ABOUT OUR SISTERHOOD

Introducing Our Sisterhood

Which is the networking arm of Women As Treasure. Whose motto is: Once strengthened I will stretch forth my hand to help my sister.

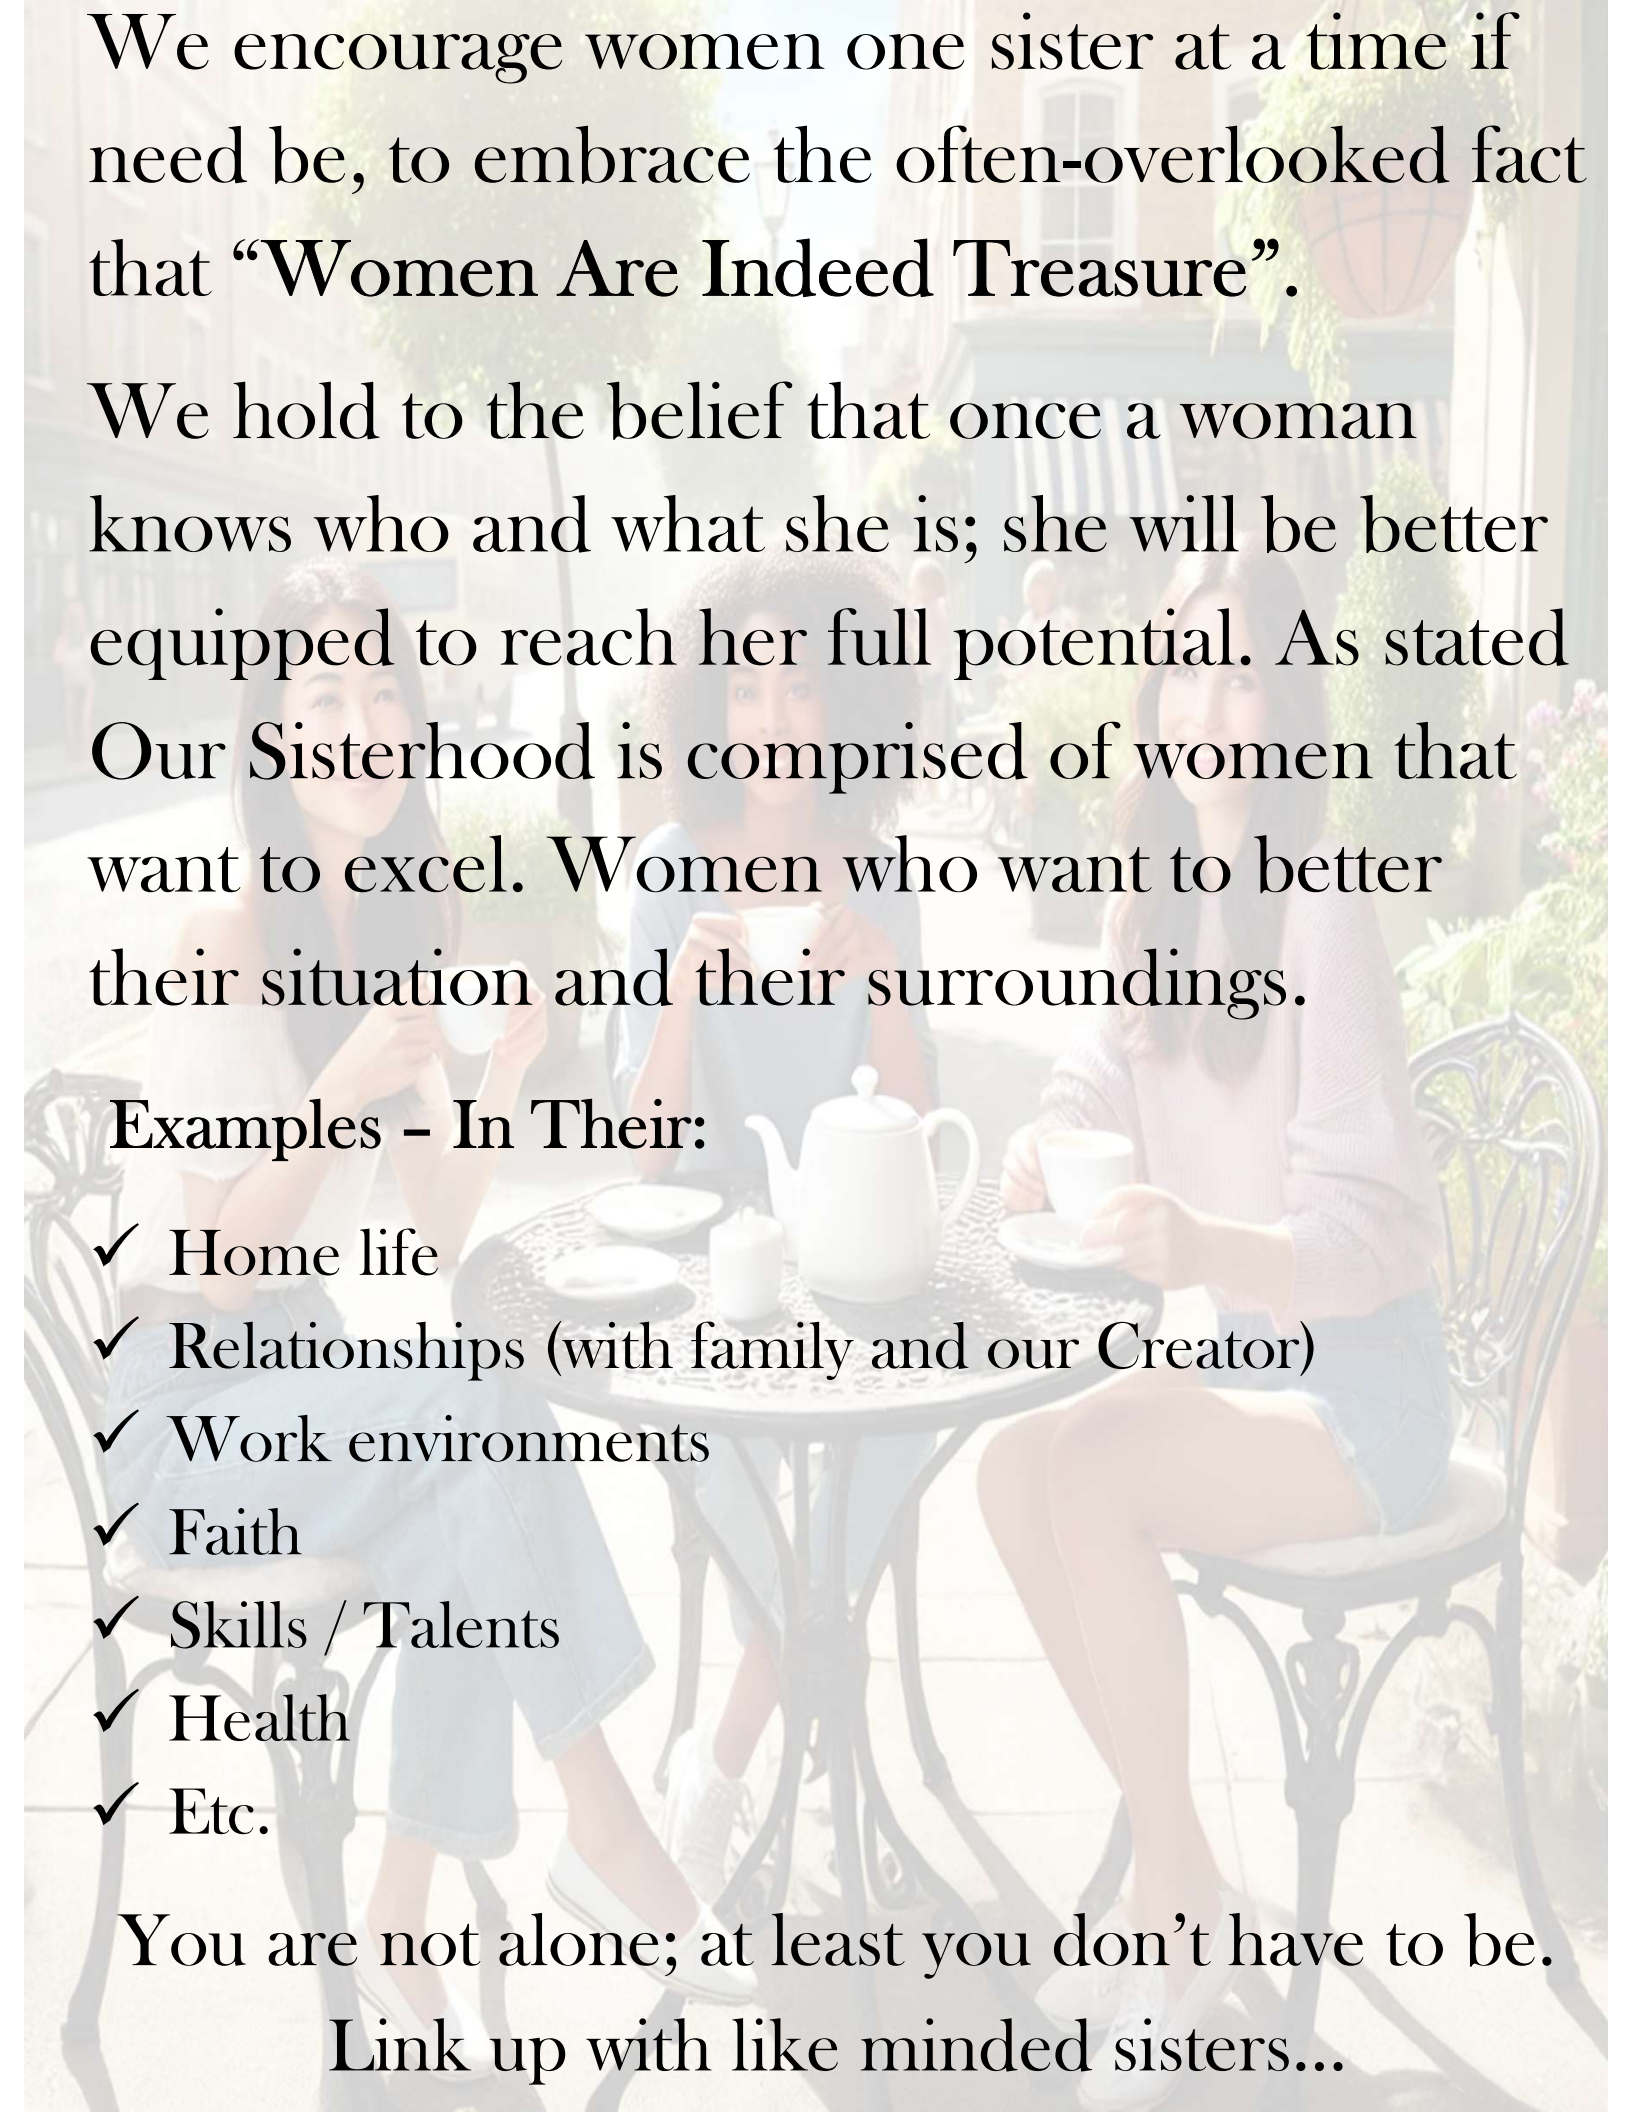

We are facilitating a community of *sisters* (a sisterhood if you will) geared towards encouraging women excel in all areas of their lives.

An environment where women can assemble and feel comfortable sharing, having fun, helping and receiving help. All for the purpose of increasing their value as unique treasures.

Could Our Sisterhood Be For You?

- ✓ Are you fed up with not being in control of your life?
- ✓ Have you climbed a corporate ladder only to reach the top and not like the view?
- ✓ Are you following when you'd rather be leading?
- ✓ Are you inside at a desk when you'd rather be outside?
- ✓ Are you teaching and you'd rather be learning?
- ✓ Would you like to make a difference in your life or the lives of others?

While we don't know everything, we're building a community where helping and being helped go hand in hand.

A background image showing three women sitting at a round table outdoors, possibly on a patio. They are holding white teacups and saucers. The table has a white teapot and a small candle. The setting is bright and sunny, with greenery and a building in the background.

We encourage women one sister at a time if need be, to embrace the often-overlooked fact that **“Women Are Indeed Treasure”**.

We hold to the belief that once a woman knows who and what she is; she will be better equipped to reach her full potential. As stated Our Sisterhood is comprised of women that want to excel. Women who want to better their situation and their surroundings.

Examples – In Their:

You are not alone; at least you don't have to be.

TITUS 2:1-5

“But as for you, speak the things which are proper for sound doctrine: that the older men be sober, reverent, temperate, sound in faith, in love, in patience; the older women likewise, that they be reverent in behavior, not slanderers, not given to much wine, teachers of good things – that they admonish the young women to love their husbands, to love their children, to be discreet, chaste, homemakers, good, obedient to their own husbands, that the word of God may not be blasphemed.”

