

*YOU WERE
MEANT TO
MAKE A
DIFFERENCE!*

We'll Get You Ready.

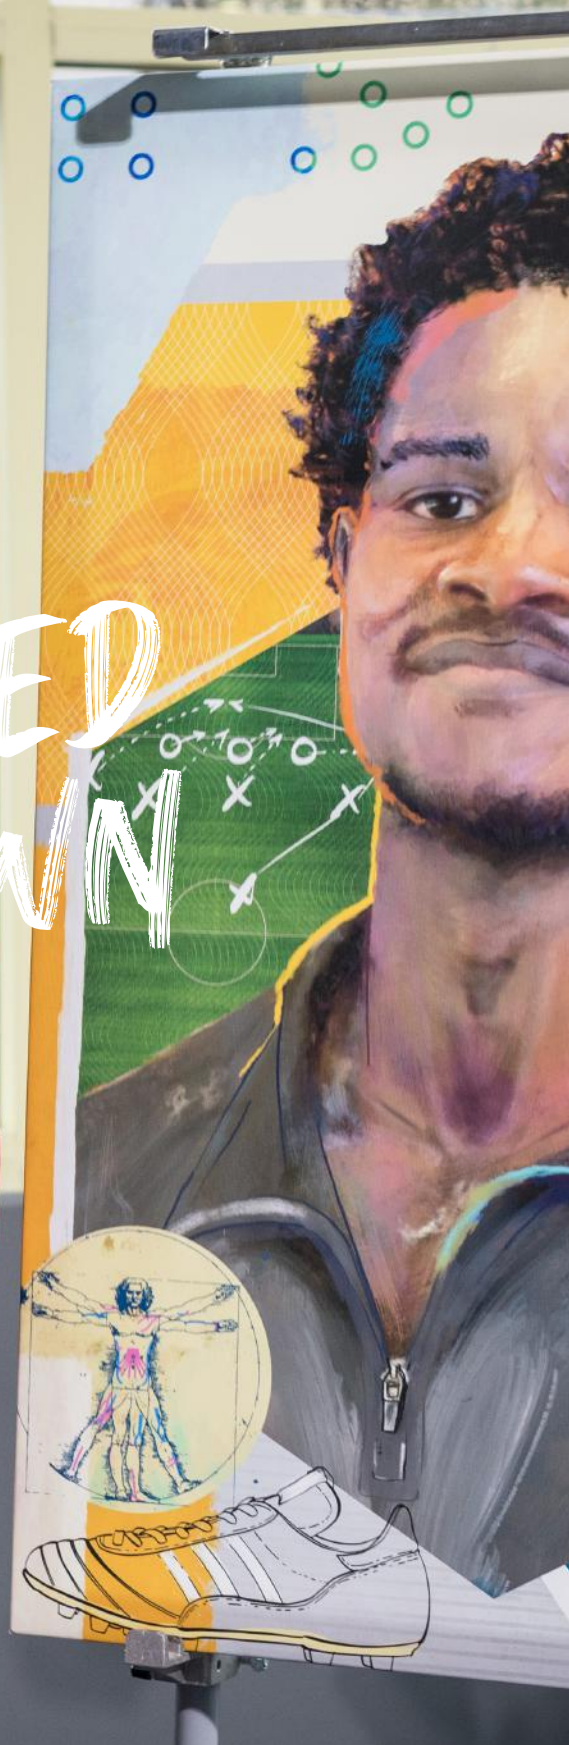

JESSUP
UNIVERSITY

You are one of a kind.

EQUIPPED & KNOWN

Get to know Christopher

Christopher Hackey's portrait illustrates how God created each of us as a masterpiece with the purpose of using our unique gifts to make a difference in the world. A kinesiology major and student-athlete at Jessup University, Christopher hopes to positively influence youth by coaching and working as a middle school P.E. teacher.

YOUR STORY STARTS HERE

We partner with the Church to educate transformational leaders for the glory of God.

We'll Get to Know You.

Being known makes all the difference. At Jessup, our priority is to truly know, see and hear you. Your God-given talents become part of a community that encourages exploration, sparks innovative ideas and naturally cultivates growth.

Step fully into who God created you to be when you acquire knowledge, master skills and build meaningful connections. We'll support and celebrate you every step of the way!

Jessup develops transformational leaders.

We'll Get You Ready.

The best education involves relationships.

— RAY BRYANT, SCHOOL OF BUSINESS FACULTY

Rooted in the value of community since 1939, Jessup provides students, faculty and staff with opportunities to regularly connect and grow together. At Jessup, you'll experience a dynamic, close-knit community and discover a safe place to belong.

We are a fully accredited, Christ-centered liberal arts university. Jessup is centrally located in Northern California, with an additional campus in the heart of Silicon Valley and another in Portland, Oregon.

BIG ENOUGH FOR OPPORTUNITY

Small Enough for Community

You're Known Here

Professors and staff get to know you on a personal level and often become lifelong mentors. Faculty inspire students to explore, create, ask questions and engage in meaningful dialogue. Campus events further strengthen these connections – from athletic events and music or theatre performances to student-run activities – helping you build a community that lasts a lifetime.

