## **Giving Gifts & Other Forms of Service**

I was sitting in the sound booth the other day while the praise team was practicing. I walked a man I didn't know who proceeded to sit in the back row and listen. It appeared he was enjoying the music and mood of worship the team was creating. As I watched him, I began to wonder...what if that was Jesus? The man's appearance wasn't anything spectacular or defining. He wasn't dressed fancy. In fact, he may have been working before arriving. Did I care that he was sitting there during practice? Did it matter what he wore? The real question was how would or should I treat him? Again, back to my original musing – what if that was Jesus. In 1 Samuel 16:7, we are reminded that God does not look on the outward appearance but on the heart. In Matthew 23,

Jesus gives eight woes to the pharisees for their wrong focus on the things of this world while neglecting the 'weightier matters' of justice, mercy and faithfulness. And, in Matthew 6:5-8, before He gives us the Lord's Prayer, He tells us to pray in secret as opposed to in public – referencing the 'hypocrites' as He calls those who pray to be seen rather than to connect with God.

At this time of year, when we celebrate Thanksgiving and Christmas, when we focus on giving and gifts, my prayer is that we will remember that our 'performance' is for the Audience of One. Let our hearts be right and our minds focus on Him. As the praise team practiced, they didn't notice the man in the back. They were focused on preparing their hearts, minds, and talents to worship the King. We, too, should focus our actions – serving in a boot shine booth, a soup kitchen, or taking food to a food bank – on the One who gave us everything. "For our sake, He made Him to be sin who knew no sin, that in Him we might become the righteousness of God." – 1 Cor. 5:21 (ESV)

# SEASONS GREETINGS

From Our National Directors  
& Board Members

It's always a gift for me to see so many old and new faces at this year's Gathering. Traveling to different events throughout the year to support local Chapters is always my favorite thing to do. So blessed and honored to serve side by side you all. Can't wait to see what the Lord has in store for us this upcoming year. Thanks for all you do, Merry Christmas and Happy New Year. God Bless.

Robert Chavira

I want to wish you and your family a happy Thanksgiving, a Very Merry CHRISTmas and a happy and prosperous New Year. I pray that your time with family and friends would be wonderful and fruitful. Thank you for your sacrifice and your service to the Kingdon through Black Sheep. I am grateful for your service and your commitment to bring people in the motorcycle community, to the saving knowledge of Jesus Christ.

Greyson Adams

Thank you all for serving in the ministry of Black Sheep HDFC. The hard work that you all do for the kingdom is vital and doesn't go unnoticed. I pray that all Black Sheep, friends of Black Sheep and their families have a great Christmas Season remembering the greatest gift that has been given, our Lord and Savior Jesus Christ. May our Heavenly Father bless you this upcoming year as we serve Him by sharing the gospel with the motorcycling community. Jeremiah 33:3 Bob Foss, National Director of the East.

Bob Foss

We want to wish you all a very merry Christmas and send our prayers for a prosperous New Year! We are grateful for your support of this ministry through prayer and service. Just to highlight a few things this year has brought – an amazing 25 th Anniversary celebration at The Gathering, where many chapter Chaplains participated in praying for others, a new website prayer request link, and a new App that has a Prayer Request message board and Chaplain’s Corner resource page. We’ve seen many people using the App and the BSHDFC website prayer link to send us requests, praises, and updates. We hope to see more connections through these tools in the coming year. May God bless you and your ministry within your church and Black Sheep.

Tom & Dee Sanchez

To all the Black Sheep family, my prayer is that you all have a wonderful Thanksgiving and Christmas remembering our hope and trust is in The Lord Jesus .

