PROMOTIONAL LANYARDS & ID ESSENTIALS

Are you looking for fresh new school essentials? Getting ID for students and staff can help with easier identification and reduce the hassle of slow queue times for access and verification. Convenient, hands-free ID displays promote transparency on-site – without cluttering up hands or risking forgotten identification as people travel from one area to the next. Choose from soft ID holders, lanyards and dome badge pullers right here. We also offer in-stock rush options and custom printed for that extra professional finish and personal touch.

Printed Polyester Lanyards

Promotional lanyards are great for freeing up hands and keeping that essential ID close to hand and on display! These custom branded polyester lanyards can be screen printed with up to 5 colours (we recommend dye sublimated lanyards for designs with more than 3) and are available in a variety of width options. With so much versatility with colour and design available, you can create something that ties in with your business, stands out or even subtly blends in with uniforms. You can customize with fittings and clips and easily create something tailored to your needs without compromising on style or professionalism.

- Available in 10mm, 15mm, 20mm or 25mm widths
- Functional and promotional for security at events
- Our most economical personalized lanyard
- Rapid production and delivery time
- Customize with fittings and clips
- Designed to fit any of our ID badge solutions

Printed Nylon Lanyards

These comfortable and useful nylon lanyards are an excellent gift or promotional product that your company's team is sure to love. Available in a wide variety of bright colours, you can have the company logo printed on the soft fabric to promote your brand with pride. Custom lanyards provide many uses, the most notable being an easy method of carrying ID for employees. They can also be used to hold other essential items, and make displaying company branding a breeze. You won't regret choosing this wonderful and affordable option to give your team with a product they will truly appreciate.

- Available in 10mm, 15mm, 20mm or 25mm widths
- High lustre almost shiny appearance
- Tighter material weave allows for more complex prints
- Highly durable and long lasting
- Rapid production and delivery time
- Customize with fittings and clips

Overnight Plain Soft ID Holders In Stock

Easy to use, even easier to wear - these Overnight Plain Soft ID Holders could be the perfect solution for displaying your ID needs. From large scale conventions to businesses of all sizes, keeping identification close to hand or on display can be essential and these plain ID holders are a great option. Kept in stock, you can have your product in hand quickly and instantly create a protective cover for ID's for visitors and staff alike.

- Portrait Pouch Size: 60mm x 90mm (recommended standard business card size insert 54mm x 85mm)
