For over 110 years, The Women's College has been empowering women with education and leadership. Located on the vibrant UQ St Lucia campus, we offer more than just a place to stay – we provide a supportive community where you can excel academically and grow personally.

Whether you're from regional and rural areas, or live interstate or overseas, we welcome all young women and ensure everyone has the chance to succeed. With financial support on offer and a home-away-from-home atmosphere, you'll find everything you need to thrive here.

Be part of a legacy that celebrates education, leadership, and empowerment. Join us at The Women's College and discover your future.

"Before coming to Women's, I would have cried at the thought of organising a social event for 600+ people. This year, Women's at Home was the most beautiful night of the year. I have found courage and creativity in myself that I wouldn't have found without Women's."

Hayley Wright (Daymar, Qld)  
2024 Social Convenor

"There are very few opportunities in life to live alongside the community you serve. The leadership opportunities at Women's have shaped who I am and have given me the most incredible experiences. It fills me with immeasurable pride to represent my home-away-from-home each day."

Isabel Nolke (Gladstone, Qld)  
2024 Senior Resident Assistant

"One of my favourite things about Women's is the cultural opportunities. Participating in Choralfest, Dancefest and other events has been an amazing part of my two years at Women's so far. It is so great to be able to meet up and sing and dance with other Woozas who have similar interests and to also represent the College."

Ainhoa Fernandez Santalla (Brisbane, Qld)  
2024 Second Year Resident

There's also heaps of sports and community opportunities!
