status by winning 1-0 at Glasshoughton Welfare through a late Gracjan Klimczak strike, with one game left to play.

Elsewhere, there were hat-tricks for Joshua Batty and Dayle Hutson as Brigg Town jump up into sixth with an 8-0 home victory over **Swallownest** and Louis Seddons was the matchwinner for Club Thorne Colliery as they defeated visitors South Leeds 1-0.

Dearne & District, who had already secured themselves a play-off spot, were 2-1 home victors over Shelley whilst Alex Washington and Ashley Flynn were the scorers for **Maltby Main** as they beat hosts Harrogate Railway Athletic 2-0.

Beverley Town will face Knaresborough Town in the Final of the JCP Construction NCEL League Cup in memory of James Hitchcock after a thrilling 3-2 semi-final win over NCEL Premier Division champions Silsden on Tuesday evening. The final will take place on Tuesday 6th May at Scunthorpe United FC.

There were four games in Division One and all four saw away wins recorded. **Maltby Main** ended Wakefield AFC's chances of lifting the title with a 2-1 win. Two goals from Ashley Flynn gave the visitors a 2-0 lead before the hosts made it a nervous last few minutes as Chris Salt pulled one back in the 90th minute. Wakefield must now be content with a play off spot as they remain 4 points behind leaders Horbury Town with just one game remaining.

It's now a two horse race for the

championship going into the final weekend of the season as **Wombwell Town** kept up their challenge with a 2-0 win at Harrogate Railway Athletic, Jock Curran & Jack Dando with the goals, both in the first half. Wombwell are just one point behind the leaders and will be hoping that **Maltby Main** can dent Horbury's title hopes on Saturday, just as they did to Wakefield in midweek.

Club Thorne Colliery were 2-0 winners at **Athersley Recreation** with second half strikes from Louis Seddons and Harry Brown. The other game of the evening saw Louth Town win 3-2 at Glasshoughton Welfare.

The final game of the regular NCEL Premier Division season took place on Wednesday evening as **Handsworth** saw off Knaresborough Town 4-1 in a rearranged game following the recent abandonment between the two. Brandon Bagley, Scott Ruthven, Mitch Dunne and Jon Froggatt scored for the home side who finish the season in seventh place, just 6 points off a play-off spot.

KING LUIS Legion through to play Earl in final

WORDS: Keith Firminger

Luis Afonso-Ferreira scored two and made two as Chapeltown RBL beat Division One Southey Social 5-2 in the League Cup semi-finals.

Luis (pictured below) had already shown his pace a couple of times before he left a defender for dead before beating the keeper. Southey hit back almost immediately with Ryan Whitney beating a defender before beating the keeper from 15 yards. Southey had the upper hand

for the next 15 minutes, but Chapeltown hit them with a quick break, finished by Owen Cooke to put his side back in front and two minutes later Luis again outpaced the defence to net his second. Southey reacted and it needed two good saves by Legion keeper Joe Smedley to keep the score 3-1 at the break.

The second half saw Southey get back into it when Carlton Carty was brought down in the area and Jamie Hopkins stepped up to send the keeper the wrong way. Legion tightened up after that and Luis provided a great cross for Josh Nodder to sweep home. Legion

were on top now and although Southey keeper Harrison Lee was doing his best to keep his side in the game, the fifth and final goal came from a corner, headed home by Matt Jacobs.

They will face holders **Royal Earl** in the final after they saw off fellow CBC Premier title challengers **Stannington Village** 3-0. Earl took the lead in the first minute when Theo Wilson got on the end of a Johnno Williams free kick. Luca DeFalco almost levelled when his effort was cleared off the line and Declan Pinhorn had a header saved by the Earl keeper.

Instead it was Earl that took a stranglehold on the game when Leon Howarth (pictured) set Matt

Morton up to net their second after just 14 minutes and it stayed like that until half-time. Straight after the break Dave Shepherd put DeFalco through one on one with the

keeper, but he put the ball wide. Earl kept the upper hand after that and Howarth sealed the win when he lobbed the keeper with ten minutes left.

DOOMED

Eckington MW look doomed to relegation after their 4-4 home draw with **Boynton Sports** in the CBC Premier Division.

Eckington took an early lead when Owen Ryan took advantage of a sloppy back pass, but Boynton soon levelled when Fin Allen finished a ball over the top and he soon had them in front when he headed his second. Eckington levelled before the break when a ball into the box fell for Joel Cousins to fire home.

