Dear Small Business Owners and Community Supporters,

As the President and Founder of the Delaware Small Business Chamber, it fills me with immense pride and excitement to welcome you to our 2026 Resource Guide and Membership Directory.

2026 will become another landmark year for our chamber and for small businesses across Delaware. Building on the momentum of another outstanding year, we're rolling out a fresh wave of events, programs, and opportunities—each one designed to help you connect, learn, and thrive. The energy and innovation I see in our statewide small business community inspire me every day, and I am thrilled for what's ahead.

This year, get ready for new signature events, expanded networking opportunities, and innovative resources that reinforce our commitment to you. Whether you're a longtime member or just discovering The DSBC, there has never been a better time to get engaged. Our chamber is the only statewide organization solely focused on the needs and success of small businesses—your participation makes us stronger and your voice helps us grow.

I urge everyone to not just attend our events, but to truly get involved. Support each other, share your experiences, and help us build a supportive, collaborative environment where every small business can shine. And don't forget: the DSBC Foundation, our 501(c)(3) arm, is making a real impact in helping small businesses and communities across Delaware. You'll find a letter from the Foundation Chair on page 9, and I hope you'll consider lending your support to their critical mission as well.

Together, we're not just building businesses—we're building community, opportunity, and a brighter future for Delaware. Let's make 2026 a year to remember.

With gratitude and excitement,

Bob Older  
President & Founder  
Delaware Small Business Chamber

## From the 2026 Chair

Dear DSBC Members and Friends,

As the Chairperson of the Delaware Small Business Chamber for 2026, I am thrilled to connect with you at the start of a year that promises to be transformative for small businesses across our great state.

2026 is all about celebrating small business—your innovation, resilience, and the impact you have on Delaware's communities. The past year has shown us just how essential small businesses are to our local economy. As we move forward, our commitment to supporting you is stronger than ever. Whether you're navigating new challenges or ready to seize exciting opportunities, the DSBC is here to champion your efforts every step of the way.

This year, we are doubling down on initiatives that matter most to small business owners: practical resources, dynamic networking, and tailored advocacy. Expect more targeted workshops, expanded opportunities to showcase your business, and innovative programs designed with your feedback at the center. Your voice is invaluable to us!

If you're not yet a member of the DSBC, I wholeheartedly invite you to experience the difference our chamber makes. Join us at an upcoming event, connect with fellow entrepreneurs, and discover how being part of this vibrant community can elevate your business in 2026.

## Foundation

Dear Friends and Supporters of the Delaware Small Business Chamber & DSBC Foundation

As Chair of the DSBC Foundation for 2026, I am excited for the upcoming year and have a renewed sense of purpose and optimism for what we can accomplish together in the year ahead.

The DSBC Foundation has already begun to make a meaningful impact on Delaware's small business landscape. But there is so much more we can do—and with your help, we can reach even greater heights this year.

The more support we receive, the more grants and resources we can provide to small business owners who need it most. Every donation—large or small—directly fuels grants to fill vacant storefronts, seed promising new ventures, and expand opportunities for underrepresented entrepreneurs in our state. Your contributions also help fund training and employment programs for unemployed and underemployed residents, creating a ripple effect of economic growth and revitalization in our communities.

To truly maximize our impact in 2026, we are seeking not only financial contributions but also the invaluable gift of your time and expertise. If you have experience in grant writing, fundraising, or nonprofit leadership, we invite you to join our passionate volunteers—perhaps as a committee member or on our Foundation Board. Your skills can help us secure new funding and expand our reach, ensuring every dollar goes even further.

This year, we are determined to grow our network of champions for small businesses. If you care about fostering entrepreneurship, revitalizing neighborhoods, and supporting Delaware's economic health, there is a place for you in the DSBC Foundation family. Together, we can unlock opportunities for countless small business owners and create lasting change.

Thank you for believing in our mission and for all you do to strengthen Delaware's small business community.

We look forward to your support—whether through donations, volunteering, or spreading the word—as we make 2026 our most impactful year yet. Explore opportunities at [www.dsbcfoundation.org](http://www.dsbcfoundation.org).

With appreciation,

Casey Fitzgerald  
Chair

# Highlights by County

Delaware consists of three counties, each with a distinct flavor that contributes to the State's versatile community and business landscape.

## New Castle County:

New Castle County is the northernmost of Delaware's three counties and is the most populous, with a population of 570,719 as of the 2020 census. This represents nearly 60% of the state's total population of 989,948. The county seat is Wilmington, the largest city in Delaware, known for its vibrant culture and economic activity.

The county is home to many popular attractions that draw visitors from near and far. Highlights include the Newark Reservoir, perfect for outdoor activities, and renowned cultural sites like the Hagley Museum, which showcases the history of American industry, and Winterthur Museum, Garden, and Library, famous for its extensive collection of decorative arts and beautiful gardens.

New Castle County is divided into eleven "hundreds", which include Brandywine, Christiana, Wilmington (which functions as its own hundred), Mill Creek, White Clay Creek, Pencader, New Castle, Red Lion, St. Georges, Appoquinimink, and Blackbird. Each hundred contributes to the county's rich tapestry of communities, offering a mix of suburban living, historical landmarks, and recreational opportunities, making it a dynamic place to live and visit.

## Kent County:

Located in the central part of Delaware, Kent County is the state's least populous county, with a population of 181,851 as of the 2020 census. The county seat, Dover, is also the state capital and is named after Kent County in England.