“To act justly, love mercy and to walk humbly before your God”

Doug Boyd

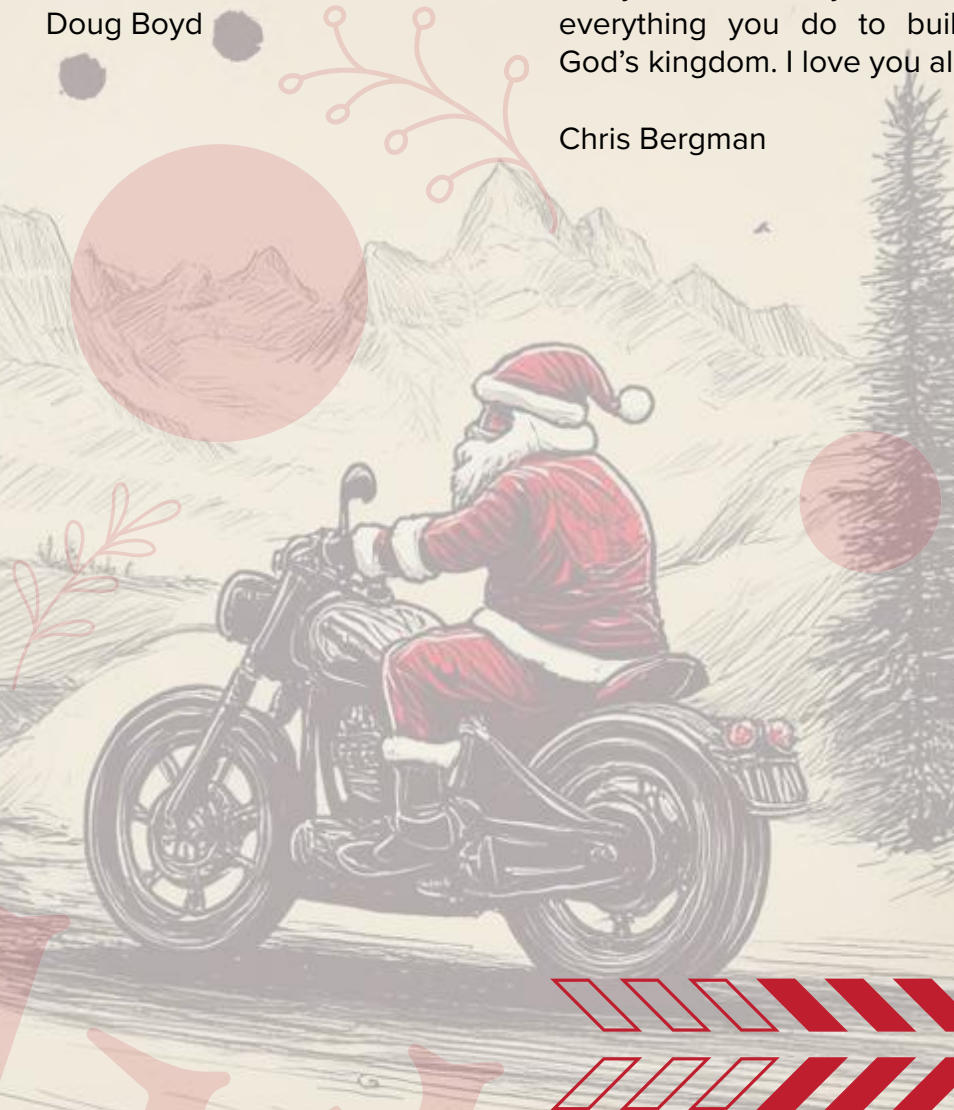

Greetings Black Sheep,

As Christmas is coming up quickly, I pray that each and everyone of you are able to share the love of Christ through words or actions with somebody new.

Thank you to each and everyone of you for everything you do to build God’s kingdom. I love you all.

Chris Bergman

As we wind down another great year in motorcycle ministry and look forward to 2025, I wanted to take a moment to reflect on what a privilege it is to serve His Kingdom alongside all of you. I often say that some of the finest people on the face of this earth are members of Black Sheep Harley Davidsons for Christ. Look around you. It's true. There is no higher calling than to show our fellow bikers who Jesus is and lead them to the throne.

Imagine. Long ago, in a lowly manger, in a scruffy little town in shepherd country, not far outside of Jerusalem was born the King of Kings. Filled with joy, angels and shepherds alike looked upon Him with wonder. Kings and paupers, fishermen and outcasts, beggars and tax collectors bowed down and worshiped Him. And we have the privilege to worship Him, serve Him and make Him known as He changes the lives of those in our communities – one soul at a time.

Merry Christmas and a very Happy New Year to you, Black Sheep! May our hearts be filled with that same joy as we look to another year of ministry together!

