2022-2023 ANNUAL REPORT

Dear Hill-Murray Community,

As we reflect upon the achievements and advancements of the past year, I am humbled to extend my personal, heartfelt gratitude to each member of our Hill-Murray family. This annual report brings to life the stories and memories of unwavering dedication, resilience, and the collective spirit that defines the essence of our community. I am forever grateful to all of you who have supported Hill-Murray in so many ways. Your Pioneer spirit represents a profound dedication to the mission of Catholic education, the same spirit that our Benedictine and Lasallian founders inspired at Hill-Murray decades ago.

This moment marks an exciting time for all Pioneers. Our enrollment is on a steady rise, and our campus is evolving with innovative enhancements. Our faculty and staff benefit from increased opportunities for professional development, enriching the educational experience for our students. More than simply developing skills and knowledge, our teachers' care, support, and commitment inspire young people to grow spiritually and discern their purpose. This is the transformational promise of a Hill-Murray education. I am in an enviable position to hear the gratitude that so many students, alums, and parents express for the gift of a Hill-Murray education. Now it is my turn to thank you. Your investment in Hill-Murray's mission enables young people from more than 50 zip codes to commute to the Hill-Murray campus each morning. We are committed to ensuring every student has access to an outstanding Catholic education at Hill-Murray. Thanks to the generosity of our donors, we can extend scholarships and tuition assistance to a growing number of students, making this gift of a Hill-Murray education accessible to a broader community.

Aligned with the strategic pillars of our Go Boldly plan, we are embarking on our most ambitious comprehensive campaign in Hill-Murray's history— Believe. Belong. Be Bold. This initiative aims to raise \$40 million for crucial areas such as tuition assistance, the annual fund, legacy gifts, and essential capital improvements. With your support, Hill-Murray will reach our goal of being one of the finest independent Catholic schools in the country.

Our vision is focused squarely on what's best for our kids. Believe—our students are empowered to be independent thinkers, lifelong learners, and creative problem solvers who believe in themselves and each other. Belong—we create a learning environment that is loving, supportive and welcoming. Be Bold—our students develop a true north. They find their calling, especially in the context of their faith and values, and have the courage to use their gifts and talents to make the world a better place. As a lifelong educator, this excites me.

Hill-Murray is headed in the right direction, and this annual report celebrates and honors the past year and offers incredible joy for our future. As we take pride in the accomplishments outlined in this report, I express profound gratitude to our devoted faculty, staff, parents, and students for your unwavering support. Together, we continue to shape the future of Hill-Murray, ensuring it remains a beacon of inspiration, growth, and educational excellence.

Warmest regards,

Melissa Dan, Hill-Murray School President

LETTER FROM THE FOUNDATION BOARD

Dear Hill-Murray Community,

It is my distinct honor to serve as Chair of the Hill-Murray Foundation. This group is full of diverse talent and special individuals that truly share a passion for Hill-Murray. My wife Amber and I currently have two children at the school (Adelyn in 12th grade and Leyton in 9th grade) and two future Pioneers on the horizon. Amber and I are so thankful to have our children at a school where they can explore their faith, and are surrounded by incredible teachers, administrators, and coaches.

Before we look to our future, I would like to take a moment to look back at the leaders that came before me at the Foundation. Chuck Runyon, Ann Heller, and Carl Casale concluded their six year terms as members of the Foundation Board in June of 2023. I am so grateful for the passion, skill, and leadership these three members provided. I also want to recognize the incredible work of Dave Faust '86 who was Chair of the Foundation Board for the past two years. Dave led us through a period of exponential growth. His love for Hill-Murray as an alumnus, Foundation Board Chair, Past Fathers Club Chair, and current parent will have a lasting impact on the Hill-Murray community.

I am confident you will enjoy this year's annual report. It is a pleasure to communicate all of the energy and success of the past year. The Hill-Murray Foundation and School are thriving. I am excited for you to read about the incredible momentum at Hill-Murray: the work of the Fathers Club with the opening of the Foxhole Bingo Lounge; how Jim and MaryEllen Weber are making an impact at their alma mater; how investments in The Nicholas Center staff are helping students unlock their potential; the power of Steve and Karen Frickey's legacy; and how your participation in the Pioneer Premier Auction is translating into continued growth in the school's enrollment.

