

SCRÆGG®

**An Innovative Steam System That
Prepares Healthy Meals in Seconds**

Fresh Eggs Prepared In Only Seconds

The innovative SCRAEGG Pro has revolutionized the preparation of scrambled eggs! Using steam, delicious warm snacks and meals can be cooked at lightning speed. SCRAEGG Pro's quick preparation brings advantages on both sides of the counter: short waiting times for customers and little time spent on employees. This makes SCRAEGG Pro a perfect solution for juice bars, coffee shops, sandwich shops, and more.

How Does It Work?

A one-button interface powers a proprietary Direct Power Steam System for fast, consistent results. Its compact, ergonomic design fits tight spaces, perfect for self-serve or staff use—no training or cooking skills required.

SCRAEGG Offers Many Unique Advantages

- Simple and quick time saving preparation method using steam.
- Multi-functional device preparing an array of mouth-watering dishes.
- No need for pots and pans, extractor hoods or in-depth cleaning regimes.
- Convenient options to prepare for 'in house' or 'to go'.