After the break Eckington took the lead a second time when Pat Stothard netted after a scramble in the box, but they gift wrapped an equaliser for Boynton when a defender headed into his own goal. It was the Boynton's turn to go back in front with a Richie Atkins goal, but Eckington were awarded a penalty and although the initial kick was saved, Aiden Horspool followed up to net the rebound. That point wasn't really enough though and Eckington must win their last three games to have any chance of staying up.

ON THE BRINK

In Division One, **Cotts FC** were left on the brink of the drop after being held to a 2-2 draw at **Mos-**

borough Reds. Andrew Swift's deflected shot gave Cotts the lead and they missed several chances to extend it. They paid for those misses when Oliver Tupling's corner was headed home by Scott Williams to draw Reds level.

Michael Blythen looked to have won it for Cotts with a goal five minutes from time, but Reds took a point with a last minute Tupling penalty. Cotts now need to win all their last 3 games to have any chance of avoiding the drop.

Reds now fight it out with **Brunsmeer** and **Wisewood** to avoid the final relegation place after they also drew 2-2 with each other. Brad

Leather and Alex McIlvanny netted for Brunsmeer, but they were cancelled out by goals from George Scott and Sam Civil for Wisewood.

LOCA'S TITLE

Logan Liggins scored six as leaders **Loca FC** were confirmed as Division Two Champions with an 11-2 victory at **Norton Oaks**. Callum Spencer grabbed two along with singles for Mitch Carlton, Oli Grady and Will Eades. Oaks replies came from an own goal and Tom Blacksell.

Hackenthorpe went into the third automatic promotion place with an 8-1 victory at **Wadsley FC**. Kai

Prescott opened the scoring for Hackenthorpe with a sharp finish and Travis Vintin made it two with a thunderous 25 yard strike before an unlucky own goal made it three at half-time. Callum Foster added two more after the break before Ellis Moore made it six.

Papa Sarr completed the scoring for Hackenthorpe with two well taken goals, with James Hague netting Wadsley's consolation.

Hackenthorpe still have work to do to gain promotion though as just 3 points separate the four clubs battling for the two remaining promotion places.

Blades Super Draw League Cup Semi-Finals. Above Chapeltown RBL beat Southey Social 5-2. Below Royal Earl ran out 3-0 winners against Stannington Village. Both games were played at Warminster Road.

Birley through on penalties

WORDS: Darren Roe

The first League Cup Semi-Final saw Birley FC and Hillsborough Pumas go head to head at the Caribbean ground. Both teams were nervous to concede the first goal and in the end both defences came out on top as both teams had chances but none was taken and the game finished 0-0.

Penalties were required to find the winner that would progress to the final at Parkgate which turned out to be Birley who came out 4-3 winners on penalties.

Referee Jim McGuinness message the League after the game and said: "What a great game today. 0 - 0 and then penalties. 4 - 3 to Birley. Everyone had a good time. All handshakes at the end of the game and no issues whatsoever. Great advert for the league and both teams. Thank you."

They will find out who they are playing in the final after this Sunday when **Stannington** take on **The Moose and Gibett** also at the Caribbean ground with an 11.00 am kick off.

In the Premier Division this weekend we only saw an handful of games.

Ecclesfield Red Rose won 4-1 against **Sheffield Phoenix** with an hat trick from Braeden Cawthorne and Jack Digby grabbing the other while Tawanda Chikwanha grabbed the Phoenix consolation goal.

Norton visited **Stannington Rangers** and thumped them 9-2 with a stunning performance to keep them in the hunt for a very interesting last game of the season which they face **Ecclesfield Red Rose** which is second versus third and both teams could still pinch the title from **Hillsborough Pumas** in a three horse race for the title.

Norton give their goal difference a

huge boost thanks to goals from Peter Burgin, Daniel Sweet and substitutes Taff Tmumbanya and Charlie Birch (with a very interesting and unique celebration style) while Brad Horsefield grabbed a brace. But the star of the show was Ethan Wade with a hat trick. Stannington hit back through Harry Hartley and Connor Melia.

In the championship two midweek games took place.

Charnock ridgeway was handed a 3-0 walkover against **Wolves United** who couldn't field a team.

