Welcome to the 2026 Canton Chamber Directory

On behalf of the Canton Chamber of Commerce, I am delighted to present the **2026 Canton Chamber Directory**, your guide to the thriving businesses, exceptional services and community resources that make Canton Township a remarkable place to live, work and explore.

Canton Township, Michigan, is a vibrant and growing community of nearly **100,000 residents**, making it one of the most populous townships in the state. Situated conveniently between **Detroit** and **Ann Arbor**, Canton blends small-town charm with access to major job centers and cultural destinations across southeast Michigan.

Our community is known for its **diverse population**, welcoming neighborhoods, vast park system, and recreational opportunities that bring families together year-round. With outstanding schools, safe streets and a lively calendar of events, Canton offers something for everyone – from local festivals and farmers markets to exceptional dining and shopping experiences.

Inside this directory you will find a comprehensive listing of Chamber members – businesses and organizations that contribute to the economic vitality and quality of life in Canton. We encourage you to use this directory as your go-to resource to learn about our local business community.

Thank you for being part of what makes Canton Township such a wonderful place to call home.

Warm regards,

Thomas Paden

A MESSAGE FROM CANTON TOWNSHIP SUPERVISOR

Anne Marie Graham-Hudak

Happy 250th Birthday, America!

Township seeks input from local artists to help celebrate Canton's history, inspire hope

THIS year marks America's semiquincentennial – the 250th anniversary of the signing of the Declaration of Independence. To commemorate this historic milestone, Canton has some very special projects planned for the summer.

First, we are coordinating with the U.S. Conference of Mayors (USCM) and the National Endowment for the Arts for the America 250 City Art Poster Project. We are looking forward to collaborating with local artists to create visual representations (posters) that celebrate Canton's history and inspire hope for the future.

Submissions can come from a range of artists, from children and youth in community arts programs to professional and amateur artists. The final posters should commemorate the 250th anniversary with imagery that conveys civic pride, historical connection and optimism for the next 250 years. The poster should also incorporate "Canton" and "America 250" into the design.

Every submission will be eligible for a chance to win a prize from Canton Township based on the artists' age category. In addition, all entries will play an important role in this year's Liberty Fest. The submission deadline is Friday, April 17, 2026.

For more information and submission form, visit www.cantonmi.gov/1530.

Canton will also have a special America 250 tent at this year's Liberty Fest, which will feature kids' crafts, American décor sales and more. Additionally, on July 9, our Canton Ignites the Night event will feature food, fun and fireworks to celebrate America 250, and the Canton Public Library is planning an America 250 book recommendations and display.

I hope you can join me in one of the many ways Canton is celebrating this patriotic milestone!

Did you know?

Jacob Matthew Jewelers is your one-stop shop for jewelry, repairs and more

Lab-grown diamonds are becoming more popular each year

Lab-grown diamonds have increased in popularity in recent years for several reasons. They are physically identical to mined diamonds, but cost a fraction of the price.

Whether customers are saving money for a house or a wedding, lab-grown diamonds have given people the opportunity to still be able to purchase a beautiful piece of jewelry within their budget.

of home to wear as a reminder of from where they came."

Whether it's a promise ring they wear until they become engaged, a classic pair of diamond or pearl studs to a watch for daily wear, jewelry is the perfect gift for all of life's milestones.

Your unwearable jewelry or family heirlooms can be repaired and restored like new

Many people inherit jewelry they simply don't wear because it has been well loved—maybe the gemstone is worn or clasp is broken. Did you know that Jacob Matthew Jewelers offers state-of-the-art repair and restoration services? If it's a style you don't like, they can also redesign the piece into something more your taste.

Through jewelry restoration and regular maintenance, your meaningful jewelry will remain beautiful and wearable for future generations.

Their jewelry repair services encompass everything from repairing chains, tightening gemstones and rebuilding worn jewelry to professional cleaning and polishing.

The full-time, in-house jewelers take time to care for each piece and provide the highest quality service that will last for years to come.

Flowers aren't the only gift option for homecoming or prom

Homecoming and prom are memorable events for many teens, but did you know there are other affordable options in addition to flowers or corsages?

"Most people don't think about alternative gifts, but you can purchase a nice bracelet for around the same price as flowers," according to Haggerty.

"People often overlook jewelry as an affordable gifting option," she said, but Jacob Matthew Jewelers has something for every occasion.

Jewelry is one of the most memorable gifts

Chances are, if you ask someone about a piece of jewelry they're wearing, they will remember exactly when, where and from whom they received it.

When it comes to gift giving, jewelry is one of the most sentimental and meaningful gifts.

"It's a nice sentiment for a child starting a new chapter in their life," Haggerty said. "They have a piece

It's better to shop with an independent jeweler

While it's convenient to order jewelry online or from a chain store, you completely bypass the personalized approach and wealth of knowledge local jewelers have gained.

"We want to make you happy," Haggerty said. "We see you around town, live in your community and can talk to you and help you select the best piece of jewelry for you and your lifestyle. We'd love the opportunity to give you a free consultation for any of your jewelry needs."

Jacob Matthew Jewelers is located at 6673 N. Canton Center Road in Canton. For more information, visit www.jacobmatthewjewelers.com or call 734-207-1906.

