Welcome to Mobile

Welcome to a melting pot of people, flavors, cultures and traditions.

Located on Mobile Bay, just a stone's throw away from the beautiful Gulf Coast, Mobile, Alabama is a city rich in history, tradition and culture. One of the oldest port cities in the United States, Mobile is distinguished from younger cities throughout the state by her rich Spanish, French, African and Creole heritage. History is reflected not only in the architecture of Mobile, but in the cuisine and cultural diversity.

We like to claim Mobile is always in season. Mobile has an average of 220 days of sunshine! Thanks to our subtropical climate, we have mild springs, autumns and winters, and our summers can get pretty hot. Luckily, being located on the Gulf Coast, it's easy enough to escape the heat on the water during those long summer days. We take our climate in stride, dress accordingly and find time to spend outdoors year-round.

Along with great weather and rich heritage, you can also enjoy a wide range of activities when you visit Mobile. Whether you're ready for a round of golf on one of our nationally-rated courses, sight-seeing in historic downtown districts, or a day at the beach, Mobile has something for everyone.

Mobile is home to the first official Mardi Gras in this country, instituted in 1704, 62 years before New Orleans adopted the Celebration. Mobile is the Azalea Capital of the World, displaying more than 50 varieties.

Mobile is the hometown of Jimmy Buffett, Hank Aaron, Ken Stabler, Scott Hunter, DeMarcus Cousins, Bubba Wallace, and Jake Peavy (to name just a few). Mobile hosts such national events as the 68 Ventures Bowl, Distinguished Young Women, the Azalea Trail Run and the Senior Bowl. For more information about Mobile, [click here](#).