Kerry “Kry Baby” Skaugse

Dear Black Sheep,

As we enter this Christmas season, it is essential to reflect on its true meaning. Beyond the decorations, gifts, food, and festivities, Christmas is a celebration of God's greatest gift to humanity: the birth of His Son, Jesus Christ. This miraculous event, foretold by the prophets, serves as the foundation of our faith and a testament to God's boundless love.

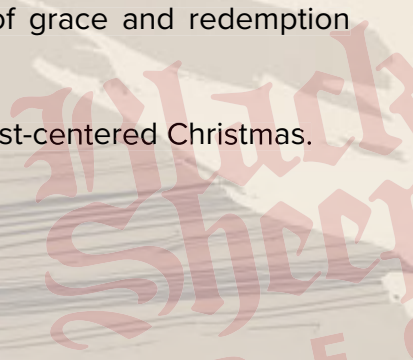

In Isaiah 9:6, we are reminded of the prophecy fulfilled through Jesus' birth: "For to us a child is born, to us a son is given, and the government will be on His shoulders. And He will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace." This verse emphasizes the profound significance of Christ's arrival as the Savior of the world, bringing hope, peace, and salvation to all who believe.

During this Christmas season, as members of BSHDFC, let us commit ourselves to spreading Christ's love within our families, our church, our chapters, our riding groups and dealerships, and our biker communities. May we honor His birth by living out His message of grace and redemption every day.

Wishing you all a blessed and Christ-centered Christmas.

All for His glory! Love you all.

Jared "Critter" Grime & Kitty

My journey with Black Sheep began years ago while working at a motorcycle shop in Northwest Ohio called Hill's Performance. During my time there, I serviced the bikes of many local chapter members and got to interact with them at various events. Over the years, I watched Keith "Fudd" Shannon go through mentorship and eventually become a member. His example left a lasting impression on me. This ministry is filled with people like him—men and women who lift up complete strangers and embody Christ's love in everything they do.

After moving to South Carolina, I felt a clear calling to join Black Sheep. God had placed me in the perfect environment to realize this was where I was meant to serve. He equipped me with the skills, experiences, and the right connections to make it happen. Becoming a Black Sheep just felt natural—it was as though God had designed me for this mission.

"GOD CREATED ME [US] FOR  
THIS MISSION."  
~ jared grime 

What I cherish most about Black Sheep is being surrounded by a family of brothers and sisters who continually radiate the love of Christ. I'm blessed to serve alongside them, sharing the gospel with anyone who will listen. The fact that I get to do all of this while riding motorcycles is the icing on the cake. Honestly, what's not to love?

And then there's Kitty—the motorcycle-riding Chihuahua who is as much a part of this ministry as I am. At just over six years old, she's already ridden more than 120,000 miles and loved every moment of it. She's brought countless smiles and touched many lives, asking for nothing in return but treats and ear scratches. Kitty is a wonderful example of the kind of unconditional love we're called to show others. She reminds us daily that even the smallest among us can make a big difference.

# Supporting Black Sheep in 2025

Dear Black Sheep Family and Friends,

As we enter the Christmas season and the end of another year, the international board would like to express our deep gratitude for your support and generosity. Your faithfulness and commitment are vital to this ministry, and none of this would be possible without you.

Our ministry is sustained through the donations and gifts we receive from dedicated members and ministry partners like you, and we thank God for each one of you.

With 2025 on the horizon, we are eagerly anticipating all that Jesus has planned for our ministry. We have several impactful projects in the works to help expand our reach and strengthen our ministry's effectiveness. These include new initiatives to develop and train our members and leaders, as well as automating and streamlining some of our administrative processes to improve efficiency. We're also excited to introduce innovative ways to share our ministry with a broader audience, creating fresh opportunities to connect with people who may not yet know us. Above all, these efforts will serve our primary goal of reaching the lost for His kingdom, ensuring that the message of the Gospel is shared with as many people as possible.

We invite you to prayerfully consider making a donation to support these initiatives as we move into a new year of ministry.

