EDITORIAL BOARD 2020

The Magazine Committee is glad to launch the first ever online version of the Tavua College E-magazine for the year 2020.

The College E-magazine is a venture to keep pace with the changing nature of readership and accessibility in our communities.

We hope that the E-magazine will reach out to a larger circle of readers both within and beyond the College.

The expedition of the magazine from a tiny spark of imagination to its creation would not have been possible without the collective initiative taken by the teachers and the students. We would like to thank the Administrative team of the College, for believing in this innovative venture.

Message from the Principal

**“Be Humble in
Your Confidence,
Yet Courageous in
Your Character”.**

Melanie Koulouris

I would like to sincerely thank my Administrative Team, all Teachers, Students, Support Staff, Parents/Guardians, School Management Committee, the Ministry of Education, the Government of the Day, Well Wishers, Ex-Scholars and Partners in Education for your understanding as we work our way through these demanding circumstances.

I especially wish to acknowledge everyone who has been working above and beyond the call of duty over the past few months in the face of this New Normal.

The year 2020 provided us with immense opportunities to do things differently yet staying within the boundaries to deliver the very best to our students. We continue to provide the much needed assistance to our students. Given the deep knowledge, capacity and the commitment of the entire College Team, I fully trust that our collective ability will get us through successfully this academic year. With God’s grace, I am confident that our students will do very well in External and Internal Examinations. Tavua College will remain as one of the High Performing institutions in Fiji.

I wish our viewers a joyful festive season of 2020 and a prosperous 2021.

COUNSELLOR/ CHILD PROTECTION OFFICER'S REPORT

"Following another's path leads to who they are,
not to who you are."
Harry Palmer

Being a Child Protection Officer and Counsellor is a dynamic and challenging role yet rewarding. My theme for this year's contribution to yearly publication of the **"Digital Magazine"** is **Choosing Right Career Path**. Guidance and counseling are the processes which helps the students to know their skills, interests and personality that will help students in further career selection. Guidance is the process in which a person is able to know his or her abilities, interests, and capacity that will help them when they encounter problems in life.

Counseling is the sharing of thoughts, reciprocal logic and guidance between groups or two. Guidance and counseling are related to the school system. Students are very much focused on academic performances but they never assess themselves because they haven't explored in schools. They plan their career not by assessing self but with the influence of other expertise. In the current trend, guidance and counseling is a requirement for all schools.

Finally, I would like to extend my sincere gratitude to the Administrative Team, Teachers, Executives of the Student Council, Students and Parents for being part of this endeavor and making 2020 blissful.

TRIBUTE TO SAKIUSA ONIBURE

When we lose a student, we lose a friend, we lose a family member, it breaks our hearts.

It's times like these, when we realize that sometimes there is pain that comes with caring about one another.

Hush dear friends, don't say a word.
Our classmate is gone and free like a bird.
Free to fly in the heavens above,
As a friend we'll always be thinking of.
He is gone from where we can see,
But in our hearts is where he'll always be.
Memories can never be taken away,
So we'll remember him when we learn and play.

Sadness, anger, and wondering why?
Are feelings that will make us cry.
But, our dear friend will help us grieve
Because his memories will never leave.

Inquiring mind once filled these seats,
With a thirst for knowledge,
An attitude of excitement,
And a desire for answers.
Smiling face once filled these halls,
With a thirst for friendship,
An attitude of confidence
And a desire to enjoy the moment.
Energetic body once filled these fields,
With a thirst for competition,
An attitude of confidence,

Rest High Sakiusa Onibure.

*Forever Remembered by Year 12 And Year 13 Students and entire
Tavua College Family.*
