## Melanie C. Dockery

Owner & Artist | CreativeArtsbyMelanie, LLC

I founded Creative Arts by Melanie, LLC on February 7, 2019, turning a lifelong passion for creativity into a business rooted in expression, connection, and joy. I've been an artist since childhood—sketching, crafting, creating doll clothes, and designing handmade pieces for family and friends, especially around the holidays. Creativity has always been my natural language.

“In a world that is often structured and demanding, I believe art should be unstructured, open, and personal. Art is free **expression, therapeutic, and uplifting** space where individuals can simply be themselves. Through modern abstract and 3-D mixed-media artwork, I encourage freedom beyond the paintbrush and invite others to explore creativity as a source of joy and connection.”

## Services Offered

- Paint Parties & Creative Events
- Commissioned Artwork
- Individual & Group Paint Lessons
- Community & Corporate Art Experiences