Finally, as we look to our future, we step out and GO BOLDLY forward! It is my honor to partner with Hill-Murray President Melissa Dan, my fellow Foundation Board members, the Board of Trustees, and our Alumni Association Board to announce the \$40 million *Believe. Belong. Be Bold: A Comprehensive Campaign for Hill-Murray.* This is truly a special time in the history of Hill-Murray and I am proud to do my part to help lead this incredible institution into the future.

Capital Improvements

The biggest and boldest fundraising effort in the history of Hill-Murray.

With your support, Hill-Murray will advance our journey as the preeminent destination for students and faculty in the Twin Cities. Together, we will fulfill the goals set forth in the *Go Boldly: The Hill-Murray Strategic Plan*.

The strategic plan focuses on five strategic pillars that draw on the latest educational research and are grounded in our Benedictine and Lasallian Catholic traditions. Our goal is ambitious: Hill-Murray will be one of the finest independent Catholic schools in the country.

In this era of unprecedented change, we **MUST** help students acquire new skills, experiences, and perspectives. Join us as we **Go Boldly** into the future.

Dear Hill-Murray Community,

As I reflect on my role as the Board of Trustees Chair, I am proud to be a part of a very special place that is focused on helping our next generation of leaders understand the concepts of empathy, servitude, grace, influence, and love which are at the core of our faith.

I am reminded that we must continue to evolve if we are to continue the work we are doing in an ever-changing world. For this reason, the school has embarked on a strategic plan, Go Boldly, focused on five strategic pillars that define our collective vision for the future of Hill-Murray School.

TRANSFORMATIONAL LEARNING

Hill-Murray is staying firm in our core values and identity rooted in our faith. This focus is evident in Hill-Murray being awarded the Lumen Accreditation from The Catholic University of America in Washington, D.C. in April 2023. Hill-Murray was one of seven Catholic schools in the Archdiocese of Saint Paul and Minneapolis - and the sole high school - to participate in the accreditation process to date. This is a shining light for all associated with Hill-Murray that we will always stay true to our core values as we continue to evolve.

COLLABORATIVE LEADERSHIP

One of the keys to any successful organization is having a talented team who is engaged towards a common purpose, energized to take on problems, and focused on collaborating, led by great leadership focused on empowering their team to deliver their best work. To the Hill-Murray community, please know this description illustrates our faculty and staff.

PROFESSIONAL EXCELLENCE

Talent is key to any successful organization; Hill-Murray is no different. Our leadership team is focused on attracting, developing, and retaining the very best teachers, faculty, and staff. An example of this is illustrated in the Annual Report, where you will read about our unparalleled staff of The Nicholas Center and the impact these individuals have not only on the students of Hill-Murray, but the greater East Metro community. Our faculty and staff are a world-class team.

INNOVATIVE CAMPUS

We know that our facilities and campus are key to support and enrich the student experience and ensure our facilities have the flexibility to meet the needs of our current and future curriculum. Ten years ago, Hill-Murray leadership made a commitment to update existing spaces. This past summer, that commitment was completed with final renovations of science classrooms. Our mission is to strategically invest within our school to provide the most comprehensive, impactful, and faith-focused education.

ADVANCING OUR JOURNEY

Hill-Murray is leading the way in preparing young people to lead in an ever-changing world. This encapsulates our community's collective commitment to invest and partner with our school to ensure it continues to be the best it can be for our students and future leaders. We are embarking on a comprehensive campaign to ensure the long-term future of Hill-Murray School. Your support, investment, and partnership in this campaign will be key and we THANK YOU in advance for all you will do!

The success of our journey is a testament to the collaborative spirit that defines our community.

The Nicholas Center: Nurturing Literacy Skills and Community Partnerships

Since its inception in 2012, The Nicholas Center at Hill-Murray has been a stronghold of support, creating transformative opportunities for students with learning differences and their families.

The Nicholas Center has a mission to empower neurodiverse student to use their God-given strengths to reach their fullest potential and become influential leaders shaping a positive world.

This mission has attracted Sara Johnson, Director of Literacy, and 19 exceptional teachers and tutors committed to the success of the students accessing The Nicholas Center.