The History of Sheldon School House

By Sylvia Luke

THE Sheldon School House, on Michigan Avenue just west of Sheldon Road, has had numerous transformations over the years and has served several purposes unrelated to its original use as a one-room schoolhouse. Its history dates back almost two centuries, and it was one of nine one-room schoolhouses in Canton.

Before an official schoolhouse was built, school for students in the historic Sheldon Corners district near today's intersection of Michigan Avenue, Geddes Road and Sheldon Road, was held in up to nine different private residences. Log houses were eventually built to serve as schools, but the first two log houses burned, and the school eventually outgrew the third log building.

On April 23, 1835, land was deeded to the district by Timothy Sheldon, owner of Sheldon Inn (now demolished) for the purpose of building a permanent school building. Finished in 1838, the new wooden building was named Sheldon School and was organized as Frac. 1, Canton and Van Buren. Teachers at Sheldon School were paid \$300 a year and were also the janitors of the school.

In 1868, land was purchased from Mitchel Perkins in order to enlarge the school. The new building was made of brick and finished that same year.

Due to the school's small population and limited resources, families were very involved in its maintenance. In 1921, the Sheldon Parent Teachers Association (PTA) was formed, becoming an active force involved in many improvements to the school.

As the school's population grew, more space was needed, and in 1927, a portable school was built to accommodate more students. In 1929, the school was changed from a primary school to a grade school, and in 1934, during the depression, a basement was added under the school and modern toilets were installed.

On Monday, June 18, 1951, there was a special election to determine if Sheldon School District would be annexed by the Wayne School District. This was an extremely controversial election that created a lot of outrage among parents. Critics of annexation, who published their

opinions in the newspaper, argued that they would not have any voice within the large district of over 6,500 children and that Wayne would assume all school property, including the bus system and the money.

Despite the numerous complaints, the Sheldon School District was annexed in 1952, although the schoolhouse remained in use. In 1957, land was purchased on Geddes Road for new buildings, and until they were built, kindergarteners attended Walker School, and first through sixth graders stayed at Sheldon School.

As time went on, the schoolhouse was eventually no longer used as a school and sold off. For many years it served as home to a Baptist church, and, later, as the "Iron Coffins" motorcycle gang's clubhouse, until it was eventually bought by the township in 1987 for \$70,000, with plans to restore and repurpose it.

After its restoration was complete, the school served multiple purposes as a training office for Child and Family Services and an adult day-care facility for Alzheimer clients.

Now, the school is being repurposed once again and will be used as a branch of The Guidance Center's Kids-TALK Children's Advocacy Center, serving children who have been physically or sexually abused, neglected or have experienced trauma.

Almost 200 years later, the Sheldon School House continues to serve the people of Canton in meaningful ways for our community.

Visit www.cantonhistoricalsocietymi.org for more information.

Tuesday, May 5, 2026 7:00 PM at the Canton Public Library

Rochelle Danquah, Committee Chairperson of the Michigan Freedom Trail Commission, will present on the Underground Railroad in Western Wayne County, including Canton, and the efforts of local abolitionists.

Legacy AND Commitment

Bovitz family continues tradition of serving Canton

BEYOND his expertise in accounting and tax services, CPA Rob Bovitz is equally committed to creativity and giving back to the community.

This past year, Bovitz participated in the Village Theater Cabaret for the American Cancer Society and performed the role of Jacob in the Evalino Productions' staging of "Joseph and the Amazing Technicolor Dreamcoat" at Canton's Village Theater.

"Givers gain. You can never give more of your time and resources than the benefits you and those you help receive," Bovitz said.

Since 1961, Bovitz CPA, PC has been providing income tax preparation for families, businesses, nonprofits and homeowners' associations. In 1998, they expanded with their Canton office.

The business also offers outsource controllership for businesses, payroll services and political campaign financial reporting.

Bovitz CPA focuses on small business, self-employed individuals and the impact on their personal income tax.

"Clients want a professional to be there as a hand holder to help them through tough times and to be proactive," Bovitz said. "We're helping businesses and families survive and thrive."

On top of his commitment to his clients, Bovitz makes it a priority to give back through community service. He's involved with the Rotary Club, Partnership for the Arts and Humanities, the Catholic Youth Organization and was a driving force that helped initiate the Village Theater at Cherry Hill.

Bovitz, who majored in accounting and minored in theater at the University of Detroit, started working in his dad's office in December 1977.

In 1961, his father, Bob, founded Bovitz CPA, PC. He was highly involved in the community, serving with the Jaycees, being appointed to the Trenton Planning Commission and serving as mayor of Trenton from 1977 to 1983.

He also chaired the Michigan Municipal League and SEMCOG.

"Neither of us thinks of being a CPA as a job, it's about being a people facilitator," Rob said.

This mindset led Bob into his next journey.

"When my dad turned 60, he said, 'I'm only two-thirds done,'" Rob said.

The first third of Bob's life was spent raising his five children, the second third was building a CPA practice and

Founder of Bovitz CPA, PC Bob Bovitz (left). Rob Bovitz (right) as Jacob in the 'Joseph and the Amazing Technicolor Dreamcoat'.

he committed his final third giving back to the church. He began seminary school in 1995 and became ordained a permanent deacon in 2000.

On June 13, 2025, Bob passed away peacefully at 89 years old, but his legacy and commitment to serving others live on through the Bovitz family.