Norfolk Park defeated **Sheffield Alumni** 3-1 thanks to goals from Akorede Ademola, Deckland Ingber and Faruq Quadri.

In the weekend games, **Abbey FC** came out narrow 5-3 winners over **AFC Sheffield** while **Norfolk Park** thumped **Sheffield Albion** 4-0 thanks to goals from Adam Hill, Michael Mcchesney and a brace from Christopher Hudson.

In the leagues other game **#Bornballers** snatched a narrow 4-3 victory over **Wolves United**.

Ecclesall Rangers stay clear

WORDS: Martin Gilmour

Ecclesall Rangers maintained their 2 point lead at the top of the Premier Division with a 3-1 win away at Penistone Church. Robert Hall got Penistone's goal in the 2nd half.

In the clash between 2nd and 3rd, two second half goals from Callum Blencoe and Tyler Ross were enough to give **Sheffield FC** a 2-0 win over **Staveley Miners Welfare**, who perhaps had one eye on this coming Sunday's League Cup Semi Final against Worksop Town Yellow.

Goals from Matthew Walker and Josh Johnson gave **Dodworth MW Black** a share of the points in a 2-2 draw with **Handsworth FC Amber**, who themselves will be looking forward to Sunday's Semi Final against League leaders Ecclesall Rangers.

An own goal and one from Kack

Gibbons gave **Killamarsh Navy** a 2-0 win at **Handsworth FC**.

Worksop Town have unfortunately had to withdraw from the League and points will be awarded in their remaining fixtures.

Dinnington Town have also had to withdraw from the League and as per League Rules with them not fulfilling 75% of their fixtures at the time of withdrawal, their results are expunged from the records.

Just 5 points separate the top 4 teams in Division One.

Stocksbridge Park Yellows are currently top, a point clear of Sheffield Rangers who with 2 goals

from Jake Widdowson and one each for Jack Wade and Daniel Spence picked up a vital 4-2 win at 4th placed **Brunsmear Athletic**.

AFC Pogmoor with goals from Charles Gledhill-Carr and Bladen Heritage played out an entertaining 2-2 draw with **Dinnington Town Black** who replied with a brace from Robbie Gregory.

Penistone Church White with goals from Taylor Haddington, Aaron Joys and Noah Hartley came away from **Ecclesfield Spartans** with a 3-2 win despite a spirited 2nd half comeback from the home side, with goals from Finlay Clark and Jacob Mosley.

Worksop Town Yellow warmed up for this weekend's Cup Semi Final with a 3-2 win over **Kiveton Park** and **Ecclesfield Red Rose** 1915 Black were 2-1 home winners over **Woodhouse Juniors**, who's goal came from Hadi Aydi.

Women's Football

Sheffield FC on brink of title

WORDS: Julian Barker

Sheffield FC have the chance to secure the East Midlands Women's Regional League Premier Division title when they host Chesterfield Ladies this Sunday.

With both teams having three games to play, Sheffield go into the game five points clear of their only rivals for the title.

Sheffield put themselves on the brink of an immediate return to the FA Women's National League thanks to a 3-2 win at SJR Worksop. It looked all over inside the first quarter with Jacey Haynes, Nicole Cooper and a penalty by Stacey Buxton giving Sheffield a three goal advantage. Alice Hill reduced the areas before the interval and when Worksop netted a late second, by Lauren Cundy, it made for a nervy time for Sheffield whose keeper Leah Kellogg made a fine save in the closing minutes to ensure maximum points.

The North East Women's Regional League Southern Division title race is finely poised with just four points separating the top four teams. Handsworth remain two points behind leaders Ossett United after they lost 2-0 at Brunsmeer Athletic who climbed to third, level on points with their Sheffield neighbours. Brunsmeer made a strong start with both goals, by Millie Kenyon and Molly Waite, coming inside the opening 15 minutes.

Sheffield Wednesday recorded their highest score of the season when they beat Kiveton Park 8-3 at the

Jubilee Ground. Wednesday's goals came from Michaela Barrett 2, Mika Russell 2, Amy Broomhead, Abbie Hastie, Harriet Lloyd and Chloe Rose. Tiff Clarke 2 and Sara Tyler were on target for Kiveton for whom this is their first season at a higher level. Bottom team Sheffield United Community Foundation lost 4-1 at Lower Hopton.

meer Athletic who climbed to third, level on points with their Sheffield neighbours. Brunsmeer made a strong start with both goals, by Millie Kenyon and Molly Waite, coming inside the opening 15 minutes.