These passionate educators use the Orton-Gillingham method, a science-based reading method known for its explicit, structured, systematic, and highly effective approach. Through The Nicholas Center at Hill-Murray, Sara and her team provide students with the tools and space to cultivate long-lasting literacy skills.

In partnership with Youth Advantage of Stillwater, The Nicholas Center hosts a 6-week summer reading program. Tailored for struggling readers entering 1st-6th grades, this program uses evidence-based reading approaches, grounded in the Science of Reading, to enhance crucial literacy skills such as phonemic and phonological awareness, vocabulary development, and reading comprehension. The success of the Summer Reading Program is evident in its growth, with approximately 75 students in 2023, and projections reaching 120 students in 2024.

”

Central to the program's success is the generous support from the Sauer Family Foundation. Emma Mogendorff, Program Officer at the Sauer Family Foundation, states, “Every student deserves an opportunity to access science-based reading instruction and interventions. The Sauer Family Foundation is proud to support The Nicholas Center team as they develop community partnerships.”

Hill-Murray School and The Nicholas Center stand as beacons of hope, not only for the students within their walls but also for the broader community. Through impactful initiatives like the Summer Reading Program, they illuminate pathways to success and embody a commitment to empowering the future leaders of our world.

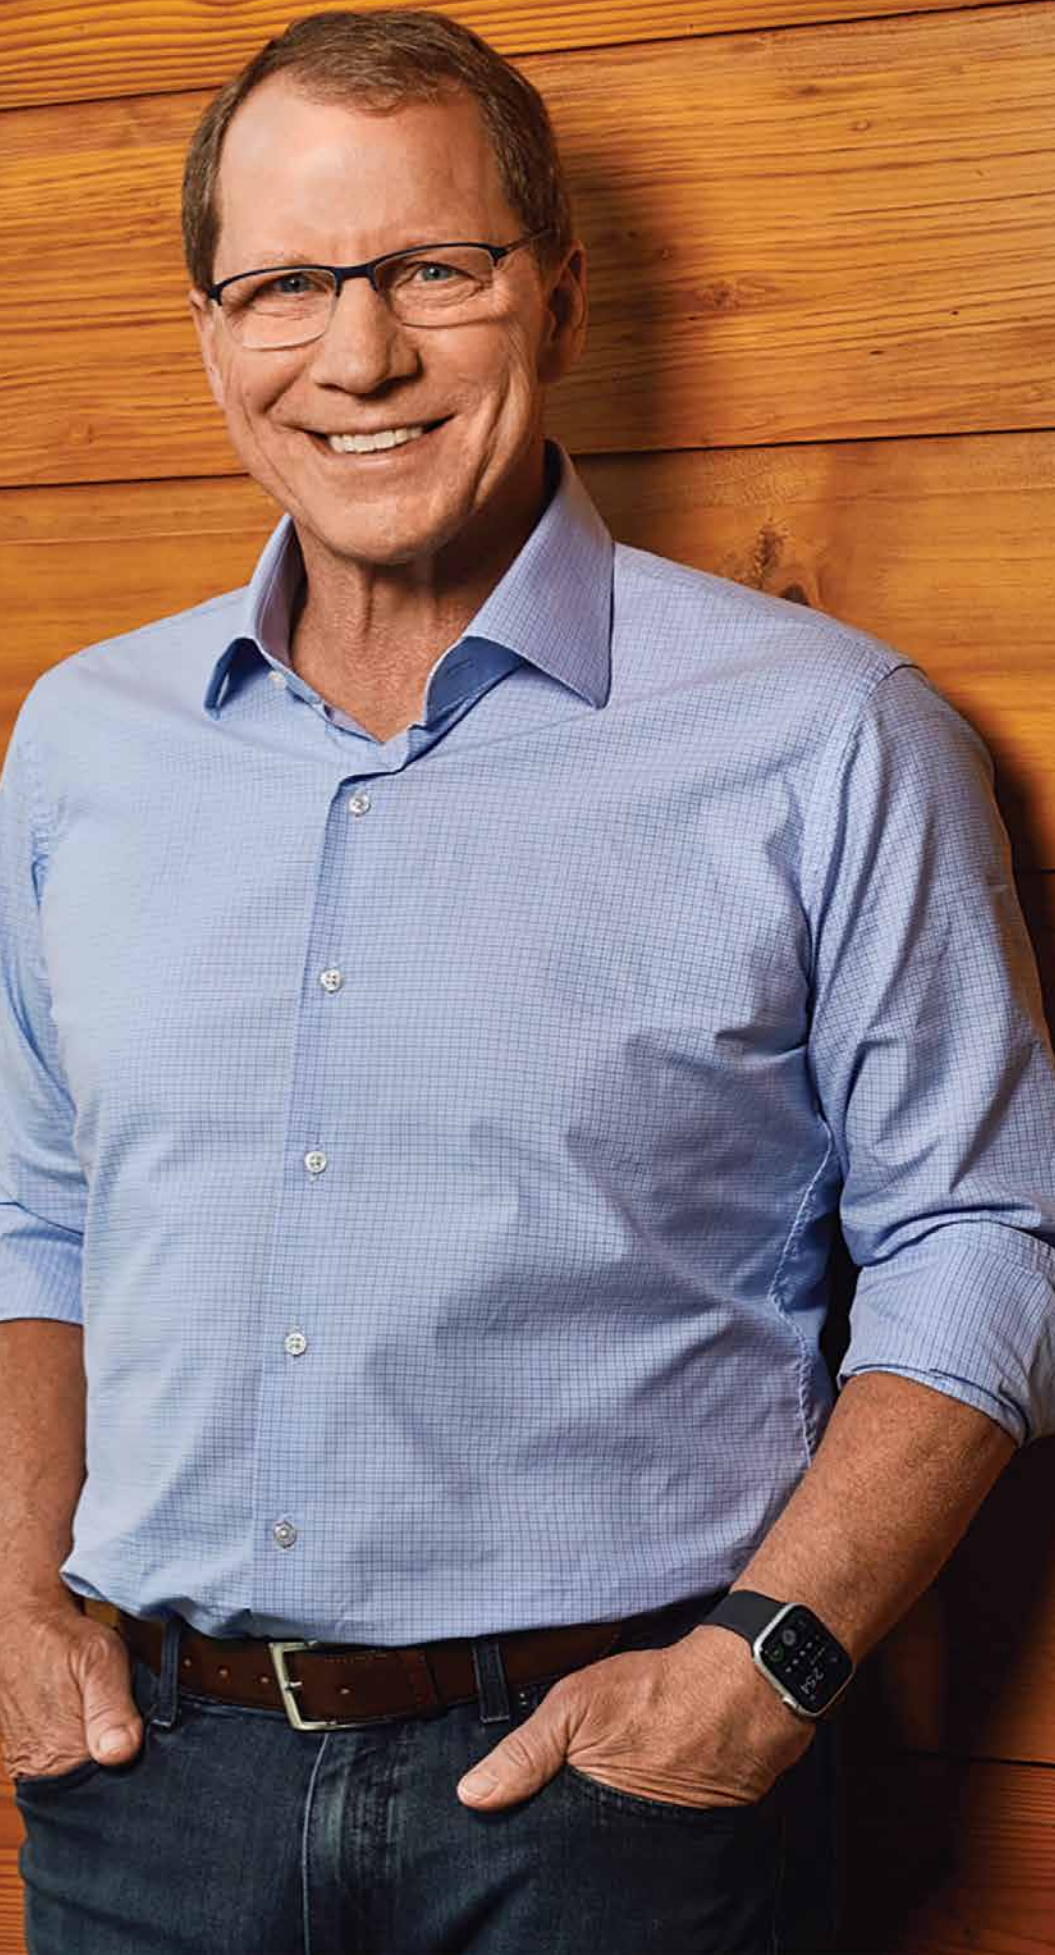

Cultivating Tomorrow's Innovators: Weber Scholarship

MARYELLEN (DUFRESNE) WEBER AND JIM WEBER MET AT HILL-MURRAY AND GRADUATED TOGETHER IN 1978.

