About Us

Welcome to "JJ Exim & Trading co." — your trusted partner in global trade. We are a newly established merchant export company based in India, driven by a strong vision to deliver high-quality products from reliable manufacturers to customers across international markets.

Although we are a new player in the export industry, our foundation is built on integrity, commitment, transparency, and customer-centric service. We believe that successful global business is not just about transactions, but about creating sustainable relationships and delivering value across borders. Although we are a new player in the export industry, our foundation is built on integrity, commitment, transparency, and customer-centric service. We believe that successful global business is not just about transactions, but about creating sustainable relationships and delivering value across borders.

Our Mission

To become a dependable bridge between Indian manufacturers and global buyers by providing quality products, competitive pricing, and efficient logistics—ensuring a seamless supply experience.

Our Vision

To grow as a globally recognized merchant exporter known for reliability, consistency, and long-term partnerships.
