Our Products

Bio-DiagnosticsProduct Portfolio | Healthcare Product Portfolio

Specimen Collection Swab

1. ORAL/THROAT SWAB_Oropharyngeal Swab_M.FAPPP01

: Flocked Swab for Oral or Nasal Specimen Collection

2. FLOCKED SWAB_Nasopharyngeal Swab_M. FANAB01

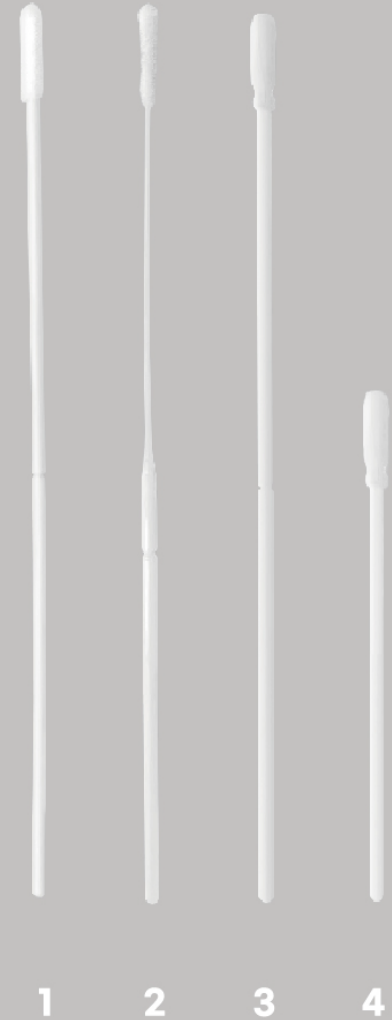

: Flocked Swab for Nasopharyngeal/Nasal Specimen Collection

3. FOAM SWAB_Nasal Swab_M.FASPS02

: Foam Swab for Nasal or Oral Specimen Collection

4. FOAM SWAB_Nasal Swab_M.FASPS10

: Foam Swab for Nasal or Oral Specimen Collection

Transport Medium for Specimen Collection

FTM (FA Transport Medium) is a versatile transport medium with room temperature stability, designed to preserve the viability and infectivity of clinically significant organisms, including viruses, Chlamydia, Mycoplasma, and Ureaplasma.

This medium is ideal for use in various diagnostic applications, such as immunodiagnostics, fluorescence diagnostics, and molecular diagnostic, ensuring reliable specimen transport and testing.

Bio-Diagnostics Product Portfolio

Pregnancy Tester

A rapid in vitro diagnostic medical device that detects human chorionic gonadotropin (hCG) in urine using immunochromatography, assisting in the qualitative determination of pregnancy.

Product Name	Type	Quantity
Inner Saengak Early Check Pregnancy Test	Kit-Type	1 Test
Inner Saengak Early Check + Pregnancy Test	Stick-Type	3 Test

Bio-Diagnostics Product Portfolio

Ovulation Tester

A rapid in vitro diagnostic medical device that detects luteinizing hormone (LH) in urine using immunochromatography, assisting in the qualitative determination of a woman's ovulation day.

Product Name	Type	Quantity
Inner Saengak Sure Check Ovulation Test	Stick-Type	3 Test, 25 Test

Bio-Diagnostics Product Portfolio

Vaginitis Diagnostic Kit

A rapid in vitro diagnostic medical device that qualitatively detects the antigens of Trichomonas vaginalis, Candida albicans, and Gardnerella vaginalis in female vaginal discharge and urine using the immunochromatographic assay (ICA) method, aiding in the diagnosis of infections caused by these pathogens.