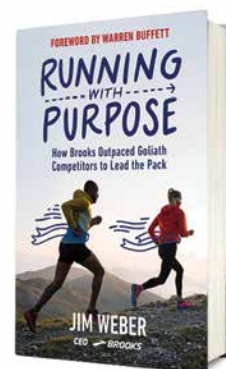

During her time at Hill-Murray School, MaryEllen was a member of the National Honor Society. She credits her participation in extracurricular activities with helping to develop confidence, a love of learning, and life-long friendships. Jim self-financed his Hill-Murray education and took advantage of many opportunities, including sports, student council, theater, newspaper, and more. He credits Hill-Murray as a springboard for leadership throughout his impressive career.

Jim's remarkable career journey exemplifies unparalleled versatility and unyielding perseverance. His extensive leadership experience spans across a multitude of brands and industries, including Sims Sports, O'Brien International, The Coleman Company, The Pillsbury Company, U.S. Bancorp Piper Jaffray Seattle Investment Banking, and Northwest Bank Minneapolis (now Wells Fargo).

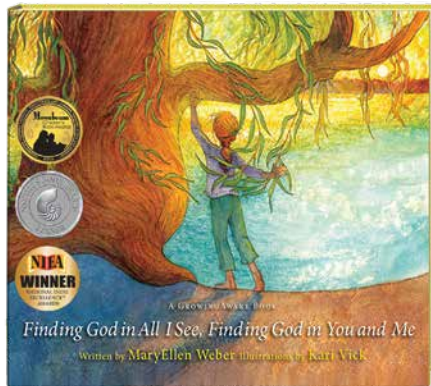

In 2001, Jim joined Brooks Running as CEO and is credited for the company's aggressive turnaround story. Under his stewardship, Brooks evolved from being dead last in the athletic footwear industry to becoming a pioneering frontrunner in the category. The business caught the attention of Warren Buffett, who declared Brooks a standalone subsidiary company of Berkshire Hathaway Inc. in 2012. Jim's leadership propelled Brooks into a league of its own, changing the landscape of athletic footwear.

—continued on next page

Despite living in the Pacific Northwest, MaryEllen and Jim have found ways to stay connected to the Hill-Murray community. In 2022, Jim was a speaker at the 2022 Entrepreneurs Forum at Hill-Murray. At the event, Jim spoke about his 20+ years as the CEO of Brooks and the many leadership lessons he has learned throughout his life and career.

MaryEllen's journey has been illuminated by a deep-rooted commitment to introspection and exploration of faith. She is a passionate spiritual teacher and mentor, experienced in guiding others to the inner work of transformation through spiritual growth groups, workshops, retreats, and individual spiritual direction. With her children's book, "Finding God in All I See, Finding God in You and Me," MaryEllen Weber continues to touch hearts, offering a timeless message of hope, love, and the divine presence that resides within us and the world around us.

WEBER SCHOLARSHIP

In 2022, their visit to Hill-Murray inspired them to give back by establishing the MaryEllen (DuFresne) and Jim Weber Scholarship. The Weber's goal is to support the school's mission to empower students during their high school journey by leading with their heads and hearts to make a positive difference in the world. Their endowed scholarship helps four students per year afford a Hill-Murray education.

GRAND OPENING

FOXHOLE
BINGO

HILL - MURRAY
Fathers Club

On September 16, 2023, the Hill-Murray Fathers Club opened the Foxhole Bingo Lounge below the Crooked Pint in Maplewood.

The Foxhole Bingo Lounge's goal is to raise \$500,000 annually to support the Hill-Murray Foundation's efforts to improve the school, campus, buildings, and grounds as well as provide scholarships to ensure a Hill-Murray education is accessible to all families. Hill-Murray Foundation Board Members, Mark Lambert and Chuck Runyon said, "In an effort to minimize tuition increases for families, the opening of the Foxhole Bingo Lounge provides a path for alternative sources of revenue."

The Foxhole Bingo Lounge will also support other Catholic schools and charities in the East Metro. In partnership with the Pioneer Foundation for the Performing Arts, volunteers can work at the lounge and provide grants to organizations of their choosing. The Foxhole Bingo Lounge anticipates donating an additional \$500,000 to Catholic schools and charities in the East Metro.

