Today we take a trip back to the Old West as we head this morning to historical Bisbee. Whimsical, colorful and perhaps a little haunted, Bisbee is anything but an ordinary destination. Following the discovery of gold, lead, zinc and copper in the nearby Mule Mountains, Bisbee grew to a population of 20,000 residents and the largest city between St. Louis and San Francisco in the early 1900's and voted as

the "Best Historic Small Town in America". Upon arrival we will don hardhats and slickers and experience the "Queen Mine tour" 1500 feet below ground. Following the tour you will have time to explore the colorful and well preserved architecture, winding streets and alleys. Enjoy lunch on your own at one of the many local restaurants. Next travel to Tombstone, in its early days Tombstone was a rough and tumble silver-mining town made famous by the O.K. Corral gunfight. Today, you can walk where Wyatt Earp walked, see where the infamous Gunfight at the O.K. Corral took place, visit American Old West historical places such as the Tombstone Courthouse, Bird Cage Theatre, and more. 'Mosey' in to one of the many Old West-style saloons & restaurants for lunch. We will also stop at the historic Boothill Cemetery, just outside of Tombstone, before traveling back to Tucson. CITIES & PORTS

FRANKFURT

Located on the River Main, Frankfurt is the transportation center of Germany and home of the European Central Bank & the German Stock Exchange. Every year, the scent of roasted chestnuts, mulled wine and grilled sausages fill the air above the Roemerberg during the holiday season. Frankfurt's Christmas Market is famous for a number of traditional Christmas delicacies.

ROTHENBURG

To the west of the Franconian countryside is the medieval city of Rothenburg, Germany's best-preserved medieval town. As you stroll the cobblestone streets, you are spellbound by the city's 700-year-old charm. The quaint buildings with the original half-timbered walls and the town hall square are lined with festively decorated booths. Maybe visit Kathe Wohlfahrt, a famous family run Christmas shop brimming with gifts for you to take or send home.

NUREMBERG

Experience the world's best known Christmas Market visited by more than 2 million people every year. Located inside this medieval city's walls on the Market Square around the St. Lorenz Church, the Christmas Market has survived in its original state with specialty stalls and booths. Nuremberg's street lamp posts are decorated with Christmas symbols, garlands of natural fir and colored lights. Of course the Nuremberger Lebkuchen (gingerbread), as well as the original Nuremberger Wuerstle (small grilled pork sausages), are known worldwide.

REGENSBURG

Situated in Eastern Bavaria, Regensburg is one of Germany's oldest towns, founded by the Romans in 179 A.D. Today it is a prosperous city with 3 universities and many landmarks dated to the Middle Ages. Enjoy a Regensburg Walking Tour through one of the most visited cities in Germany and its Medieval Old Town, a UNESCO World Heritage site, and spend time at the colorful Christmas Market.

MELK ABBEY & GLUEHWEIN TASTING

Visit the Melk Abbey, an Austrian Benedictine abbey and one of the world's most famous monastic sites. The impressive Baroque abbey was built between 1702 and 1736. Continue by coach to the charming town of Dürnstein, one of the best-known wine villages in the Wachau on the banks of the mighty Danube. Later enjoy a mug of hot mulled wine.

VIENNA

Enjoy an included Vienna City Tour. For over 600 years, the magnificent baroque capital city of Vienna was the seat of the mighty Hapsburg Emperors, a heritage that has bestowed it with many dazzling palaces and monuments: the lavish Hofburg Palace, the impressive Vienna Opera House and the majestic Ringstrasse. The capital is also known as the "City of Music" for having once been the home of composers such as Beethoven, Schubert, Mozart and Johann Strauss. At the traditional Vienna Christmas Market, the Rathausplatz becomes a shining fairy-tale land with 150 stands offering Christmas gifts, Christmas tree decorations, sweets and warming drinks. Maybe visit the Schoenbrunn Palace dressed for the season.

EUROPEAN CHRISTMAS MARKETS

Enjoy this magical time of year as Europe's countries hold steadfastly onto Old World holiday tradition and transform into fairy-tale Christmas settings. The sights and sensations of the holiday season are everywhere: locals and guests savor the tastes of chocolate covered Lebkuchen (gingerbread), sizzling grilled sausages and spiced hot "Gluehwein" (mulled wine). Delight in the festively decorated markets and shopping for ornaments, crafts, candles, nutcrackers, winter hats, roasted nuts and other traditional items.