If you would like to contribute, you can mail your donation to our office at:

BSHDFC  
PO BOX 403409  
Hesperia, CA 92340

Alternatively, you can visit our website to make a one-time donation or set up a monthly donation of any amount at the link below:

SEEDS  
OF  
FRIENDSHIP  
&  
FRUIT OF SALVATION

CHAPLAIN, BSHDFC INLAND NORTHWEST CHAPTER

# “Seeds of Friendship, Fruit of Salvation”

By Frederick Haueisen,  
Chaplain, BSHDFC Inland  
Northwest Chapter

November 5th was a significant day, but now the question remains: will Christians retreat into a state of relaxation? How effective will we be in evangelism moving forward? Often, when things seem “good,” we have a tendency to let our guard down. But the reality is, things are far from good. The lost still need our presence and influence in their lives. They need salvation, and God has left us here to be instruments for His purpose. Let me tell you about my friend Dan.

I first met Dan and his wife, Trudy, over ten years ago when they contacted me about building their home. Dan wanted to leave California and find a quiet, peaceful place in the mountains to retire. For several years, they would spend their summers camping on their property, and we’d often have dinner together. Over time, a relationship began to form.

Normally, I try to avoid becoming friends with clients, as it can blur the lines between work and personal life. But this friendship grew naturally. In 2021, we finally started building their home. Dan and Trudy are not believers. Dan would occasionally mention that he believed in Jesus, but he didn’t think becoming a Christian was necessary for salvation. As the project progressed, I would share the joy I have in Christ whenever the Holy Spirit led me to speak.

As our friendship deepened, I longed to see Dan come to Christ. Last winter, I gave him a book about forgiveness along with a study Bible. A few months later, he handed the book back to me, saying, “I can’t read it anymore. I can’t forgive.” I simply placed the book back in his hand and said, “Keep it; it was a gift.” He kept the book.

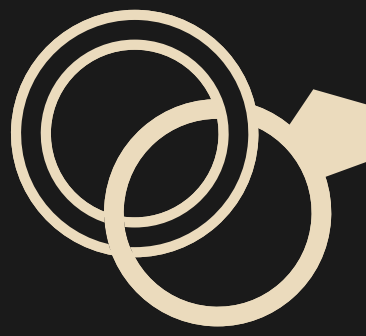

When summer arrived, I continued praying and asking the Lord to show me ways to witness to Dan. Our conversations would often end with Dan saying, “I don’t need to go to church or fully commit to Christ.” Each time, I’d respond with love, saying, “I love you, brother.” He would echo the sentiment back, and we’d part ways with a hug.

Recently, my wife, Kim, and I had dinner with Dan and Trudy at a favorite Chinese restaurant in town. The place was bustling and noisy, but out of nowhere, Dan began asking specific, pointed questions about what it means to follow Christ. I was blown away. The conversation was intense and heartfelt, and the people around us could hear every word because we had to speak loudly over the noise. Dan’s heart seemed moved, and his questions were genuine. Although he didn’t commit to Christ that night, I believe he’s closer than ever to making that decision.

Evangelism is simple when God prepares the road. Our part is to have the courage to follow His lead and to love others with the same unconditional love He shows us. Sometimes, it’s as straightforward as being a friend.

Desert Edge Chapter

Alisa and I were first introduced to Black Sheep in December 2013 through my good friend, Bear Smith. Bear invited us to the Desert Edge breakfast, where we started spending time with the group. What initially drew us to Black Sheep was the people and the meaningful work they were doing, especially during the holidays with toy runs and other outreach activities.

In 2014, Alisa and I officially patched in, and since then, it's been one adventure after another. We absolutely love our chapter and often say, "We are small but mighty." To me, our chapter—and the entire ministry—feels like family.