Spiritual Growth

Faith integration is paramount at Jessup, woven intentionally into every academic discipline and course of study. Spiritual growth is nurtured through weekly chapel services, outreach trips and Spiritual Formation Groups.

Local and Global Outreach

Passionate about meeting both physical and spiritual needs, Jessup partners with local organizations to give students opportunities to serve refugees, children, adolescents and the unhoused.

Beyond the local community, students are encouraged to join life-changing global outreach programs, serving on summer teams led by Jessup faculty and staff.

Get to know Kat

Kat Logan's portrait highlights her God-given talents and gifts, while illustrating the many ways she lives out her calling. As a double major in Criminal Justice and Digital Communication & Design, Kat believes God is leading her to help others reach their full potential. She aspires to pursue that calling through a career with the FBI, in journalism or as a Public Information Officer.

LIVE
GATHER
EAT

Live on Campus

The Village includes Phillips, Rispoli, Sunset, and Tiffin Halls. First-year students primarily live in Phillips, Rispoli and Tiffin Halls, each housing 12-20 residents per wing. This smaller setting allows resident assistants to foster a community that feels like family. Designed mainly for second-year students, Sunset Hall offers stunning sunset views, spacious balconies and easy access to an outdoor BBQ and fire pit.

The Block apartments provide the highest level of independence on campus for juniors and seniors, preparing students for self-sufficient living after graduation. Each unit features a living room, full kitchen with granite countertops, two large bathrooms, and four double rooms that accommodate eight residents. Outdoor amenities include a community grill, hammock stands and underground covered parking.

Gather Here

The Shack. A favorite spot for study breaks or coffee dates with Starbucks® Coffee, tea, grab-and-go sandwiches and convenience snacks. For a quick and healthy option, stop by the smoothie bar.

Study Spots on Campus. Meet up for study sessions at the West Student Union or commuter corner in Crawford Commons—or relax on The Green, our spacious lawn.

Prayer Chapel. At the heart of campus, our chapel provides a quiet space for prayer, reflection or an intimate night of worship.

Chapel & Events Center. The hub for morning chapels and special events, including Jessup theatre productions and music performances, you'll find community and connection here.

Eat Here

Crossroads Café. Our on-campus dining facility offers a wide variety of fresh, sustainable menu items, including a farm-to-fork station with allergy-friendly entrées and a brick oven serving artisan-style pizzas. Open to students, faculty, staff and community guests!

LIFE AT JESSUP

There is so much to do
in Northern California
and Oregon.

DISCOVER.

New sites, new friends, new
opportunities. See what's
possible and grow in ways you
never imagined.

Jessup's campus sits in an incredible region, rich
with culture, recreation and professional growth.
Just a couple of hours from Lake Tahoe, the Bay
Area and the coast, students love taking study
breaks with friends—spending weekends and day
trips exploring everything the area has to offer.

THRIVE HERE

We Support You.

At Jessup, your success matters to us. You won't get lost in the crowd—our Success Coaches, Academic Achievement Center and Career and Life Planning teams have your back from day one to graduation. Plus, with cutting-edge spaces like the Paul Nystrom Library and our Innovation Center, you'll have everything you need to learn, create and thrive.

MAKING EDUCATION AFFORDABLE

For the first
time, I felt like
Jessup was not
just a possibility
but actually
achievable.

—NOAH CLASSEN
COMPUTER SCIENCE MAJOR
& SCHOLARSHIP RECIPIENT

Your education is an investment with a lifelong return. Even as the cost of many goods and services rises, Jessup remains committed to providing affordable, Christ-centered higher education. We offer a wide range of scholarships, along with federal and state loans and grants, to help fuel your education and future dreams. Whether you're a veteran, a single mom, a former foster youth or a first-generation college student, Jessup is passionate about removing barriers and creating pathways for future leaders to succeed.

Business Partnerships.

Jessup partners with more than 20 local businesses that share our mission-driven values. Eligible employees of these companies—and their dependents—receive a 20% tuition discount on all graduate and online programs.

“The transformational impact Jessup has had in my life is unmatched.”

—STEPHANIE MAUS,

DIRECTOR, STUDENT RETENTION SYSTEMS AND PROGRAMS

Choose Your Path

Undergraduate. With over 20 Christ-centered undergraduate degree programs, Jessup helps you pursue a career path that fulfills your calling, meets your academic goals and equips you with practical knowledge and skills for a rewarding future.

Graduate. Jessup equips graduates to be highly competent, principled and innovative leaders. Our programs develop self-motivated professionals who communicate effectively, work collaboratively, foster change and grow in their faith.

Jessup+AI. Far beyond traditional online education, Jessup+AI is the first fully AI-immersive Christian university platform. Combining adaptive technology with human mentorship, this innovative program creates a truly personalized learning experience.

With AI that learns how you learn, Jessup+AI adapts in real time, helping you skip what you know, master what you need and graduate faster – all while being guided by Christ-centered faculty who mentor, encourage and keep you connected.