SALZBURG - OPTIONAL FULL DAY EXCURSION

Travel to Salzburg for a walking tour of the famous Old Town, Mirabel Gardens, Mozart Square, the Dom Cathedral and historic center made famous by the "Sound of Music." See Mozart's Birthplace located at No. 9 Getreidegasse, the home where the Mozart family lived from 1747-1773. Enjoy time at leisure to shop, visit a cafe, stroll the wonderful Getreidegasse & experience the famous Christmas Markets throughout this walkable city. Following breakfast, enjoy a guided tour of **Quito**, the first UNESCO World Cultural Heritage site. Enjoy the eclectic architecture built over the last five centuries. Also see San Francisco Plaza, a vast complex of religious art. Next visit the **Middle of the World** ("Mitad del Mundo") where the earth's equator passes through Ecuador at 0°0'0" latitude and stand with one foot in each half 199

of the world. The 98-foot monument is built on the historic site where a French explorer calculated the line of the equator in 1736. Also see the colonial church and bull-fighting ring. The evening is at leisure to explore the city of Quito on your own.

⊗ (B,L) Overnight: **Quito**

DAY 3: QUITO - FLIGHT TO BALTRA - MV GALAPAGOS LEGEND - MOSQUERA ISLET

After breakfast transfer to the airport for your flight to Baltra Island in the Galapagos Islands. Upon arrival, meet your naturalist guide and transfer to the MV Galapagos Legend for your four-night cruise. Your cruise departs for Mosquera Islet, a tiny, low lying islet, covered in coral sand, located between North and South Seymour Islands. It is home to a group of sea lions that come to laze on the soft white sand. It is a good spot to observe shorebirds as well as herons, lava gulls and boobies. While snorkeling here one can often see sharks, rays and barracudas.

⊗ (B,L,D) Overnight: **MV Galapagos Legend**

DAY 4: EGAS PORT (SANTIAGO ISLAND) - RABIDA ISLAND

This morning visit Santiago Island. A wet landing puts you on **Egas Port**, a black volcanic beach once visited by Darwin and sets this landing apart from most. This unique and dramatic shoreline hosts a variety of species

that live between land and sea. Particular among these are the endemic Galapagos fur seals which maintain a small colony at the end of our walk. Other species of note include American oystercatchers, sea lions, waders, herons, lava lizards and even Galapagos hawks. Our afternoon adventure lies at the heart of the archipelago, with a visit to **Rabida Island** with its distinctive red-sand beach. Home to sea lions, mockingbirds, finches, endemic Galapagos doves and more. A walk takes us to a beautiful overview of the bay. Snorkeling here can be a highlight, often with sea lions, ubiquitous turtles and black-striped salemas.

⊗ (B,L,D) Overnight: **MV Galapagos Legend**

DAY 5: URBINA BAY & TAGUS COVE (ISABELA ISLAND)

After breakfast our day begins with a wet landing on the beach at Urbina Bay. At the far end of a level hike we arrive at a strange phenomenon where large blocks of coral lie completely exposed after a dramatic geological uplift during the 1950's. Located at the western base of Alcedo Volcano, be on the lookout for impressive land iguanas as well as some of the volcano's endemic Galapagos giant tortoises. Excellent snorkeling today in the clear blue waters with an opportunity to see beautiful

marine life up close. This afternoon we visit Tagus Cove, one of the few sites visited by Charles Darwin and the HMS Beagle in early 1800's and a well-known hideout in the days of pirates. A beautiful hike leads us past an overview of Darwin Lake and on to a stunning volcanic landscape revealing Isabela island's dramatic northern volcanoes. Once back at sea level, we have an opportunity to snorkel with fish, penguins, turtles and spot other sea and wildlife.

⊗ (B,L,D) Overnight: **MV Galapagos Legend**

Today we visit Espinosa on Fernandina Island with a dry landing. The youngest island of Galapagos Islands and one of the most pristine in the world. Fernandina Island is referred to as the 'marine iguana capital of the world'. This volcanic backdrop is home to a huge concentration of these enigmatic reptiles. Sharing the same shoreline, we can find pelicans, the diminutive Galapagos penguins, sea lions and fur seals all offering amazing photo opportunities. Here we also have the exciting opportunity to snorkel with marine iguanas feeding underwater, penguins, turtles and the bizarre, flightless cormorants, the only place this species is found in the world. This afternoon visit Vicente Roca Point on Isabela Island. This spectacular site is surrounded by immense cliffs of the eroded volcano. Studded with resting sea birds such as brown noddies and Nazca boobies, view them in close proximity from your dinghies. A marine-only visitor area, snorkeling here is superb and one of the richest marine havens in the Galapagos Islands with certain species of fish only found in the west of the archipelago. Here we have the opportunity to snorkel and swim with sunfish, sea horses, penguins and green turtles.

