Emerging *Leaders*

Designed for the next generation of leaders in Further Education and skills, this programme equips aspiring leaders with the skills, confidence, and clarity to take the next step. From practical management tools including coaching to strategic thinking. It's more than training, it's your launchpad to leadership. We help you understand the skills landscape and how to use your strengths to make a difference.

Bespoke *CPD*

Unlock more for less. Exclusive training discounts for members. Being a member means more than just staying connected, it means access to high-quality professional development at a fraction of the price. Whether you're brushing up on best practices or learning new skills, our bespoke training can help your team grow without stretching your budget.

Focus *Groups*

In Further Education, connection is everything. Our vibrant community groups brings together professionals from across the sector to share ideas, tackle challenges, and spark innovation. Whether you're looking for peer support, fresh thinking, or a space to be heard, there's a place for you here.

Small group or 1-1 *Coaching Service*

Working in Further Education can be rewarding and complex. Our small group coaching sessions create a safe, supportive space for staff to explore challenges, share experiences, and build confidence together. Guided by expert coaches, you'll gain fresh perspectives and practical tools to lead with impact.

Assessor/Verifier *Qualification*

You may already be supporting learners in the classroom or in the workplace, why not take your expertise further. Our Assessor and Internal Verifier Qualifications are ideal for tutors looking to broaden their role and gain the skills to assess vocational competence with confidence. Build on what you know, open professional doors and in turn meet your Awarding Organisation requirements.

Resource *Library*

Member Only Resource Area. As a valued member, you get exclusive access to a growing library of practical tools, guides, and insights, all designed to support your work in Further Education. From podcats discussing key policy and themes, to 'how to' videos and resources, it's your space to stay informed, inspired, and ahead of the curve. You can even share your own resources.

Coaching and Mentoring *Surgery*

Whether you're facing a leadership challenge, planning your next career move, or simply need space to reflect, our Executive Coaching Surgery offers focused, confidential support from experienced coaches who understand the FE landscape. It's your time to pause, think, and move forward with clarity.

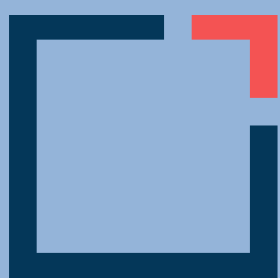

Podcast *Segment*

Looking to connect with passionate professionals across Further Education?

Our podcast reaches an engaged audience of educators, leaders, and changemakers who tune in for fresh insights and real conversations. Whether you're promoting services, events, or ideas, this is your chance to be heard where it matters.
