Us desitgem

que disfruteu de les festes i que us agraden les lectures que us proposem.

Os deseamos

que disfrutéis de las fiestas y que os gusten las lecturas que os proponemos.

Una historia es una piedra arrojada al río

Mònica Batet

Su país estaba repleto de cuentos populares. Las historias a menudo nacían en las montañas y, algunos años después, llegaban a las ciudades más grandes ornamentadas como las novias de lugares lejanos el día de su boda. Había leído muchos de esos libros, pero todavía no los tenía todos. Ni se había planteado interesarse por lo que venía de otras partes.

Traducción de Carlos Mayor