Day 5 Cairo - Flight to Luxor - Board MS Mayfair - Nile River Cruise

Early morning flight to Luxor. Upon arrival, transfer to the river ship, MS Mayfair, for a four-night cruise on the Nile River. Following lunch onboard, you'll visit the Karnak Temple Complex, a city of temples built over 2,000 years and dedicated to the Theban triad of Amun, Mut, and Khonsu. The immense size of the complex, as well as its various architectural, artistic, and linguistic details make it an invaluable historical site and resource for understanding the evolution of ancient Egypt, and thus its conservation is

critical. This derelict place is still capable of overshadowing many wonders of the modern world and in its hey-day must have been awe-inspiring. Also visit the Luxor Temple on the site of the ancient city of Thebes and the largest and most significant religious center in ancient Egypt. Luxor Temple was "the place of the First Occasion," where the god Amon experienced rebirth during the Pharaoh's annually reenacted coronation ceremony.

⊗ (B,L,D)

Day 6 Nile Cruise - Valley of the Kings – Colossi of Memnon - Edfu

Today visits the incredible tombs at the Valley of the Kings, the ancient burial ground of many of Egypt's New Kingdom pharaohs, royal family members and nobles, spanning 500 years. A truly impressive site! There, you will find Tutankhamen's tomb which was discovered almost intact in 1922 and the tomb of Ramses IV, among others. While many of the tombs and chambers in the area were looted by thieves, King Tut's tomb was intact and brimming with treasures. Jewelry, statues, weapons and the Pharaoh's chariot, were valuable finds, but the real treasure was the magnificently decorated sarcophagus, with the young king's remains inside. The walls of the tombs are covered with hieroglyphics. Also visit the Queen Hatshepsut Temple, one of the world's most striking architectural masterpieces which took fifteen years to complete during her over 20-year reign. A photo stop is made by the giant Colossi of Memnon. Since 1350 BC, these ancient Egyptian statues have loomed over

River Cruise

the Theban Necropolis. Though battered by more than 3,000 years of scorching desert sun and sporadic Nile floods, they've captivated the imaginations of curious travelers. This afternoon we sail to Edfu, once a flourishing Greek city in ancient times and was commonly known as Apollinopolis Magna, after the chief God Horus-Apollo. Today the city rich with history is a friendly and commercial town. Locals produce sugar from farm-grown sugar cane and decorative pottery. ✕ (B,L,D)

Day 7 Nile Cruise - Kom Ombo - Aswan

Following breakfast, visit the Temple of Horus in Edfu, dedicated to Horus, the falcon-headed god. It is considered the best preserved temple in Egypt and also the second largest after Karnak. The Temple of Horus seen today is the compilation of 180 years of construction, additions, and inscriptions. In the afternoon, sail to Kom Ombo, an agricultural town and home to many Nubians. Visit the unique Temple of Kom Ombo dedicated to both Horus and the Crocodile God Sobek. The layout combines two temples in one with each side having its own gateways and chapels. Next sail on to Aswan. ✕ (B,L,D)

Day 8 Nile Cruise - Aswan

Free time this morning in Aswan, a city small enough to walk around and graced with the most beautiful setting on the Nile. Spend the day exploring the souk, full of the scent and color of spices, perfumes, scarves and baskets, or strolling the broad Corniche, watching the sailboats or sitting in a floating restaurant

listening to Nubian music and eating freshly caught fish. An optional excursion to the Abu Simbel Temples will be available. This afternoon enjoy a scenic felucca ride to experience the peace and tranquility of the Nile water that has been the lifeblood of Egypt since Pharaonic times. ✕ (B,L,D)