With his father's influence at the forefront, Bovitz continues to serve his clients and community with a passion that won't fade.

For more information or to contact Bovitz, visit www.bovitzcpa.com or call (734) 394-2660.

Nicole's TLC Cleaning

Celebrating 30 Years of Trusted Professional House Cleaning

THIS year marks a major milestone for Nicole's TLC Cleaning, with the business celebrating 30 years of providing reliable, high-quality house cleaning services to the local community.

What began as a small cleaning business three decades ago has grown into a trusted company known for professionalism, consistency and care.

Despite the business' growth it remains client-focused, and its 30th anniversary celebrates not only its longevity but the relationships it has built along the way.

"From day one, our mission has been simple: to treat every home with the same care and respect we would our own," said owner Nicole Bernath.

Nicole began Nicole's TLC Cleaning as an independent venture in 1996. Through hard work and a commitment to quality, the business steadily grew, allowing her to assemble a trusted team to support her vision.

Since its start, Nicole's TLC Cleaning has provided its top-notch services to thousands of clients, many of whom rely on its services week after week, year after year.

Bernath believes that trust is essential when it comes to homeowners inviting cleaning services into their homes, which is why every cleaning technician is fully insured and bonded, providing clients not only peace of mind, but also protection.

"I want our customers to know that they are working with a professional business that prioritizes safety, accountability and integrity," Bernath said.

Nicole's TLC Cleaning invests in ongoing training to ensure its technicians use best practices, professional techniques and efficient cleaning methods.

Throughout the years, as both the cleaning industry and clients' expectations have evolved, Nicole's TLC Cleaning

has grown with these changes by improving processes, adopting new tools and refining its services.

"While we've embraced growth and innovation, our focus on personalized service has never changed," Bernath said. "We understand every home is different and we take time to tailor cleaning services to each client's preferences, schedules and priorities."

Serving the Canton, Plymouth, Novi, Northville and Livonia areas with services from deep cleaning and recurring cleaning to move in/move out cleaning and office cleaning, Nicole's TLC Cleaning is well equipped to take on jobs of all kinds.

Safety is also a priority for the business, and in 2005 they launched its own 100 percent natural, eco-friendly, non-toxic alternative cleaner. In addition to the non-toxic cleaner, Nicole's TLC Cleaning uses HEPA filter vacuums and microfiber cloths to eliminate the chance of cross contamination.

Dedicated to quality, the business also has a field supervisor who conducts quality control inspections, randomly checking homes that her team has cleaned, ensuring they meet the high standards Bernath is committed to.

"We are committed to upholding the values that inspired us in the early days," said Bernath, emphasizing their commitment to giving back to the community.

Since 2009, Nicole's TLC Cleaning has partnered with the nonprofit organization Cleaning for a Reason and provides two consecutive free cleanings to anyone undergoing cancer treatments.

With 30 years under its belt, the future still looks bright for Nicole's TLC Cleaning.

"As we celebrate this milestone, we want to thank our loyal clients, dedicated team members and community partners who have supported us along the way," Bernath said.

Immerse Yourself IN VIBRANT ART

Experience The Gallery at Cherry Hill's Monthly Art Exhibits

THE Village Theater at Cherry Hill, Canton's premier performing arts center that is known for hosting memorable performances of live theatre, soul-stirring music and dynamic dancing, also hosts monthly fine arts exhibitions by local, regional and national artists at The Gallery at Cherry Hill.

Located in Cherry Hill Village on the corner of Ridge and Cherry Hill roads, this 30,000-square-foot performing arts and education center continues to offer something for everyone, including art lovers. Nestled in the lobby of The Village Theater, this unique art gallery plays host to monthly exhibitions that display a wide selection of visual arts in all media.

Throughout the year, visitors can enjoy an eclectic mix of art such as oil paintings, sculptures, charcoal drawings, pastels, ceramics, photography, and wall-hangings featuring a diverse selection of forms, textures and materials.

Since The Gallery at Cherry Hill began exhibiting works of art, featured displays have included a wide variety of subject matters. Each month over 5,000 visitors to the gallery get a chance to see artwork from several emerging as well as established artists as new works are installed that reflect our regional diversity and strengthen Canton's visual arts position within the region.

With each new exhibition, The Village Theater strives to make art accessible to broader audiences by championing the arts and creating a cultural environment that provides highly talented artists with an opportunity to present their

work locally.

Village Theater staff are currently accepting proposals for the 2027 Exhibition season. If you are an artist who's seeking a venue to exhibit your works in a group or solo exhibition, apply online at www.cantonvillagetheater.org by April 7, 2026.

Artists are asked to submit high-quality digital images, contact information, current resume or biography, an artist statement, and availability along with an application.

The public is encouraged to stop in and check out each monthly exhibit. Admission is free. The gallery is open year-round Tuesday – Wednesday from 10 a.m. – 2 p.m., and Thursday – Friday from 4 – 8 p.m. The gallery is open during public performances at the theater but is closed on holidays.

For more information about the Village Theater and to view a schedule of upcoming art exhibitions online, visit www.cantonvillagetheater.org or call (734) 394-5300 for details.

