<sup>(1)</sup> Marmoleum sheet can be installed nett fit (without welding), or with a welding rod in the seam. Both are proven hygienic solutions.

<sup>(2)</sup> For verification and details please consult our Marmoleum EPD.

<sup>(3)</sup> Slip test result achieved in an independent laboratory on a new sample. On-site testing is variable and may not guarantee the same result. For sustainable slip resistance, a particle-based floor must be used.
