

namesake

For the modern  
home with heritage.

Made to treasure, our products are  
carefully crafted and undergo extensive  
quality testing to ensure they hold a  
memorable place in your family's story.

**They are traditions worth keeping.**

# Our Values

## Well Made to be Well Loved

With over 30 years of experience,  
our products are built to last.

## Compliment Worthy

Timeless design details that will  
look good for years to come.

## Safe for Baby & Family

Our top priority is a healthy home for  
your family to sleep, play, and grow.

# Safety & Sustainability

At Namesake, we design furniture for families — and that means establishing processes and systems that ensure only the safest items reach you and yours.

We work closely with each of our factories to ensure every item is manufactured up to the highest quality standards, allowing us the privilege to say we've been helping both babies and parents get a better night's sleep for decades.

# Better for Baby

## Greenguard Gold Certified

The GREENGUARD Gold seal certifies that our furniture has been independently tested for over 10,000 chemicals and VOCs, contributing to cleaner indoor air and a healthier home.

## Fabric made with recycled materials

Made with high-quality Repreve recycled yarn, you can feel good about making a more sustainable choice. Every chair keeps at least 30 plastic bottles out of landfills.

## FSC Certified

Our cribs, dressers and changers are made from New Zealand Pine Wood. The wood in our pieces has been sustainably harvested to benefit wildlife and the environment.

## Non-toxic & Lead Safe

Our products are finished in a non-toxic multi-step staining and painting process. We perform annual paint tests to maintain consistent quality. All materials are lead safe.

A pregnant woman in a long, flowing, light-colored dress with a small floral pattern stands to the right of a wooden shelving unit. She is holding her belly with her right hand. The shelving unit has three shelves. The top shelf is empty. The middle shelf holds a white bottle of lotion, a wicker basket, a stack of three round containers, and a black wire basket. The bottom shelf holds a stack of folded white towels. The word "Storage" is written in a white serif font across the middle of the image.

# Storage