We want You to be
The Best You Ever!

With the more seasoned women helping
others discover their God given potential.

OUR CORE VALUES!

1. Forgiveness
2. Courage
3. Integrity
4. Self-Realization
5. Hope

Our Vision

To encourage women to excel in all areas of their lives. To explore the vast treasures they house within themselves, then celebrate and share those treasures.

Our Mission

We are promoting the fact that women are true treasures, unique treasures created by God. When we strengthen and unite women, they are in a better position to help one another. We meet physically and virtually to share, learn, and help one another.

Our Desire

Is to build and strengthen a core group of women who will plan and develop foundational trainings, teachings, and studies that will assist women in discovering and developing their God given potential

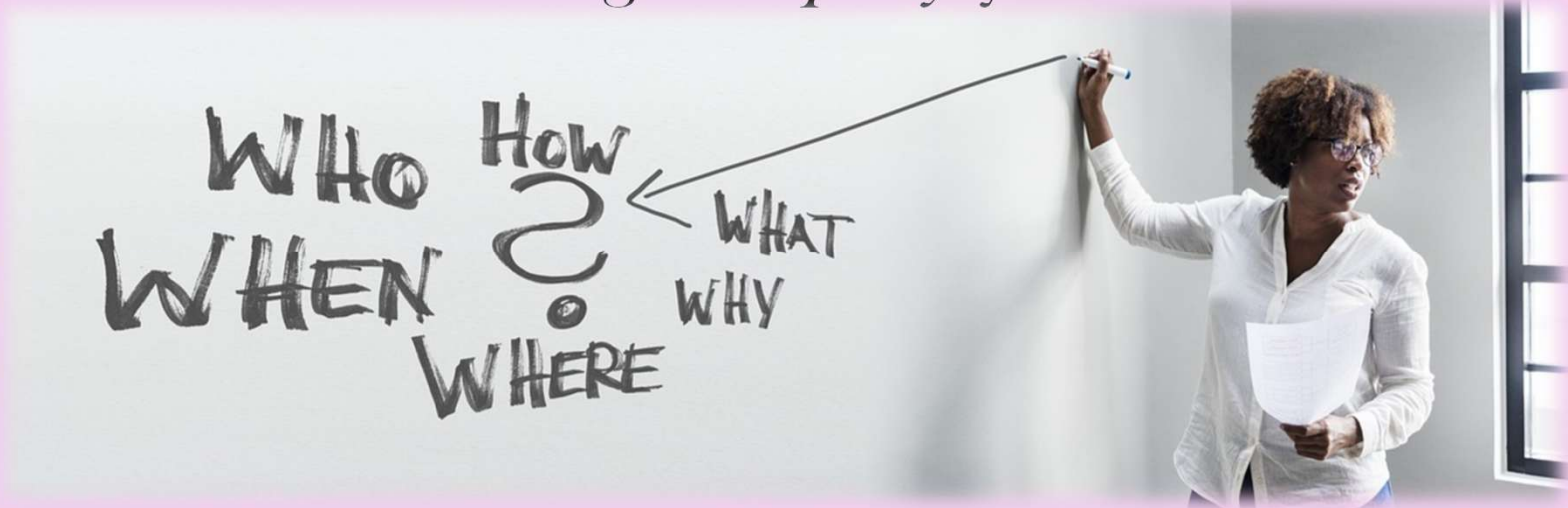

Our Strategy

We are promoting the fact that women are true treasures, unique treasures created by God. When we strengthen and unite women, they are in a better position to help one another. We meet physically and virtually to share, learn, and help one another.

THE FOCUS

Being *Uniquely* you.

You are not called to be all things to all people. Embrace your strengths and stay centered on your true gifting. Your impact is greatest when you lead from your strengths. Know your value and stay grounded in your purpose. Don't internalize criticism or spread yourself too thin, avoid mental multitasking.

When you walk in your purpose, clarity comes, and your focus will sharpen. Your influence will expand, and your insight will naturally grow.

Be the Best You, The 'You' God Created
You To Be!

OUR SISTERHOOD

Attitudes are contagious....

Is yours worth catching?

If you answered yes to that question, we would love for you to consider linking up with our sisterhood.

There is no plateau to reach, no top rung to inspire to. We will continually strive to grow – lifting ourselves and our sisters with every step.

SEE YOU ALL
NEXT MONTH!