CUTTING-EDGE CAREERS

Aviation

Let your future take flight with our cutting-edge Aviation program. As one of the few faith-based, FAA Part 141 collegiate aviation programs in the region, Jessup trains and inspires a new generation of principled pilots for this high-demand field. The Bureau of Labor Statistics projects nearly 18,000 job openings for airline and commercial pilots each year through 2031, making your future in this program a highly sought-after achievement that will send you soaring towards success.

12

Your future in aviation is ready for takeoff. At Jessup, students practice on advanced flight simulators and gain hands-on experience at our local flight school, equipping them for careers in this high-demand field.

Shape your education to fit your life. Jessup offers a growing selection of career-ready majors delivered in multiple formats—traditional on-campus, fully online, and remote options—so you can pursue your goals in the way that works best for you.

Air Force ROTC is also available. Programs are subject to change; for the most up-to-date list, visit jessup.edu/majors.

LEARN MORE ABOUT
CUTTING-EDGE CARRIERS

Kinesiology

Jessup's Kinesiology program integrates personal faith with the latest advancements in biomechanics, exercise physiology and sports science. Students learn in state-of-the-art laboratories equipped with cutting-edge motion capture technology, allowing them to explore the intricacies of human kinetics. Curriculum is designed to foster critical thinking and innovation, preparing graduates to address the evolving challenges in sports performance, rehabilitation and health promotion. Graduates bring a Christ-centered perspective to the fitness, exercise, sports and health arenas.

Nursing

As one of Jessup's most sought-after programs, the Bachelor of Science in Nursing (BSN) positions students for success in one of today's fastest-growing career fields. Our cutting-edge 6,000 sq. ft. simulation lab features high-fidelity mannequins, state-of-the-art technology and live video streaming, giving students unmatched, real-world training. With a curriculum built around interprofessional collaboration, cultural competence and the latest healthcare innovations – from telemedicine to informatics – Jessup graduates enter the workforce prepared to lead. Guided by expert faculty who are both practitioners and researchers, our nursing program equips students with the skill, compassion and confidence to stand out in a competitive healthcare landscape.

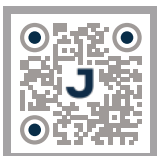

GRADUATE STUDIES

Earn Your Advanced Degree

Elevate Your Career.

In today's job market, an advanced degree is more than a credential – it's a distinction. Jessup's graduate programs prepare you to rise above the competition with specialized knowledge, proven expertise and a network of professionals who share your drive. Each class is designed for maximum impact in a flexible 7-week format, helping you move forward faster.

- Distinguish yourself in a competitive workforce
- Increase your earning potential
- Expand your professional network
- Accelerate your degree with 7-week courses

JESSUP+AI

A New Way of Learning

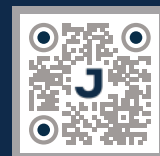

Jessup+AI goes far beyond traditional online education. As the first fully AI-immersive Christian university platform, it combines adaptive technology with human mentorship, creating a truly personalized learning experience.

With AI that learns how you learn, Jessup+AI adapts in real time, helping you skip what you know, master what you need and graduate faster – all while being guided by Christ-centered faculty who mentor, encourage and keep you connected.

Jessup+AI benefits:

- Learn Anytime: Start classes instantly – no semester wait times, begin within minutes.
- Your Pace, Your Path: Graduate in as little as a year or take the time you need.
- Truly Global: Learn anywhere, in any language, across time zones.
- Mentorship + Innovation: Adaptive AI technology alongside experienced faculty mentors for the best of both worlds.
- Faith at the Core: Every course integrates Christian values and biblical worldview.

Grad Studies & Online Options

Students gain hands-on experience across the arts – from recording music at world-class studios like Skywalker Sound and Sony Pictures Studios, to showcasing visual works in curated gallery exhibitions, to bringing stage productions to life both onstage and behind the scenes.

LEADING WITH CREATIVITY

Digital Communication, Art & Design

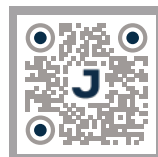

Blending the strengths of communication studies with digital art and design, this program equips you to craft powerful messages, create compelling visuals and deliver them with impact – all within a Christ-centered framework.

Music

The B.A. in Music provides a strong foundation in both traditional and contemporary practice, while opening doors to unique performance opportunities. Students join ensembles that tour regionally, showcasing their talent and representing Jessup on and off campus.

Theatre

Jessup's Theatre program offers immersive, pre-professional training where students gain experience in every aspect of production – from concept to curtain call. With an entrepreneurial, hands-on approach to storytelling, the program prepares graduates for dynamic careers in the performing arts.

THE
FOUNDATION
IS LAID.
NOW WE
BUILD
FOR THE
FUTURE.

History was made when Jessup stepped onto the national stage as a provisional NCAA Division II member. In our very first season, three teams advanced to NCAA postseason play. Now a full NCAA member, Jessup competes in all PacWest and NCAA postseason events – blending championship-level athletics with Christ-centered, academically excellent education. With standout teams, state-of-the-art facilities and a program on the rise, students don't just play – they grow, compete and help build a winning legacy. This is only the beginning.
