ACQUARIO DUE

The art of Tiles

Handcrafted tiles for designer surfaces.

AcquarioDue Ceramiche is a prestigious brand, specialized in handcrafted ceramic tiles designed to offer timeless beauty. Their mission is to create exclusive tiles for architecture and design, made with traditional techniques and the highest quality materials. They offer customized solutions to meet the specific needs of each customer, whether it is private residences, commercial spaces or large-scale projects.

ABOUT US

Acquario Due was born from the passion and experience of Elisa, Martino, Samuele and Massimiliano. For over 40 years they have honored a unique artisan tradition, combining innovation and respect for ceramic craft.

Each tile is handcrafted with care and precision, reflecting a passion for detail and elegance. They hold themselves to a high standard of excellence at every stage.

DESIGNER PICK:

Circle Set

The spherical shape, interlocked with the central star, together convey a sense of peace. An invitation to meditation inspired by the material with its crafted contours that seem to move freely in space.