Introducing The B.E.A.M. Project

Business Education and Motivation

L **AUNCHING** April 10, 2026,
The B.E.A.M. Project
(Business

Education and Motivation) is a new cohort-based initiative designed to equip entrepreneurs and small business owners with the tools, confidence and connections needed to move their businesses forward. Developed in response to the growing need for practical, accessible business education, B.E.A.M. blends structured learning with real-world application, peer support and motivational coaching.

Participants in the B.E.A.M. Project progress through a guided, multi-week experience focused on core areas critical to business success, including business fundamentals, strategy, operations, marketing, and growth planning.

Unlike one-off workshops, B.E.A.M. is intentionally cohort-driven, allowing participants to learn alongside fellow business owners, share challenges, exchange ideas, and build lasting professional relationships. The program culminates in a capstone-style experience that encourages participants to apply what they've learned and articulate a clear path forward for their business.

Beyond education, B.E.A.M. is about momentum. The program emphasizes motivation, accountability and encouragement, recognizing that entrepreneurship can be isolating and overwhelming without the right support system. Through guest experts, interactive sessions and structured discussion, participants gain both knowledge and renewed energy to pursue their goals with clarity and purpose.

Designed to be scalable, The B.E.A.M. Project will offer multiple cohorts throughout the year, creating ongoing opportunities for entrepreneurs at different stages of their journey. Whether launching a new venture, strengthening an existing business or preparing for growth, B.E.A.M. provides a supportive environment where business owners can learn, connect and thrive.

The inaugural B.E.A.M. cohort begins April 10, 2026. Entrepreneurs and community partners interested in participating or supporting this initiative are encouraged to learn more and be part of this exciting new chapter in business education and motivation.

Thank
You!

2026 Canton Chamber of Commerce MEMBERSHIP DIRECTORY

POWERED BY MOMENTUM: Turning Growth into Impact

AS we launch into 2026, I am excited to share our theme for the year: **Powered by Momentum: Turning Growth into Impact.**

Last year was a milestone for the Canton Chamber. In 2025, we welcomed **more than 100 new members**, a testament to the strength and vibrancy of our business community and to the value that the Chamber provides.

That momentum has positioned us to do more – to deepen connections, amplify business success and support strategic growth that benefits all of Canton.

Our focus for 2026 is not just growth for its own sake, but **impact that matters**. We will continue to connect businesses through meaningful networking, provide resources that strengthen competitiveness and champion initiatives that support workforce development, entrepreneurship and economic prosperity.

This year, the Chamber will also expand programs that enhance visibility for local businesses, support innovation and foster collaborative partnerships across sectors. Whether you are a long-standing member or newly joined, our goal is to ensure that your Chamber investment helps you thrive.

Thank you for your partnership and commitment to advancing our community. With momentum on our side, 2026 promises to be a year of strategic growth and lasting impact.

Thomas Paden
Canton Chamber of Commerce President

MISSION *and* VISION

MISSION

The mission of the Canton Chamber of Commerce is to provide enhanced business growth and professional development opportunities to its members by:

- Building a strong network of diverse, locally based businesses
- Offering quality networking and business education seminars to its members
- Acting as a business resource for its members and the community

VISION

The Canton Chamber of Commerce will be the catalyst for bringing businesses, local government and citizens together to advance the economic prosperity of our community.

STRATEGIC GOALS

- Position the Canton Chamber to be a vital and visible part of our community by effectively coordinating resources with community and business needs
- Enhance our training experiences to provide ongoing development of our members' professional, volunteer and leadership skills
- Recruit and retain a diverse membership, thus ensuring commitment and satisfaction among all members
- Operate an effective and efficient nonprofit organization

* Ribbon Cutting dates can be found on the Chamber website

* Please check electronic calendar on Chamber website as dates and programs may be added

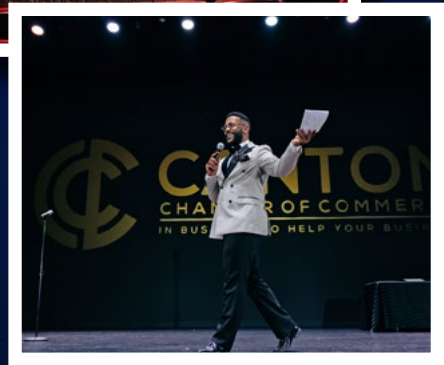

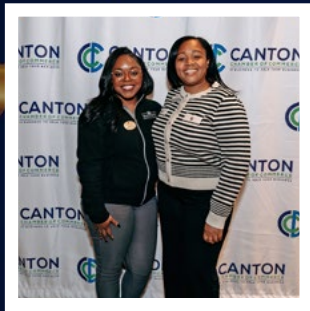

Returning in 2026 THE CANTON

AWARDING businessowners, establishments, professional services, tastemakers and every category in between with the honor of being labeled the best. Awards are being distributed in more than 20 categories. The Canton community is home to some of the greatest businesses in southeast Michigan, so it will be quite the challenge to determine a winner.

These awards, however, are solely decided on by you, the PEOPLE! The community will have the chance to decide the final selections of the best in various industries.

The winners will be revealed at the Canton Chamber's People's Choice Awards in November at the Village Theater. This awards celebration will be a special event as we celebrate Canton's best businesses. We welcome all of the community, and the nominees, along with our residents to come out and celebrate with us on this special occasion. Award recipients will then be published in a special edition of the Canton Today magazine mailed to every household in the Canton community!