Hill-Murray Legend

Leaves a Lasting Legacy

Terry Skrypek, Steve Frickey, Barry Persby '71

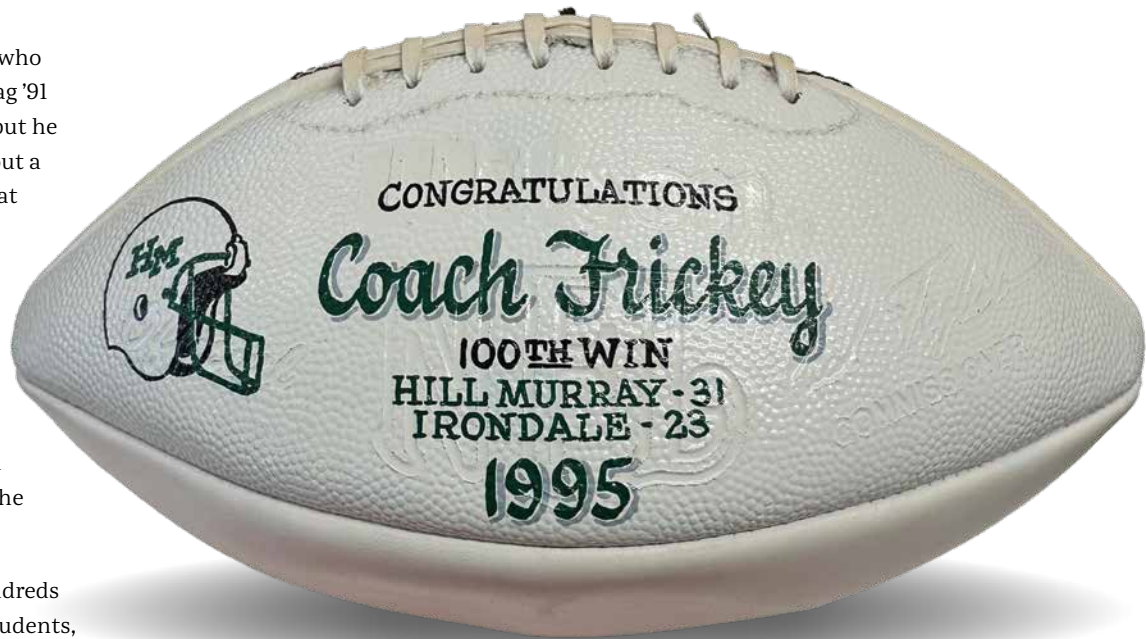

STEVE & KAREN FRICKEY were formidable figures within the Hill-Murray community. For more than three decades, Steve taught science and physical education and coached football, track, and basketball. Karen was an educator in her own right, teaching kindergarten for 39 years in Oakdale. Their lifelong commitment to education lives on as their estate bequeaths one of the most substantial gifts in the history of the Hill-Murray Foundation—an enduring tribute to their passion for learning and the future of the school.

COACH FRICK

Steve, or Coach Frick as he was affectionately known, was a man who commanded respect. Mike Sonntag '91 said, "[Coach Frickey] was tough, but he was fair. If he was quick to point out a mistake, he was even quicker to pat you on the back for success."

Coach Frickey had many highlights during his tenure at Hill-Murray: state tournament appearances, conference titles, section titles, celebrating his 100th win as Head Football Coach in 1995, and being inducted into the Hill-Murray Hall of Fame in 2012.

Over the years, Steve coached hundreds of athletes, taught hundreds of students, and mentored many teachers and coaches. Fellow Hall of Fame inductee and former Head Football Coach Vince Conway '71 states, "Even though I only played one year of high school football, he gave me a chance to coach a game I loved and I will always be grateful to him for giving me that opportunity. I gained valuable experience during those years and I never would have been able to become Hill-Murray's Head [Football] Coach if it wasn't for Coach Frickey."

“

They were not concerned about money or glory but with helping educate the young people for the future.