Kent County is home to a vibrant Amish community to the west of Dover, consisting of nine church districts and about 1,650 residents. The Amish settled here in 1915, offering traditional goods such as homemade food, handcrafted furniture, quilts, and artisanal crafts.

The county features Delaware's Quaint Villages, including charming towns like Dover, Smyrna, Bowers Beach, Harrington, Camden, and Milford, each showcasing its own unique character and history.

Kent County beautifully combines scenic landscapes, cultural richness, and historical significance.

## Sussex County:

Sussex County, positioned in the southern region of Delaware, is the state's largest county by land area, covering an impressive 938 square miles, with Georgetown serving as the county seat. The history of Sussex County is rooted in early exploration and settlement. The first European presence in Delaware was established by the Dutch in 1631, near what is now Lewes on the picturesque Atlantic Coast.

Sussex County wasn't officially organized until 1683, under English colonial governance. This vibrant county was home to Zwaanendael, Delaware's inaugural European settlement—a Dutch trading post situated in present-day Lewes. On June 3, 1631, Dutch captain David Pietersen de Vries landed on these shores to create a whaling colony, marking a significant moment in mid-Atlantic history as part of the exploration and exploitation of the New World.

The rich history and diverse landscape continue to shape Sussex County's identity today.

# **Delaware Small Business Chamber**

## **Facts & Information**

### **All-Member Ambassador Group:**

Most chambers have Ambassador groups that consist of Chamber volunteers who serve as the member relations team for the Chamber. These volunteers call on existing members throughout the year. Ambassadors also represent the Chamber at grand openings, ribbon cuttings, and annual events. The Ambassadors play active roles in Chamber activities. The Delaware Small Business Chamber believes that ALL members should be part of that process & is the only chamber with an all-member ambassador group. Come be apart of ours.

### **Membership based on value and not just the size of a business:**

Instead of offering entrepreneurs a cookie-cutter package, we have created custom tiers to meet the needs of every business type. You can invest in a level that will provide the highest return on investment (ROI) for your membership and participation with the DSBC. Each level has a value of 3-6 times investment.

### **More inclusions than any other Chamber:**

With over 130 total events yearly throughout the State of Delaware and the surrounding area, the DSBC on average, hosts: 2 mixers a month; and 2 seminars each month; Members may attend one 6-Top Mingle in New Castle and 1 in Sussex/Kent County each month allowing members to attend up to 72 events or more each year for FREE as part of the low membership rates. The Delaware Small Business Chamber also has special programs and series and a variety of signature events for a nominal fee, including several B2B and B2C opportunities. The DSBC's digital program for members is unparalleled by any organization in Delaware.

### **Code of Ethics:**

We are proud to abide by a positive code of ethics, even if it means turning down members. We are selective, approving only the members who belong to or support the backbone of the future - small business. The Delaware Small Business Chamber is an independent chamber of commerce supporting local small business in Delaware and the surrounding areas. We focus on businesses with 0-100 employees and larger companies that economically support our local small business community.

1. If you form a corporation in Delaware, you must pay an annual Franchise Tax for privilege of incorporating in Delaware. The Franchise Tax is payable to the Delaware Division of Corporations. The fee is based on the number of authorized shares within the corporation. If you corporate in another state but doing business in Delaware, you must still register with the Delaware Division of Corporations.

Delaware Division of Corporations  
PO Box 898 | Dover, Delaware 19903  
Phone: (302)739-3073  
[www.corp.delaware.gov](http://www.corp.delaware.gov)

2. If you form a corporation in Delaware, you must pay Corporate Income Tax with the Delaware Division of Revenue at a rate of 8.7% of federal taxable income allocated & apportioned to Delaware, based on an equally weighted three-factor method of apportionment. The factors are property, wages and sales in Delaware as a ratio of property, wages and sales everywhere (Chapter 19 Title 30, Delaware Code)

3. Delaware does not have a state or local sales tax; however, there is an annual business license requirement and a gross receipts tax that is imposed on the seller of goods or provider of services. Sales of tangible property are additionally subject to a retail or wholesaler license and gross receipts tax. These taxes are imposed on the seller and remitted monthly or quarterly, depending on the business activity, to the Delaware Division of Revenue (Chapters 21,23,25,27 and 29, Title 30, Delaware Code)

4. For all businesses: Every employer maintaining an office or transacting business in Delaware who makes a payment of wages or other remuneration to a resident or non-resident of this state, must deduct and withhold an amount substantially equivalent to the tax estimated to be due from the employee. Delaware withholding is required, provided such payments are subject to withholding under the Internal Revenue Code (Chapter 11, Title 30, Delaware Code), and is remitted to the Delaware Division of Revenue.

**36** 6-Top Mingles

**111** Total Events

The Delaware Small Business Chamber has been the leader in events for small business members. Members can attend over 72 events a year for free as part of their membership.

Throughout the year, the Delaware Small Business Chamber holds mixers all over the State of Delaware. There are usually two mixers events a month. One upstate and one in another county. With all of our events, we are in Kent or Sussex Counties at least twice a month on average.

Our 6-Top Mingles are small, intimate members-only networking programs offer members a chance to build relationships with up to 5 other members, all in non-competing industries. The smaller group allows each person a chance to talk and really interact with the other attendees.