PEOPLE'S CHOICE AWARDS!

General Rules of Voting:

- One "Best Of" ballot can be submitted per person
- Voters can vote in multiple categories
- Write-In votes will be accepted
- To win the award, the business must be a member of the Canton Chamber of Commerce

What to Know for Businesses:

- Your business must be a member of the Chamber to win the "Best Of" award.
- Engage your customers and network in the voting process
- Utilize social media and email marketing
- The Chamber will supply your business with digital/print pieces to promote your business and this event.

Chamber Cultivates Civic Excellence through National Civics Bee® Success

WHEN the Canton Chamber of Commerce committed to bringing the National Civics Bee® to its community in 2024, leaders hoped to spark curiosity about government, inspire civic pride and empower the next generation of changemakers. What they achieved went far beyond expectations.

In just a short time, the Chamber has built one of the nation's most successful local Civics Bee programs – culminating in an extraordinary milestone in 2025.

Ashley T., the Canton Chamber's 2025 local first-place winner, also became the second finalist from the Canton program at the State of Michigan competition, and then went on to represent Michigan at the National Civics Bee® Championship in Washington, D.C.

Her journey from local competitor to national stage is more than a personal achievement – it's a testament to the power of community collaboration and the Chamber's commitment to civic education.

Building Civic Leaders Early

The National Civics Bee®, an initiative of the U.S. Chamber of Commerce Foundation, encourages middle school students to engage in civics through a 750-word essay identifying a community issue and proposing a thoughtful solution involving local citizens and applying Civics principles. Finalists then demonstrate their knowledge through live quiz rounds and public speaking.

For the Canton Chamber, strengthening the business community by investing in future leaders is important. By hosting the competition locally, the Chamber created an accessible and inspiring pathway for students to explore how government works – and how their voice can make a difference.

"We know strong communities and strong economies depend on informed, engaged citizens," said Chamber President Thomas Paden. "The National Civics Bee® is about equipping students with the confidence and knowledge to lead."

A Community Effort

The Chamber's success did not happen in isolation. Local educators, business sponsors, volunteers, and civic leaders rallied around the initiative. Schools embraced the essay component as an opportunity to strengthen writing, public speaking and critical thinking skills. Local sponsors supported scholarships and event logistics. Community members filled seats at the live competition, cheering on students who spoke passionately about real-world issues affecting Canton and beyond.

Ashley T. stood out for her depth of research, poise and thoughtful approach to problem-solving. Her ability to articulate both the issue of her essay and a realistic path forward impressed judges at every level.

From Canton to the Capitol

Competing on November 11, 2025, in the nation's capital, Ashley joined finalists from across the country in a celebration of civic knowledge and leadership. For the Canton Chamber, seeing a local student take the national stage for the second time was a proud moment.

"It validates the work happening here at home," said Canton Chamber National Civics Bee® chair Pamela Batcho. "When we invest in students, provide meaningful opportunities and rally community support, extraordinary things can happen."

Lasting Impact

Beyond trophies and titles, the National Civics Bee® has created a lasting impact in Canton. Students are engaging more deeply in discussions about local government. Educators are integrating civic literacy into intentional classroom experiences, business leaders are recognizing their role in fostering informed citizenship and government officials are paying attention to these future leaders.

The program has also elevated the Chamber's visibility as more than a business advocacy organization – it has positioned the Canton Chamber of Commerce as a convener, connector and champion for youth leadership.

As the Chamber looks ahead, leaders are focused on expanding participation, increasing school involvement in surrounding communities and building on the momentum generated by Ashley's remarkable run.

Her success serves as both inspiration and invitation: civic engagement is not reserved for adults in elected office. It begins in classrooms, in communities and in opportunities like the National Civics Bee®

In Canton, that opportunity is thriving – and the results are reaching all the way to Washington, D.C.

Join us at the live local event on April 22 at Eastern Michigan University. More information about the National Civics Bee® is available at <https://www.cantonchamber.com/civics-bee-2025-26>

Canton Chamber of Commerce brings Community Impact Day back to Canton Township

THE Canton Chamber of Commerce is proud to bring back a new and exciting opportunity to our community – Community Day of Impact! This strategic initiative fosters collaboration between businesses, community organizations, nonprofits and the public sector, creating a powerful force for positive change.

On May 13, communities across the State of Michigan will come together for a Day of Impact, an afternoon dedicated to hands-on volunteering such as outdoor spring cleanup (pulling weeds, spreading mulch, planting flowers, applying a fresh coat of paint, cleaning playgrounds, etc.), helping senior citizens with indoor spring cleaning and more, followed by a high-energy celebration. Volunteers will not only complete essential projects that enhance community well-being but also

build lasting connections, increase visibility for participating organizations and help save valuable resources.

This initiative serves as a catalyst for community health improvement, team cohesion and greater civic engagement. By participating in Community Impact Day, individuals and businesses alike will experience the power of collective action – strengthening relationships, making a difference and celebrating the spirit of service.

Join us in making a lasting impact in Canton Township! Together, we can create positive change – one project, one connection, one day at a time.

For more information and to get involved, visit cantonchamber.com.

When you join the Canton Chamber of Commerce, you gain more than a membership.

You gain a strategic partner invested in your success and the strength of a connected business community moving forward together.