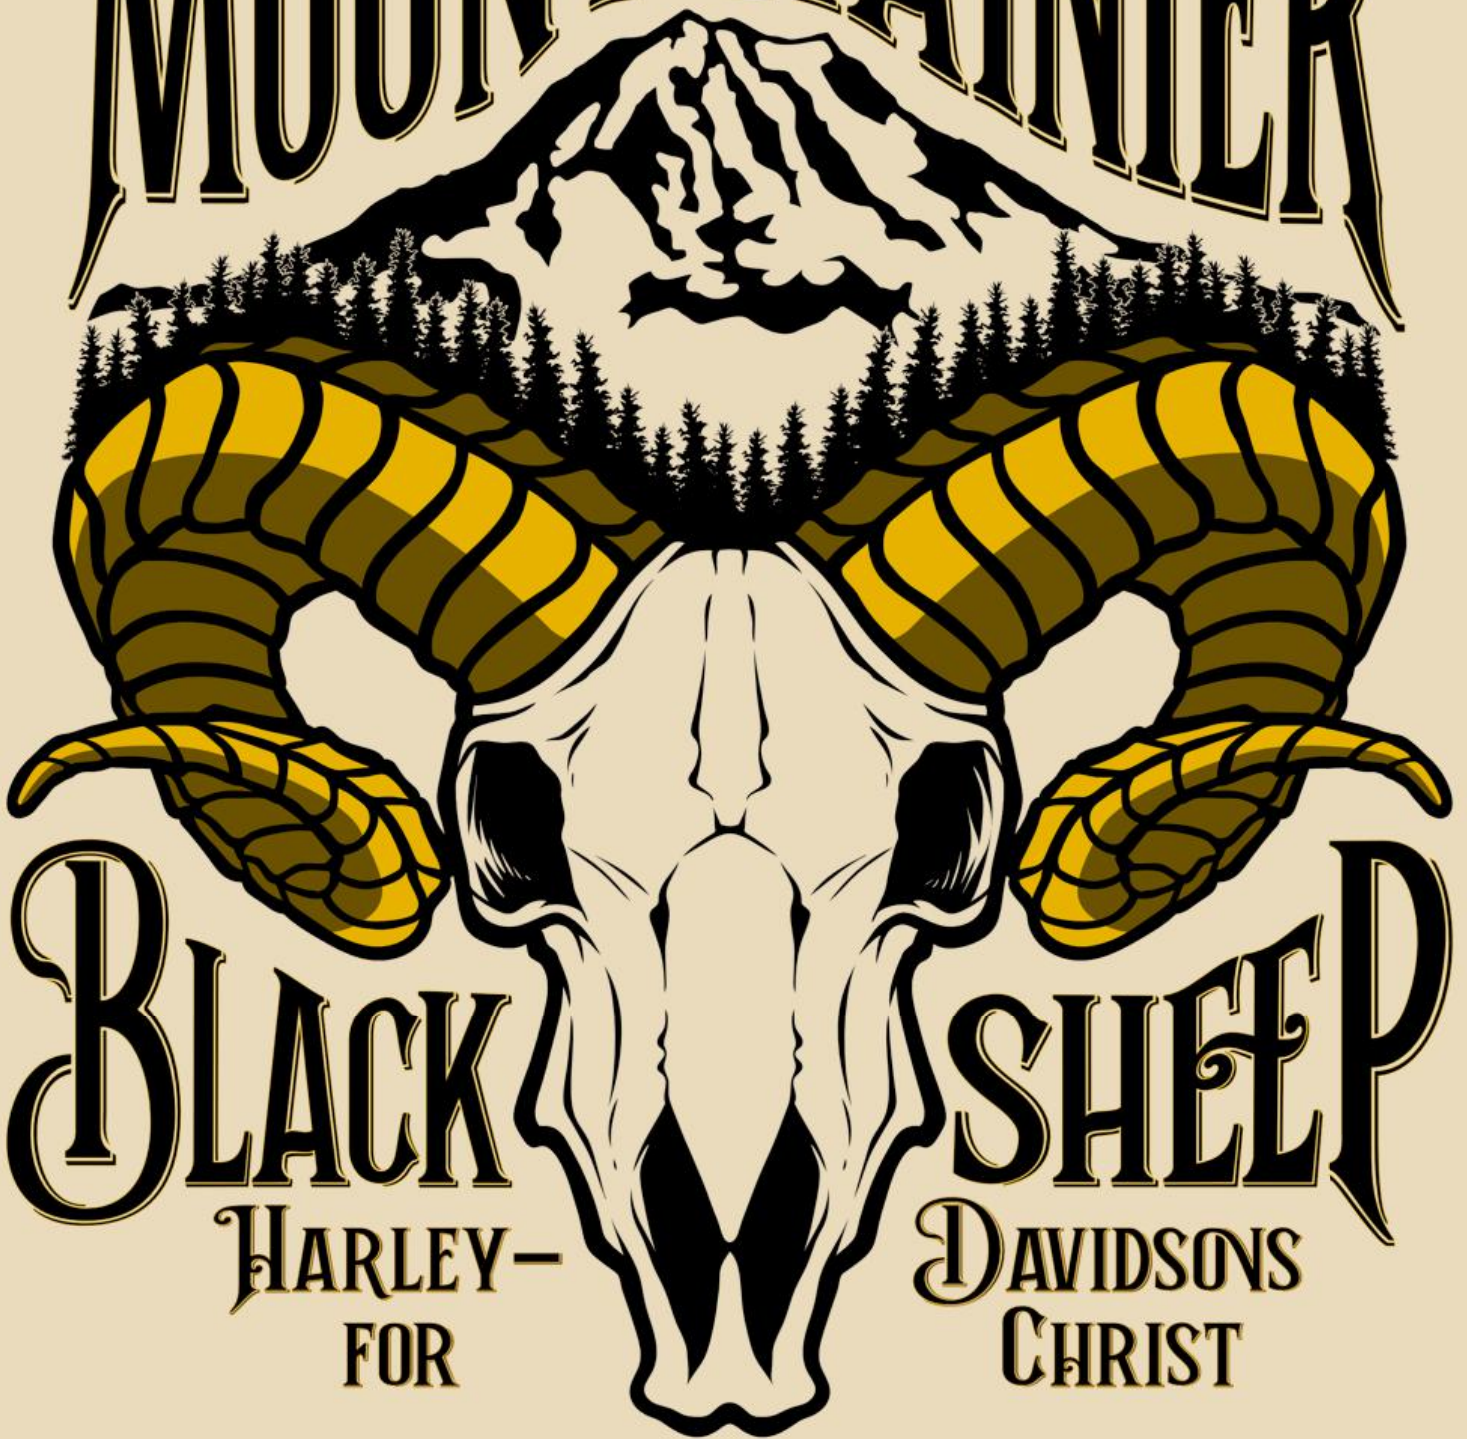

What we appreciate most about Black Sheep is its unwavering focus on HOG members and the way it fosters a sense of belonging and purpose. If I could offer any advice to the couples within this ministry, it would be to stand side by side through everything—work together, pray together, worship together, and embrace life's journey as a team. This ministry is truly worth every moment.

## The Mount Rainier Chapter: A Growing Family and Ministry By Chris "Doughnut" Mickelsen, President of Mt. Rainier

The Mount Rainier Chapter of Black Sheep HDFC was established in 2014 by Big John Sahlberg, who now serves as the Pacific Northwest Regional Director. Originally known as the Tacoma Chapter, Mount Rainier has grown into a true family affair, with the majority of its members being husband-and-wife couples. Today, we are proud to have 16 members, including seven couples and two “stragglers.”

One of the highlights of our year is the three-day “Pirate Ride” in mid-July. Open to prospective members and surrounding chapters, this ride is an incredible time of fellowship, bonding, and a chance to showcase what Black Sheep is all about. Year after year, God provides opportunities for us to connect with and pray for others on these trips, making the experience all the more meaningful.

Our chapter serves two mission fields. The first is our local HOG chapter, where two of our members actively lead rides as Road Captains. The second mission field is our local independent repair shop, Northwest Motorcycle Service. Each August, we are proud to serve as primary

sponsors for the Northwest Motorcycle FXR Rally and Bike Show. This event gives us the unique opportunity to minister to the motorcycle community through a variety of roles, including running a boot shine booth, managing the registration desk, assisting with parking, and helping with setup and teardown. We even bring in a celebrity judge—LAZ—for the bike show.

This past year, we invited Black Sheep members from across the country to join us at the rally, and our group outnumbered all other patched groups in attendance. It was a powerful testament to the unity and purpose of our ministry. Rumor has it that we may be organizing a rally of our own this year to coincide with the FXR Rally—stay tuned for more details!

Mount Rainier continues to thrive as a chapter, thanks to our shared mission, fellowship, and unwavering commitment to serving others. Whether it's through the "Pirate Ride," local HOG chapter involvement, or events like the FXR Rally, we remain dedicated to spreading the love of Christ within the motorcycle community.

