OUR WEBSITE

German Made. Bench Top City's Builder's Range Laminate Stocktop Collection customised for builders and cabinet makers that represents the most cost-effective surface choice available on the market. Discover 5 of our most popular decors available out of our existing Quadra Stocktop Range to create an even more cost-effective solution. The profile front edge of the Quadra worktop has a radius of 3mm, the rear edge is sealed with a protective edge. Find your favourite and we will take care of the rest.

Areas of Application

Duropal Quadra Stocktops can be used wherever very high demands are made on surface resistance and durability. Thanks to their hygienic advantages, the classic areas of application are in modern kitchens and bathrooms, canteens and restaurants, as well as doctors' surgeries, in laboratories and shop fitting, but also for industrial and commercial workplaces.