THE Canton Chamber is built for businesses that want to grow smarter, connect deeper and play a meaningful role in shaping Canton's future. We help turn momentum into measurable impact for your business and for the community we all call home.

Why the Canton Chamber?

Today's business environment moves fast. Visibility is harder to earn, relationships matter more than ever and leaders are expected to do more with less. The Canton Chamber exists to help you navigate that reality with confidence.

What Membership Delivers

- **Visibility & Marketing Power** – Stand out in a crowded marketplace. Members gain access to Chamber-led marketing opportunities that increase exposure and credibility.
- **Connections That Lead to Growth** – Relationships drive results. The Chamber creates spaces where meaningful connections turn into partnerships, referrals and new revenue opportunities.
- **Business Support & Advocacy** – The Chamber serves as a resource hub, connecting members to tools, information and local decision-makers.
- **Community Leadership & Influence** – Membership provides opportunities to connect with civic leaders and help shape Canton's future.
- **Cost Savings & Smart Investments** – Chamber dues are 100 percent tax deductible and offer strong return on investment.

Supporting Businesses At Every Stage

Whether you are a startup or established organization, the Canton Chamber meets you where you are.

A Legacy Of Leadership. A Future Of Momentum.

For more than 50 years, the Canton Chamber has supported businesses and strengthened the community.

Discipline, Leadership, Accountability

For Canton athlete Devyn Reiger, basketball is so much more than a game

By Terry Jacoby

WITH two offers already in the books, Canton's Devyn Reiger is setting her sights on playing college basketball. But the junior has also set some pretty big goals, and accomplishing those goals won't happen without hard work and dedication. In other words, there is plenty of work still to be done.

"I have high expectations for myself in everything I do," she said. "I truly love the game of basketball, and my parents have always set strong examples of hard work and commitment. My younger sister, Alex, is always right by my side working out with me or cheering me on. We are definitely a basketball family!"

Devyn, the daughter of Michael and Cameron Reiger, began her basketball journey at a very early age.

"I've played basketball for as long as I can remember," she said. "I remember my first time I played organized basketball when I was 5 for the YMCA and I was the only girl on the team. From the start I have loved the competitiveness and the challenge it brings."

Her basketball career at Canton tipped off with a huge challenge. She made the varsity team but had knee surgery and had to miss most of the season.

"That year taught me a lot about patience and resilience, even when I couldn't be on the court," she said.

Reiger's sophomore year was another learning curve.

"I started in the majority of the games and focused on growing my confidence and consistency," she said. "I was proud that I received my scholar athlete patch, which meant a lot to me because I take academics seriously."

This season, things are bouncing in the right direction for Reiger and the Cobras. The team put in a lot of hard work in the off-season and that extra effort should show up in the win column.

"I'm excited to show everyone what Canton basketball is made of," she said. "We got off to a good start and are looking to keep it going. As a team, our goal is to get 1 percent better every day, and compete with full effort every time we lace up our shoes. Personally, I want to lead by example, be a vocal leader and do whatever the team needs to win."

Reiger, 16, also is a slam dunk in the classroom, with a 4.13 GPA. She participates in Unified Sports and National Honor Society. She also enjoys family time, cards, baking and traveling to Higgins Lake.

In the off-season, Reiger plays for the Lady Tigers Elite E40, based out of Cincinnati. Last year, they reached the national championship for Nike Nationals.

"The group of girls is amazing and we connect very well," she said. "The coaches are very supportive and uplifting."

The sport isn't about dribbling, passing and shooting. For Reiger, it's much more important than that.

"Basketball has taught me so much beyond the game," she said. "Discipline, leadership, accountability, and how to be a great teammate. I am grateful for every coach, teammate and opportunity that's helped shape who I am today."

P-CCS EARLY CHILDHOOD PROGRAM

IMPORTANT ENROLLMENT DATES

Early Enrollment: March 3. The link will be sent out directly to current early childhood students.

Open Enrollment: March 17 at 6 a.m. for P-CCS community

- Offering 2, 3, & 4 year old programs!
- Multiple locations around the P-CCS District.
- Flexible programs to meet every family's needs.

GIVE YOUR CHILD A STRONG START WITH P-CCS EARLY CHILDHOOD EDUCATION!

Byrd's Hot Chicken

Crafted with care, spice and authenticity

TRADITIONAL wisdom suggests that people should invest in companies and businesses whose products they understand and love – coupled with doing some research into other important variables such as financials, valuation, location, etc.

And that's exactly how and why Byrd's Hot Chicken ended up in Canton and Novi.

Zahid, one of the partners, discovered Byrd's while traveling with his family in 2023. Byrd's Hot Chicken sounded like a better option than traditional fast food, after a single glance at their menu. Even though it was a good six miles off the highway, the trip to Byrd's Hot Chicken in Schererville, Indiana, turned out to be worth it in more ways than just feeding the kids in the back.

"I immediately fell in love with how fresh the chicken was," Zahid said.

The secret lies in fresh – never frozen – organic halal chicken, which is marinated for up to 48 hours and is freshly hand-battered only after customers place their order. There are also five different spice options to suit everyone's taste.

Knowing all this, Zahid reached out to two of his friends, Chandan and Srinivas, and the three were all in – opening Byrd's Hot Chicken in Novi in January 2024, and a second location in Canton in October 2025.