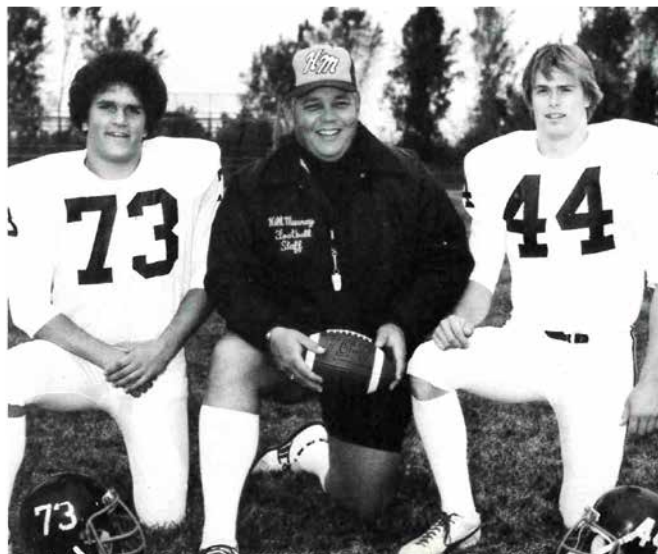

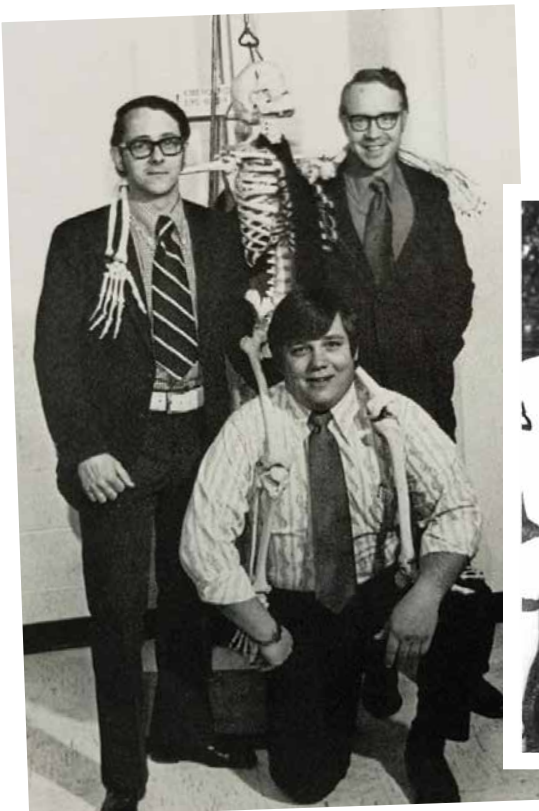

BARRY PERSBY '71, former player & assistant coach to Frickey

”

Former players continue to use life lessons that came from Coach Frickey. Mike Nicklawkske '84 says, "I learned that success on the field required sustained commitment over an extended period of

time. Waiting to start preparing for a football season until the first day of practice would result in under-achievement. A lesson easily applied to all phases of life.

BEYOND THE FIELD

Steve and Karen's impact on the Hill-Murray Community goes beyond the numbers of wins and titles. They loved Hill-Murray. When talking to past players, Karen's kindness and caring nature could not be overstated. She had a sign she hung that said "we interrupt this marriage for football season" highlighting her shared

passion for the game and the players. Both Karen's and Steve's genuine interest in the lives of players went beyond the field, creating a bond that endured long after the Frickeys' time at Hill-Murray. Mike Nicklawske said about visiting the Frickeys, "Steve would insist we stay for food and a football game. Karen always made us feel like we were her very own sons. She was always keenly interested in

our studies, our families, and our careers. And when we left, she always made us promise we would come back again next year."