Day 9 Temple of Philae – Aswan High Dam - Flight to Cairo

This morning disembark the ship for a visit to the Temple of Philae, dedicated to the goddess Isis. It was landscaped to match the original site of the temple when it was relocated by UNESCO after the building of the Aswan Dam threatened the site. The temple has several shrines and sanctuaries. Philae was one of the last outposts of Egyptian religion, surviving two centuries after the Roman Empire converted to Christianity. Later visit the Aswan High Dam. When construction began on the High Dam in 1960, it was the most heralded part of President Nasser's effort to develop Egypt for all Egyptians. The dam is over 360 feet tall and 12,500 feet across. Lunch is included at a local restaurant. Later transfer to the Aswan airport and return to Cairo. Tonight enjoy a Farewell Dinner with your fellow travelers and new-found friends. ✕ (B,L,D)

Passport & Visa Information/TSA Requirements

The Transportation Security Administration requires that travelers provide their name exactly to their airline as it appears on the passport or a government issued I.D. (such as a driver's license) to be used while traveling, along with their date of birth and gender when making reservations to fly within the U.S. When making your flight reservations through Premier World Discovery, you will be asked for this information by our staff.

Due to airline security measures, your photo I.D. or passport must match your airline ticket name and your tour reservation name or you may be denied aircraft boarding.

International Tours including Canada & Mexico - A valid US passport for US citizens is required and is the responsibility of each passenger. Passports must be valid for up to six (6) months beyond the travel dates. All names must be submitted to Premier exactly as they appear on passenger passports. Holders of non-US passports should contact their nearest consulate and inquire about the necessary passport or travel visa requirements. Any passport fees, visa fees or other related costs are not included in the tour rates are the responsibility of the passenger. US passport cards are not valid for International air travel.

International Borders - Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

*REAL ID

Effective May 3, 2023 REAL ID Act-compliant identification will be required for all domestic air travel. This will render many state-issued identification previously accepted for domestic air travel (such as drivers licenses) inadequate, unless they are already REAL-ID compliant. A valid U.S. Passport is REAL ID compliant. Please ensure the government issued photo ID you plan to use for travel on or after May 3, 2023 is REAL-ID compliant. To avoid being turned away at the airport. It is each passenger's sole responsibility to obtain and carry appropriate identification required for air travel. Premier World Discovery's Travel Protection Plan (TPP) and most third party travel protection plans do not cover losses related to passengers being turned away by the airline and/or TSA due to inadequate photo identification. For additional details visit: <https://tsa.gov/real-id> or: <https://dhs.gov/real-id>

Baggage & Baggage Fees

On all PWD tour experiences, each passenger is limited to one checked bag for hotel and motorcoach handling. In addition, each passenger is allowed one carry-on bag. For any river cruise combined with hotel accommodations, each passenger is limited to one checked bag. Hotel portage is included at each PWD property. Airline or any other Baggage fees are not included in the program.

Air Travel Fees & Notes

Airlines continue to add fees and/or cut services for air travel. These fees are not limited to but include checked baggage fees, weight restriction overage charges for checked bags, seat reservation fees, charging for meals/snacks, charging for alcoholic and even non-alcoholic beverages. At PWD we have no control over their implementation. Any of these airport or airline fees/charges are the responsibility of the individual traveler and not that of PWD or your travel planner. One of the growing challenges as the airline industry evolves is the issue of seat assignments for group travelers. Airlines are pulling more and more seats out of normal seat assignment inventory to sell as seat upgrades. This can lead to traveling companions and couples not sitting together when traveling as part of a group travel package. We make efforts to minimize these fees & seating inconveniences but we have no control over their implementation. We always request seats for spouses and traveling companions to be next to each other (if applicable & unless otherwise requested). Unfortunately, often these seat requests are not possible due to airline policies and/or limited seat assignment inventory.

Travel Documents

Final Travel Documents include the trip itinerary, hotel information, name tags, luggage tags, flight schedule and E-tickets and destination information. All documents are scheduled to arrive at the travel planner or passenger's address 14-17 days prior to departure. Please specify at time of booking where the documents should be sent.

Travelers Needing Special Assistance & Walking on Tour

PWD will make reasonable efforts to accommodate the special needs of tour participants. Persons requiring individual assistance must be accompanied by a companion who is capable of, and solely responsible for, providing the necessary assistance. Neither PWD nor its suppliers may physically lift or assist clients onto transportation vehicles. Neither PWD nor its suppliers may physically lift wheelchairs, scooters or similar equipment onto transportation vehicles or into transportation vehicle storage areas. Some sites visited have limited motorcoach access and may involve considerable walking, stairs or inclines. Travelers should be in reasonably good health. Some programs include destinations in higher elevations that may have varying effects on individual travelers. Please note that while we try to accommodate special needs on International programs, the Americans with Disabilities Act does not apply outside of the United States.

