Types of Content

Brand Anthem Film

A brand anthem film is an emotionally-centric video that encapsulates your core values, mission, and identity. It tells a compelling, authentic story with cinematic elements.

Customer Story Film

A customer story film is a video that highlights the real-life experiences and testimonials of your customers, showcasing how your brand have positively impacted their lives. This is a great way to capitalize on authenticity and credibility.

Highlight Film

A highlight film is a short video that features one of your brand's key products or services.

Social Media Cutdown

This type of content takes long form produced pieces like your brand anthem film or a customer story and cuts it down to shorter form content, usually 30-60 sec.

Stills

Photos or screen grabs from the video shoot. Great for static posts, website images, and other promotion content.

Docustyle Film

This is a 5-20 minute film that is designed like you're watching a documentary on Netflix.
