WATERFRONT

Eijffinger[®]
Decorating
the world

ABOUT THE BRAND

With outspoken and colourful designs for wallpaper and fabrics, we would like to make your world more beautiful. At Eijffinger this has been its goal for over 145 years. In all these years, curiosity, creativity and desire for innovation have remained unchanged. Eijffinger is always interested in the latest decorating trends, the latest colour, designs and material innovations.

ABOUT WALLPOWER FAVOURITES

Waterfront is a collection of reflection and serenity. Dried meadow blossoms in screen print, the delicate pattern of a lapwing's egg on a matte background. Wild cloudscapes, heads of foam curling on the surface of the water.

Wallpowers with swaying stems, watercolour waves, blending layers of colour and a bouquet of dried grasses. The wallpaper in this collection seems to have been painted by nature herself.