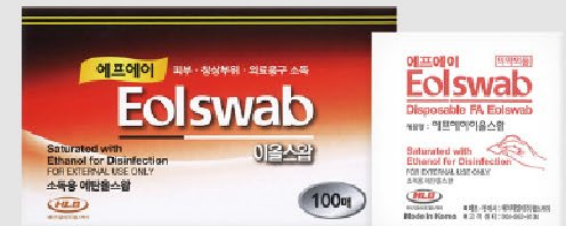

Product Name	Type	Quantity
Inner Saengak 3in1 Vaginitis Diagnostic Kit	Kit-Type	1 Test

Health Care Product Portfolio

Alcohol Swab

A sterile disinfectant product made of white non-woven fabric impregnated with ethanol and isopropanol, designed for skin, wound, and medical device disinfection.

Product Name	Quantity
FA Alcohol Swab S	10pcs / 50pcs / 100pcs / 200pcs
FA Alcohol Swab	10pcs / 50pcs / 100pcs / 200pcs
FA Eolswab	10pcs / 50pcs / 100pcs / 200pcs

Health Care Product Portfolio

Alcohol Swab

A sterile disinfectant product made of white non-woven fabric impregnated with ethanol, designed for skin, wound, and medical device disinfection. The sterilized version undergoes radiation treatment to completely eliminate bacteria, fungi, and other microorganisms, ensuring maximum hygiene and safety.

Product Name	Quantity
FA Eol swab	50pcs / 100pcs / 200pcs / 400pcs
Sterilized FA Eolswab	50pcs / 100pcs / 200pcs / 400pcs

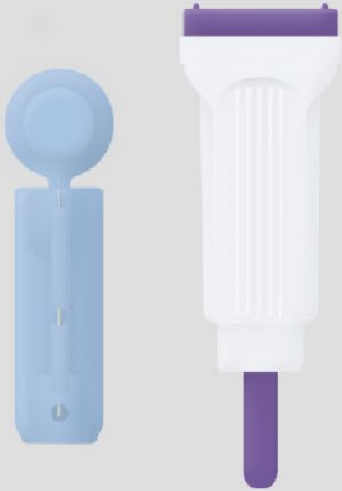

Health Care Product Portfolio

HLB Lancets

A Sterile Lancet used for capillary blood collection.

Product Name	Type	Quantity
Sterilized Eol Lancet Plus	26G/28G/30G	50pcs / 100pcs / 200pcs
Sterilized Eol Auto Lancet	26G/28G/30G	50pcs / 100pcs

Health Care Product Portfolio

Sanitizer Products

A disinfectant that easily eliminates bacteria, viruses, and other pathogens, helping to prevent infections. Lightweight and convenient for use anytime, anywhere.

Product Name	Volume	Quantity
FA Hand Sanitizer Gel	30g, 50ml, 500ml	1ea
FA Hand Sanitizer Spray	30ml	1ea
FA Hand Sanitizer Swab		30ea

Health Care Product Portfolio

Oh! My Swab

A disposable cleansing swab designed for complete care with a single sheet.

Product Name	Volume	Quantity
Deep Cleansing Swab	6g	15ea, 5ea
Sun Cleansing Swab	6g	15ea, 5ea
Eye Care Swab	6g	15ea
Feminine Care Swab	6g	15ea

Health Care Product Portfolio

Inner Saengak

Inner Saengak is a feminine care brand created for women who seek inner care solutions in response to the increasing exposure to harmful environments.

Product Name	Volume	Quantity
Balancing Feminine Whipped Wash	180ml	1ea
Balancing Feminine Foaming Wash	160ml, 30ml	1ea
Balancing Feminine Inner Care Gel	6g	7ea
Balancing Feminine Cleansing Swab	6g	15ea, 5ea
Balancing Feminine Calming Mist	30ml	1ea

Health Care Product Portfolio

Consumer Products (ETC.)

Also manufactures and distributes various consumer products essential for daily life.

Product Name	Quantity
HLB Face Mask (KF-AD)	50ea
HLB Droplet-Blocking Mask (KF-AD)	50ea
Multi Lens Cleaner (Lens Cleaner)	100es
Nose Care Wet Wipes (for Rhinitis)	50pcs
PETCARE EYE / EAR Wipes	30pcs