## Hola!

My name is Ruben Cruz, aka “REV,” from the San Diego BSHDFC Chapter. October 28th marked my one-year anniversary as a patched member. Back in 2020, I met TUTONE and AGE who blessed my metro bike, which I jokingly called “YamaDavidson.” When I expressed interest in joining the Black Sheep ministry, they told me, “You need an American V-Twin.”

Come December 2021, my wife surprised me with an '03 Harley-Davidson Road King, styled in "Vicla" fashion. In January 2022, I called AGE and declared I was ready to join the ranks of the Black Sheep. I started spending time with the chapter, underwent mentoring, and despite some obstacles, God's faithfulness guided me through. I've always felt that God had great plans for me within this motorcycle ministry. Thanks to the prayers from family and friends, God paved the way. Not only did I get patched in, but I was also the first in the U.S. to wear the patch in Spanish. What can I say? "No se aguanta el Señor."

Oh, and by the way, Big Chris is the reason everyone loves me, lol. His loud pipes herald my arrival like a trumpet proclaiming, "Here comes Jesus Christ!" Always believe: where there seems to be no way, God will make a way.

I did have one question: Can I be buried with my cut? They said yes. So, you have a brother for life. I'll close with this: "Once a Black Sheep, always a Black Sheep."

## AN UNEXPECTED ENCOUNTER

### *Sharing Love and Comfort in Ministry*

By Tanya Wiseman

During a recent BSHDFC South Bay Chapter meeting at a local bar and grill, I felt an unexpected prompting. While seated in the dining area, I turned to my husband and said, 'I feel the need to go to the bar.' He looked at me, surprised, and replied, "Okay?"

I shared with her the mission of our ministry: to bring Jesus' love to the motorcycle community. Her expression shifted as she revealed that her husband, a former rider, had passed away a year ago. Overcome with emotion, she reached out to hug me tightly. In that embrace, I could feel her profound loneliness and grief pouring out like a cascade.

As members of Black Sheep, we hold ourselves to a standard of not consuming alcohol while wearing the patch. Keeping this in mind, I approached the bartender and ordered a tonic water with lime. As he prepared my drink, a woman at the bar, holding a beer, noticed my patch and asked about it.

I gently reminded her of Jesus' unwavering love and His understanding of her pain and loss. I reassured her that she is never alone.

This is what ministry means to me.

# God's Unexpected Connection

[Through Our Ministry]

By Chris Bergman | Nat. Director West

Our God works in the most extraordinary ways! My dad, who lives 200 miles north of me near Santa Maria, CA, spends his days working on farming equipment and small engines. For some time now, one of his customers—a regular visitor—has been inviting him to join a Bible study. Each time, my dad politely declined, explaining that he's uncomfortable in large group settings. To me, it seems like his way of avoiding involvement, but that's just my perspective.

Some time later, another gentleman from the same Bible study reached out to my dad with another invitation. Once again, my dad explained his discomfort with group settings. Undeterred, the man suggested meeting for coffee instead—just the two of them—for a simple conversation. To my surprise, my dad agreed, thinking it was a great idea.

During their conversation, the man casually remarked, “I heard your son rides a Harley and is part of some kind of ministry.” He began listing a few ministries he knew, though none of them were Black Sheep. My dad, amused, shared that I am part of Black Sheep and mentioned my name. To his amazement, the man responded, “Oh, I know him!”

This moment reminded me of just how incredible God's hand is in our ministry.

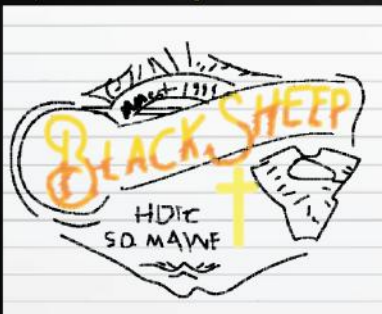

My dad and I talk often, and I regularly share what God is doing in my life. He's always excited to listen. But to have someone from the very ministry I'm part of unknowingly reach out to him and share God's love? That's beyond words.

