

# Bridge Home

## Specification

**BISLEY**

We understand your workday needs to flow, no matter where you are.

Inspired by the traditional office credenza, but re-imagined for the contemporary home and office, Bridge connects flexible spaces and work styles, bringing together stowage and display in one beautiful furniture piece.

Available in a range of configurations and colours, your Bridge Home can be incorporated into your space as you need.

Beautiful and multifunctional, Bridge provides a storage solution as well as a perfect place to display and store items.

# Features & Benefits

Choice of all paint colours and laminate finishes.

Ability to mix steel and wood for a contemporary finish.

Soft-close doors.

Five-year guarantee.

Made in the UK.

## Additional information

Please note: When specifying Bridge Home products, please consider the following:

Bridge Home products are available with a laminated carcass only.  
Closure fronts are available in either laminated or steel.

The back panel will always match the selected finish of the front closures.

Bridge Home products with a steel frame top are only available with steel closures from our paint palette. Please note, the frame finish will match the closure finish.

All Bridge Home products will have a steel inset black base and wood legs.

## Handle finishes

All Bridge Home products have an round wood handle.

Round wood handle

## Assembly

Assembly for fitting legs and Bridge Home products to the base will be required on site.