Byrd's Hot Chicken started with a simple mission: deliver real-deal, fresh, hot chicken that's crispy, juicy, spicy and halal. "Halal" is an Arabic word that means "permissible". For meat, this means it must come from a healthy animal, be processed humanely and be free of contaminants or unnatural ingredients.

Meat served at Byrd's is free of any kind of hormones, steroids or antibiotics and is procured fresh. Whether you're going for plain

no-spice, mild heat or the insane Supahot, every bite brings the heat and flavor you'll never forget.

"Food was always something very passionate for all three of us," Zahid said.

The partners were willing to be patient before opening a second location, but the response to the Novi restaurant has been so positive that they jumped right back in a year later with the Canton location.

"We found an ideal spot on Ford Road that we couldn't pass up, and we want to focus first on the west side of town before looking at other locations," Zahid said. "Canton is just a

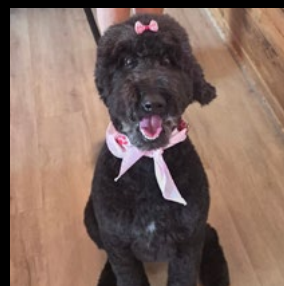

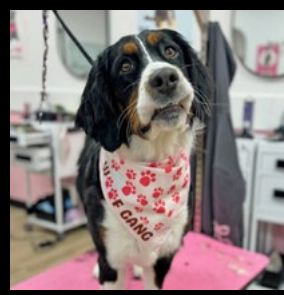

perfect location for us and an excellent community to be part of."

From their hot chicken sandwich stacked with tangy slaw and pickles, to their tender chicken tenders and loaded Byrd's fries, coupled with the milkshakes, everything on the menu is crafted with care, spice and authenticity.

"We truly believe everyone deserves access to good food that is made fresh with care, without compromising on flavor," said all three partners. "Byrd's is built on that foundation: crispy, spicy, unforgettable hot chicken that's halal."

Byrd's Hot Chicken is located at 42919 Ford Road, Canton. For more information or to order online, visit getbyrds.com

Love. Kindness. Personal Touch

Woof Gang Bakery & Grooming
a haven for Canton's pets By Terry Jacoby

GROWING up Gabriela Valdez wanted to be a veterinarian because of her love of dogs. Life's journey took her career in another direction – she became a dentist – but she never lost her smile or passion for dogs.

"I've always loved dogs," she said. "I currently own four dogs, and two of them are rescues (a bonded pair). My love for dogs – and their care and wellness – has always been a priority for me."

That love truly became a priority when on January 15, Valdez opened Woof Gang Bakery and Grooming Canton on Ford Road in Canton. It was a dream come true for Valdez and one that took quite a bit of planning – because she wanted it to be perfect in every way.

"It was a project in the works for over two years," she said. "We talked with realtors trying to find the right space, negotiating with landlords, contractor bids, and then deliveries of products and equipment."

Woof Gang is a franchise, with other locations in Northville and Rochester Hills, but each location is independently owned so Valdez has the freedom to get her paws on every aspect of the operation.

"We're a local business and this is my only store and my top priority," she said. "We prioritize pets' well-being and a stress-free grooming experience over volume. And we want to give back to this community because they've been so welcoming and friendly."

The community has been wagging its tail since the business opened earlier this year.

"I'm so grateful," Valdez said. "The Plymouth and Canton communities have been very welcoming, and the response has been amazing. People love coming in to check it out. We're

receiving great feedback, and they're recommending us to friends and family – which really fills my heart."

The location – 44730 Ford Road between Sheldon and N. Canton Center Road – was the perfect spot to set up shop for Valdez.

"Canton is home for me," she said. "I'm grateful for the community – fun events, a variety of restaurants and the diversity. We moved to Canton about 12 years ago and we've loved it."

Woof Gang Bakery and Grooming Canton is a neighborhood pet store offering full-service grooming and a wide selection of nutritious pet treats and food. In addition to meeting pets' nutritional needs, Woof Gang carries stylish essentials, fashionable accessories, a variety of toys and a wide range of doggie spa products. From premium pet food options to tantalizing treats, Woof Gang is a one-stop destination for all your pet's needs.

"Our every move is guided by love, kindness and a personal touch," Valdez said. "Our expert groomers treat every pet as family, giving them the special care they deserve, making us more than just a service. We communicate with owners about the style they want, tailor the groom to their preferences and minimize kennel time – so in most cases it's reduced significantly or eliminated altogether. We welcome feedback and share recommendations. We are a haven where your dog feels loved and leaves looking and feeling their absolute best."

Visit woofgangbakery.com/pages/locations/canton-mi or call (734) 389-7414 for more information.

CANTON POLICE DEPARTMENT Celebrates 50 Years of Service

THIS year, the Canton Police Department is proud to announce the celebration of its 50th anniversary, marking five decades of dedicated service, professionalism and partnership with the community it serves.

In 1976, 26 part-time reserve police officers began patrolling the community of 26,000 residents on evenings and weekends, supplementing road patrol services provided by the Wayne County Sheriff's Office and the Michigan State Police. Since then, the department has grown alongside the township, evolving to meet new challenges while maintaining its core mission: to protect life and property, uphold the law and strengthen trust through community engagement. Today the full-time department consists of 102 police officers and 43 civilian positions serving the community of approximately 100,000 residents.

