A worry-free fragrance experience

Scentsy Warmers create a safer home environment to enjoy beautiful fragrance. Unlike wicked candles, no flame is required to melt Scentsy Bars and release fragrance. Since the wax is warmed and not burned, no harmful chemicals or particulates are released into the air, so there's no soot or smoke, either.

A

Building a fragrance

Each Scentsy fragrance is thoughtfully created to help us connect to our emotions, memories and each other. Scentsy Bars have more fragrance oil than any other scented wax bars, resulting in a stronger and longer-lasting scent. And each of our fragrances is composed of 30 to 60 ingredients for a unique experience!

Top notes

These give the first impression, the reason you're originally drawn to a fragrance.

Mid (heart) notes

These make up the heart of the fragrance and ultimately make you fall in love with a scent.

Base notes

These are the longest-lasting notes and what you smell hours later. They're what draw you back to a favorite fragrance.

Heartfelt memories

Draw inspiration from the people, places and things you love — and create a meaningful space with décor that celebrates your most precious memories.
