CHAIRMAN'S MESSAGE

Dear Students, Parents, Teachers, and Staff,

As we finish our third academic year at the Italian International School, I feel so proud and thankful. Since we started in September 2022, we have faced many challenges, but the amazing teamwork from everyone helped us overcome them. I want to thank the parents for trusting us with their children's education and making us part of their journey.

To our students, your excitement, hard work, and progress inspire us every day. Watching you grow and succeed has been truly special. Our teachers and staff have worked hard to create a caring environment where students feel supported and can do their best.

As we say goodbye to this school year, I wish everyone a future full of opportunities and success. Let's keep facing challenges with determination, kindness, and unity. Congratulations on a great third year, and I look forward to even greater things ahead. Together, we will continue building a legacy of excellence at the Italian International School.

Thank you all!

PRINCIPAL MESSAGE

Dear IIS Community,

It is my sincere pleasure to share with you this beautiful yearbook as a token of appreciation with our school community. Many thanks to our Marketing and Communications department for their tireless efforts to bring to life our vibrant community to enable us to celebrate the 2023-2024 academic year together.

This past academic year was one of growth. If I could use one word to describe it, that would be INCREDIBLE! We tripled our enrolment from our inaugural year, and welcomed our first students in MYP grades 6, 7, and 8. Many of our classrooms multiplied and we added several new sections. The school year brought with it plenty of learning, making new friends, celebrations and special moments. Thank you to everyone who contributed to making our school special.

Our team at IIS is sincerely grateful for the constant support and encouragement of our school owners, and parent community. You are held dearly in our hearts. Thank you for helping to make our lovely school a success.

Sincerely,

Janet DesJardins