"This milestone is a testament to the generations of officers who have worn the badge and served our community with integrity, commitment and honor," said Interim Police Chief Joseph Bialy. "It's also a celebration of the strong partnerships we've built with residents, businesses and community organizations over the last half-century."

The department plans to celebrate its anniversary throughout the year, starting with a fully wrapped patrol vehicle replicating the first Canton Police cruiser – a 1976 Plymouth Gran Fury. The original vehicle, baby blue in color with a white top, doubled as a building department vehicle by day and a police patrol vehicle on nights and weekends. The department has also

issued commemorative badges for the officers' uniforms and decals for all patrol vehicles.

Throughout the year, the department will utilize its website and social media channels to

The department's 50th anniversary commemorative badge design.

The replica patrol vehicle (top) and original design (inset).

feature photos, articles and videos that highlight the department's history, recognize outstanding service and provide an inside look at the department's 50 years of service to the community.

This year-long celebration will also honor the department's ongoing commitment to innovation, transparency and community-focused policing, as it looks ahead to the next 50 years of service.

For anniversary information, visit the department's website, cantonmi.gov/1390, the Canton Michigan Police Facebook page or @micantonpolice on Instagram.

46000 Summit Parkway

Enjoy a "Flippin' Good Time" during this special event that will feature Chris Cakes of Michigan, which is known for its entertaining pancake-flipping style of serving guests. In addition, musical entertainment, games and visits with your favorite furry egg-toting friend will be provided. Pre-registration is required and is open now – all ages must have a ticket.

MARCH 28

Egg Hunt Poolooza

5-7 p.m.

Summit on the Park
46000 Summit Parkway

Come explore the Summit Aquatic Center to find eggs that can be redeemed for prizes. Please note children 11 years and under must have parent in the water with them at all times. Pre-registration is required and is open now – all ages must have a ticket.

APRIL 19

Canton Off-Season Farmers Market

10 a.m. – 1 p.m.

Village Arts Factory
50755 Cherry Hill Road

Find all your Canton Farmers Market favorites during this off-season indoor market, which provides a great opportunity to visit local food growers and producers.

APRIL 24

Canton Puzzle Party

6-9 p.m.

Summit on the Park
46000 Summit Parkway

You and your team of four will race against other teams to complete the same 500-piece puzzle in the shortest time. Prizes will be awarded to the fastest teams. Only one person from each team needs to register.

MAY 2

**Art in Bloom:
Spring Artisan Market**

10 a.m. - 5 p.m.

Village Arts Factory
50755 Cherry Hill Road

This Spring Artisan Festival will feature resident studio artists, food trucks, coffee, live music, face painting, and over 20 local vendors selling their art, crafts, food, and wares. As a bonus, the Cherry Hill Potters Guild will also be hosting its Spring Pottery Sale.

MAY 9

Family Fishing Frenzy

9 a.m. - 12 p.m.

Heritage Park
1150 Canton Center Road

Enjoy a morning of fishing at the ponds of Heritage Park during this family-friendly event. Participants must bring their own fishing gear - worms will be available for purchase - while supplies last. Pre-registration is encouraged.

MAY 9

Mother's Day Tea/Ballet

2-4 p.m.

Summit on the Park
46000 Summit Parkway

Step into the magical world of grace and music during this enchanting Ballet-themed tea party. Northville Ballet Theatre will present a dazzling suite of the most celebrated and beloved ballets. Participants will also indulge in a carefully curated selection of fine teas, delicate finger sandwiches and decadent pastries - artfully inspired by ballet. Pre-registration is required and all ages will need a ticket.

MAY 9

Annual Spring Fling

6-8 p.m.

Summit on the Park
46000 Summit Parkway

Celebrate Mother's Day in a special way. Moms, aunts, grandmothers and more are welcome for an evening of dancing and memory-making. This year's dance theme is Pirates and Princesses, and participants are encouraged to dress the part. Pre-registration is required and all ages will need a ticket.

**MAY 10 - OCTOBER 11
(Sundays)**

Canton Farmers Market

9 a.m. - 1 p.m.

Preservation Park
500 N. Ridge Road

The Canton Farmers Market, which is held rain or shine, is an open-air market that features a variety of Michigan-grown and produced food as well as hand-crafted artisan items.

MAY 17

Bark in the Park

11 a.m. - 1 p.m.

Canton Dog Park
Denton Road, north of
Cherry Hill Road

*Dog owners and their four-legged friends can enjoy live entertainment, purchase merchandise and receive free giveaways from local pet supply and service vendors. *Note: All non-Canton Dog Park members must show proof of up-to-date vaccination for rabies, Bordetella and DHLPP, signed by an accredited veterinarian. No pre-registration is required.*

MAY 30

Heritage Park Pollinator Party

10 a.m. - 12 p.m.

Heritage Park

1150 Canton Center Road

This free outdoor event will show you how to plant your very own pollinator garden in your own backyard. You'll learn about the best plants to use to attract butterflies, hummingbirds, honeybees and other friendly pollinators. We'll also have presentations on our friendly, buzzy honey-makers and the Clinton Metroparks mobile classroom. You don't want to miss this day, which is perfect for the whole family!
