

AUTOMOTIVE TECHNOLOGY

# *Automotive Technology*

Turn a passion for cars into a great career through the automotive technology program.

Apply hands-on skills in a brand new auto lab that is utilized on the first day of class. Learn from ASE-certified professors who have more than 60 years combined experience in the ever-changing automotive industry. Learn about contemporary auto systems and become familiar with their complex mechanical and electrical components. Be part of an innovative program that pioneered the use of one-on-one testing and the use of a thermal imager in auto repair.

Be prepared to enter the workforce full throttle with this program that constantly adapts to modern automotive needs.