Tiff Clarke 2 and Sara Tyler were on target for Kiveton for whom this is their first season at a higher level. Bottom team Sheffield United Community Foundation lost 4-1 at Lower Hopton. This season's Sheffield & Hallamshire County FA Women's Senior Cup Final is set to be played at Rotherham United's AESSEAL New York Stadium on Wednesday 7th May.

It will be the second time the final has been held there and it will need to go some to surpass the drama of the 2019 showpiece which saw Barnsley Women overcome Huddersfield Town via a penalty shoot out after a 3-3 draw.

One of the pair is guaranteed a place in this season's final following the outcome of the first pair of quarter-final ties which were completed last Sunday.

Huddersfield prevailed after a penalty shoot out in their last eight tie away to Doncaster Rovers Belles

whom they had beaten in both the 2023 and 2024 finals. After a goalless first half Cara Fields gave Town the lead. Belles levelled through Ruby Barnes with just over ten minutes remaining following a scramble.

Barnsley won 5-1 in their tie away to Huddersfield Town Development. Jodie Snelson netted twice in either half with Jemima Jarvis the other scorer for Barnsley who were 2-1 up at the interval.

In the other quarter-finals, Sheffield United Under-21s host Barnsley FC (last evening, Wednesday, after we went to publication) while on Sunday, the tie between Rossington Main and YP Women ensures a rare semi-final appearance by a County League (tier 7) team.

The only game played in the Sheffield & Hallam Women and Girls League Division One saw Rotherham United Under-21s conclude their season with a 4-0 home victory over Penistone Church thanks to goals from Rayanne Haywood 2, Jess Jones and Maddie Wilson.

Third place Rossington Main, four points off of top spot, were left without a game for the second Sunday running when scheduled opponents Middlewood Rovers pulled out of the fixture. Rossington are likely to be awarded the points (but still to be confirmed at the time of writing). Rossington had played just three times on the previous seven Sundays with four games awarded in their favour.

In contrast they currently have six April games scheduled from Sunday 13th onwards including the two crucial title influencing games against current leaders Millmoor Juniors Development, the League Cup final against YP Women as

With a two year hiatus because of Covid, Barnsley Women and Huddersfield Town contested five successive County Cup finals in the period 2016-2022. Barnsley won in 2016 and 2019 for their only triumphs in the competition. Most of the players are now elsewhere. Still at Barnsley is Rebecca Ward who is front row standing second player in from left, medal round neck

well as a County Cup quarter-final against YP Women this Sunday.

Carly Rowlands bagged four of Staveley Miners Welfare's goals in their 6-4 win at Maltby Main in Division Two. Carly Rowlands netted the other two. Mollyann Jennings bagged a hat trick for Maltby with Paige Pickering also on the mark. Maltby had been beaten 2-0 at home by Socrates, for whom Sheridan Betts scored both, on the Thursday beforehand.

That win gave Socrates three precious points in their bid to avoid relegation. The teams were due to meet in the return this midweek, while Socrates had to call off their visit to Sheffield Wednesday Reserves in between.

Roxanne Reid, Lucy Ridley and Dawn Underwood were the scorers for Oughtibridge Reserves in their 3-0 home win over Barnsley Ladies Development.

Edenthorpe Juniors were 7-1

winners at Mind Over Matter in Division Three where Brodsworth Welfare won 5-2 at bottom place Marlborough.

Wickersley Youth were crowned Division Four champions when second place Scawthorpe Scorpions lost 3-1 at home to Kiveton Park Reserves whose win moved them one point behind the hosts in their bid to clinch runners up spot. Alyssa Brearley was Scawthorpe's scorer with Mikayla Harper 2 and Ruby Callan on target for Kiveton.

Frickley Athletic had scored just six goals from six home games beforehand, so their 9-4 home win over Worksop Town was certainly far from predictable. Holly Morgan 3, Shelley Donohoe 2, Keeley Harvey, Leigh Harvey, Jadyn Mihal and Nicole Walters scored for Frickley. Heather Whitehead's hat trick confirmed her as Worksop's top scorer for the season. Chloe Whitley was their other scorer as they completed their fixtures.