Are attractions always available?

Access to some attractions or Premier World Discovery sites may be affected by the observance of holidays, weather conditions or other circumstances. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour?

Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels and lodges may not have elevators. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

What is the pacing and physical requirements on a PWD tour? What does the PWD Activity Level mean?

Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. In order to make the best personal choice, each passenger should carefully study the day-by-day itinerary, and decide whether he or she is capable of handling the various aspects of each tour. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and the tour map. These describe the number of nights you will stay in each hotel during your tour. Please understand that by their very nature, all tours involve a certain amount of moving from place to place, getting on and off various modes of transportation and navigating tourist sites on foot. The Tour Activity Level Ranking is featured on each tour itinerary in a box.

Level 1: The tour operates at a very leisurely pace and involves some minimal physical activity such as climbing stairs, boarding a motorcoach, walking into a museum or other venue and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to walk some stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days. You should be in good health, able to walk a flight of stairs or more and participate in walking tours or nature walks possibly over uneven ground and cobblestoned streets with periods of standing. There could be some early and late activities, and temperature and altitude changes.

Level 4: This tour is active, requiring participants to be good physical shape to fully enjoy the experiences. This itinerary has more activities which may include such things as longer walking tours over uneven ground, transfers over uneven and dusty terrain, high altitudes or very early morning departures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our Reservations Coordinators to determine if this tour is right for you. Unfortunately, this tour is not appropriate for individuals who use wheelchairs, scooters, walkers or similar equipment.

Do you rotate seats on tours?

Seats are rotated onboard the coach for all Premier World Discovery tours under the direction of the Tour Director so that we do not show partiality among passengers, exceptions cannot be made.

What size is a triple room?

A triple room is the same size as a two bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. Triple rates are for existing two bedded rooms. A Rollaway bed may be requested but cannot be guaranteed due to size of room and fire codes.

2022 Travel Protection Plan

Our Travel Protection Plan consists of a Cancellation Waiver (waiver fee) combined with a Post Departure Plan and is extremely important for peace of mind to protect your travel investment.

From \$255 per person**

Part A – Cancellation Waiver provided by Premier World Discovery

I. Trip Cancellation Waiver (TCW)

Payment of the per person Trip Cancellation Waiver guarantees full refund on all payments (including Deposit), except the Trip Cancellation Waiver Fee itself, made for tour rates in case of cancellation up to the time and date of departure due to the passenger's Personal Illness (Medical Documentation required) or death of an Immediate Family Member (Official Documentation required).

II. Premier "Any Reason" Cancellation Waiver (ARCW)

Payment of the per person Trip Cancellation Waiver also includes an "Any Reason" Cancellation Waiver. The "Any Reason" Cancellation Waiver provides you with 75% of the cancellation fees in the form of a future travel credit certificate, should you cancel your tour more than 48 hours prior to your scheduled departure for any reason that is not eligible for cash reimbursement under the Trip Cancellation Waiver (Section I.). Cancellation fees are reimbursed in the form of a Premier World Discovery future travel certificate allowing you to travel with us at a later date within one year of the original departure date. Future travel certificate is valid for one year, is non-transferable, non-refundable, may not be redeemed for cash, and does not include any credit for the non-refundable Trip Cancellation Waiver fee.

The Trip Cancellation Waiver Fee (if chosen) is refundable until 180 days prior to departure & cannot be added after Final Payment. **The Trip Cancellation Waiver Fee does not cover any single supplement charges which arise from an individual's traveling companion cancelling prior to departure.** Under this scenario, the single supplement will be deducted from the refund of the person who cancels. Division of the charges is to be determined by the two passengers. The Trip Cancellation Waiver Fee is non-transferable and valid for each applicant only. The Trip Cancellation Waiver does not cover any services such as airline tickets not purchased through Premier World Discovery.

Exclusions for the Cancellation Waiver

Premier World Discovery reserves the right to alter its Refund and Cancellation Policy in the event of an act of God, war (whether declared or undeclared), terrorism, accident, natural disaster, outbreak of disease, or other event or circumstance beyond our control that contributes to or results in cancellation rates above our historical cancellation rates in the absence of such event or occurrence.