This beautiful experience brought Proverbs 16:9 to mind: “In their hearts humans plan their course, but the Lord establishes their steps.” God's plans far surpass anything we could imagine. He connects us in ways we'd never anticipate, gently working through the lives of those we love. Seeing how God used our ministry to reach my dad fills me with gratitude and awe. His love was revealed through familiar faces and warm conversations. I pray this moment marks the beginning of my dad's journey with God. And as always, I trust that the next chapter will unfold in God's perfect timing. Truly, He is amazing.

## toy drive Golgotha Chapter Victorville, CA

The BSHDFC Golgotha Chapter, in partnership with the Death Valley HOG Chapter, proudly hosted their annual Toy Run on November 9th at Death Valley Harley-Davidson in Victorville, CA.

Participants shared a day filled with fun, food, fellowship, and the shared mission of helping local children have a brighter holiday season. The event successfully raised over \$600, alongside a generous collection of toys, all of which will be donated to the local Salvation Army. These contributions will play a significant role in ensuring that underprivileged children in the High Desert communities experience the joy and magic of the holidays.

The Golgotha Chapter extends heartfelt gratitude to Death Valley HOG for partnering with them and making this event a collaborative success. Special thanks also go out to Death Valley Harley-Davidson for graciously hosting the event at their dealership, and to Valley-Hi Honda for their generous support. All of your support exemplify the power of collective kindness and commitment to community service. Thanks to you, many children will experience a season filled with joy, warmth, and hope. Above all, we thank Jesus Christ, whose love and grace inspire us to serve and uplift those in need.

# toy drive Crane, MO

This year Black Sheep HDFC was able to partner with the Crane Christian Church and Moonshiners group for the 13th annual toy run. It was truly an interesting event. Big storms and rain precluded it being a true riding event with the normal bike count being probably around 60 and the head county being over 100. This year we had one motorcycle..yours truly because I live 1 mile from the church. In our Heavenly Fathers style the event raises more toys and more cash donations than ever. Last count about 215 toys (still coming in) and over \$1700.00 to use to buy more toys and food for the Christmas dinners for local families in need. Many thanks to all the vendors and businesses that donated for the raffle prizes. This reminds me of how many times in the bible that things didn't work out like they planned....but God. Just remember Sheep....when we serve the least of these...we are serving HIM. Let's be the light during this dark time of division, complications and irritations. If you are ever down this way... Holler and we will treat you so many ways you will have to like one of them. Have a great CHRISTmas!!!!!!

# Scorpion Chapter Holiday Food Drive

On November 11, 2024, the Scorpion Chapter of Black Sheep Harley-Davidsons for Christ had the privilege of meeting with Rob Day in Globe, AZ, to pass on items collected to support their holiday food drive. Rob and his wife, Christy, run a mission to the Apache Nations called Abiding Ministries. Their ministry addresses both physical and spiritual poverty within the Apache community. They strive to combat food insecurity by providing food, shelter issues by offering construction experience, and poverty by employing Apaches to help their own people. They also work to address various forms of abuse through counseling and resources, spiritual poverty through Bible studies, counseling, and retreats, and hopelessness through encouragement and

opportunities for individual improvement. Their goal is to be a blessing to the Apache Nations.

Their work primarily takes place on the San Carlos Apache Reservation, one of the most impoverished areas in our state. Our chapter was able to contribute 112 pounds of food to their pantry (just a drop in the bucket) and a small cash donation to help “fill the gaps” for their holiday meal box distribution. We look forward to continuing our partnership with Rob and Christy and assisting them in their mission on the reservation. You can learn more about this ministry or donate to their work at [www.abidingministriesaz.com](http://www.abidingministriesaz.com).

Conflict is a destructive force that can destroy

Your chapter! We all have had times where conflict disrupts ministry to the point that we want to throw in the towel. Come prepared to get powerful tools that you can use to end this destructive force in a God honoring way.

To RSVP contact Fred at

509-675-2668. Or Colvillebuilder@gmail.com

**Fred and Kim will be co-teaching on**

**Conflict - When to fight and when to make peace**

**Kim will have a break out session for the gals**

**Trauma - A biblical perspective**

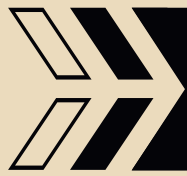

**Fred will have a break out session for the guys**

**Awakening the Warrior Within**

**Special guest speaker Laz Alba our International President.**

**Awesome restaurants within walking distance**
