Biturbo V8.

You can expect thunderous S model performance from the SQ8—thanks to its 4.0-liter biturbo V8 engine, capable of up to 500 HP.

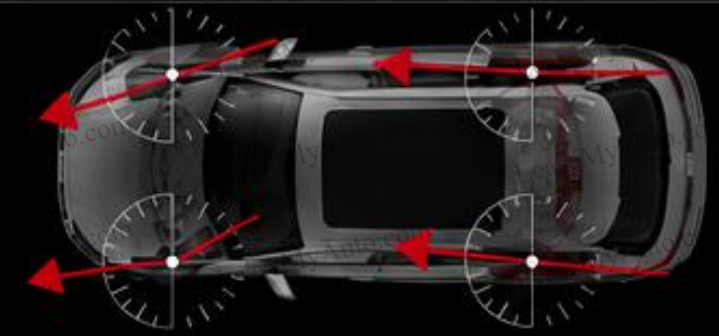

Sport adaptive air suspension.

Continuously adapting to road conditions, the sport adaptive air suspension adjusts automatically to optimize driving dynamics and comfort.

S sport package.

Available S sport package includes red brake calipers as well as sport rear differential and active roll stabilization, which helps improve handling and reduce body lean.

All-wheel steering.

All-wheel steering enhances low-speed handling by slightly turning the rear wheels in the opposite direction of the front, making parking lot maneuvers easier with an increased low-speed turning radius. It also provides stability at higher speeds as the rear wheels steer in the same direction.

Luxury package.

The available Luxury package provides impeccable craftsmanship and a premium feel to your Audi. It features extended leather treatment on the dashboard, armrests, and upper doorsills as well as a beautiful Dinamica® headliner.

Trailer hitch.

The available trailer hitch adds versatility with an impressive towing capacity of up to 7,700 pounds. Includes tow hitch receiver and 7-pin connector.
