Mission

Matchstick Goods is an arts-based social enterprise in North Lexington committed to employing and mentoring youth. Through a fair-wage job we provide a springboard for growth and space to explore ideas, abilities, and passions.

Who We Are

We are the social enterprise arm of Common Good, a non-profit devoted to investing in the North Lexington community. We are a culturally diverse group of students, graduates, and creative professionals all working together to develop a sustainable and unique business. Our hope is that Matchstick Goods can serve as a springboard for the artists and business owners of tomorrow.
