

The background of the entire page is a grayscale photograph of a person with long hair, seen from the side, leaning over a desk. They are holding a pen and appear to be writing or drawing on a tablet or a large sheet of paper. The desk is cluttered with various items, including what looks like a laptop and some papers, but they are out of focus.

About the COMPANY

Jagat Media PLT is primarily involved in the design, photography, videography, multimedia and digital design for Above the Line, Below the Line and social media. Our Scope of services began to grow in tandem with our clientele's needs.

We have been humbled by many circumstances where clients raved that we are easy to deal with and exude confidence wherever we are. Our knowledge is a mix of experience, talent and most importantly, enthusiasm. We also believe that hard work and good work ethics is important to elevate our customer's experience with us.

Our diversified set of clients has given us varied knowledge that we use in tackling varied situations and problems. We have worked in industries ranging from F&B, fashion, technology and even politics. Some of our major clients include various Government ministries, GLCs, Education Bodies, Private Brands and hopefully, your company too.

Put your worries at bay because at JAGAT MEDIA, "If it involves visuals, we'll do it."

Meet OUR TEAM

Rita Aziz

Founder / Chief Executive Officer

In 2002, Rita Aziz started as a Graphic Designer, fresh out of university with a degree in hand. After several stints in mid-sized agencies, she realised at the age of 26 that her true calling was to start her own Design House specialising in conceptual layout design, product design and event management. She believes that a powerful design is the key to a strong market brand.

Fara Yaman

Editor / Copywriter / Translator

Fara Yaman is an experienced writer in JAGAT MEDIA PLT who loves helping people to find the right words to propel them forward. She has spent the majority of her editorial career in academia and the commercial industry, gaining experiences in areas such as book editing, academic literature, social media and brand copywriting.

As she enjoys her linguist trade looking forward to helping the next client to find their voice, she also revels in dabbling with website building, book design and publication. A BSc in Marine Biology as well as membership in the Society of Conservation Biology had further propelled her works in academia and fueled her other passion, integrating art and design in marine and wildlife conservation. Her design and other works had been published and displayed by notable conservation NGOs such as WWF-Malaysia, Reef Check Malaysia, Juara Turtle Project, SEATRU and LAMAVE Philippines.

Creative WORK PROCESS

We embrace all challenges and adversities wholeheartedly, providing the very best solution for your integrated marketing communication needs. Our collective knowledge is a testament to our strength and commitment to our clients. It is a key element in our promise to fulfil all your requirements, specifically brand management, advertising and promotions just to name a few.

We always starts our work process with

1. **CREATIVE BRIEF**

Understanding the creative brief that will sets the tone for the entire project.

2. **CONTENT RESEARCH**

Conduct graphic design and content research to build a better understanding of the audience and clientele.

3. **BRAINSTORM DESIGN IDEAS**

4. **REVIEW**

Review at the 10/50/99 stage to get the right feedback at the right time:

- 10% done — A skeleton, outline or wireframe of the direction and final design.
- 50% done — The core components are coming together.
- 99% done — The nitty-gritty design tweaks like spacing, colors, you name it.

5. **FINAL**

Present the final product / artwork

Our CLIENTS

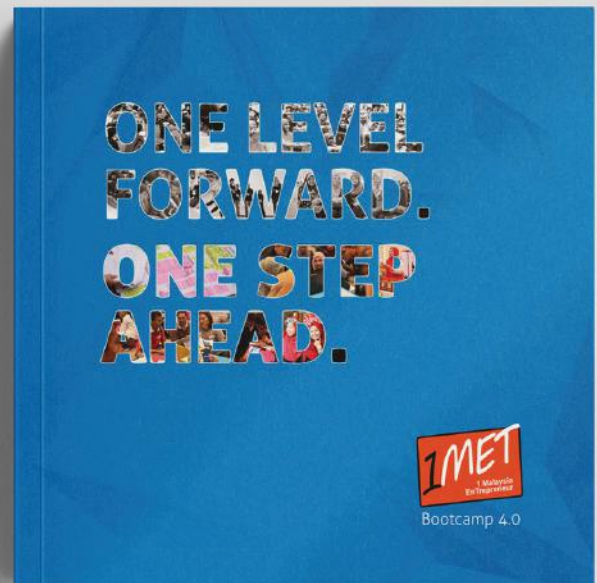

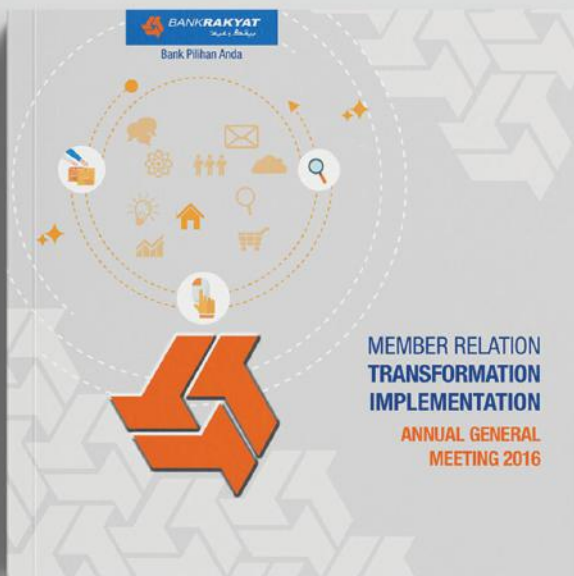

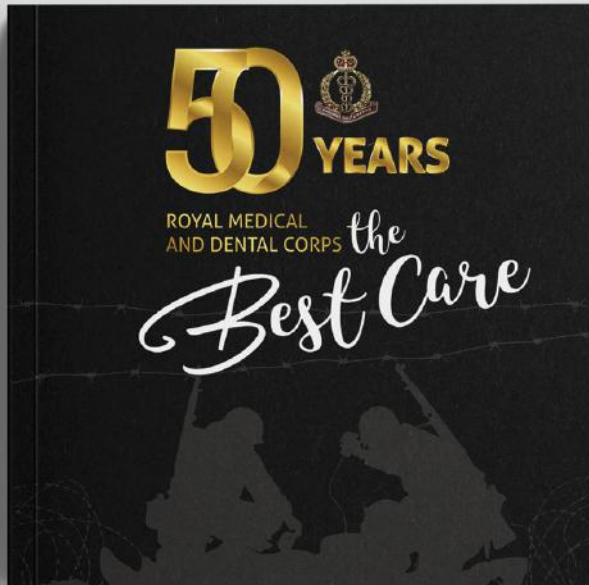

“ Design is content with intent. Content without intent is noise. Intent without content is decoration. ”