ENDURING GENEROSITY

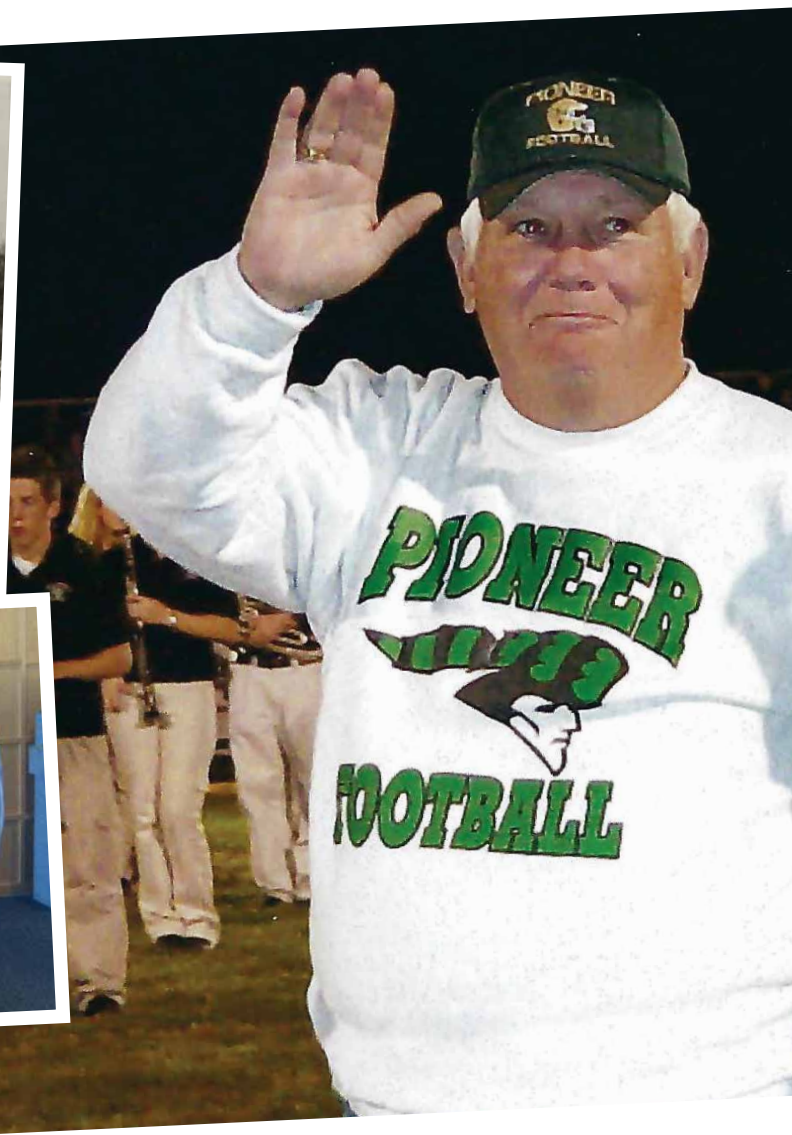

Through their estate, Steve and Karen Frickey have left one of the largest gifts to Hill-Murray in the history of the Foundation. The Steve and Karen Frickey Scholarship Fund will ensure access to Hill-Murray for future Pioneers from the East Side of Saint Paul. "They touched so many lives in the classroom and on the field, and with this gift, they will continue to touch lives for years to come," said Katie Regan Nath '85, one of Coach Frickey's former track athletes. It is incredible how the Frickeys, who spent their life devoted to education, chose to leave a legacy gift that truly demonstrates how much Hill-Murray and its educational mission meant to them.

“

They touched so many lives in the classroom and on the field, and with this gift, they will continue to touch lives for years to come.

KATIE REGAN NATH '85, former track athlete

A School Where Masterpieces Are Created

Pioneer Premier Auction

The 2023 Pioneer Premier Auction, held at Hill-Murray on Saturday, April 29, was an impactful night for our students and the Hill-Murray community, who generously helped raise \$1.2 million!

The program video at the event featured alumni Caitlin Cheeseboro, Hill-Murray Class of 2014. Caitlin shared her experience of receiving a life-changing email from Hill-Murray admissions with the question: Are you interested in attending Hill-Murray? The opportunity to be a Pioneer allowed Caitlin to flourish and set her on the path to being a student-athlete in college, a teacher in Los Angeles, and a student at Harvard Law School.

Caitlin said her wish is for everyone to have the choice, support, resources, and community to get where they want to be; Hill-Murray did that for her. The generous donors at the Pioneer Premier Auction make that possible for other students like Caitlin. Student enrollment at Hill-Murray is over 1,000 students for the first time in over 10 years due to the success of the Pioneer Premier Auction and the generosity of the Friends of Hill-Murray.

During the program, President Melissa Dan presented the 2023 President's Award to Mark and Irene Lambert, who have used their leadership skills to impact Hill-Murray School. Irene served as Chair of the Pioneer Premier Auction for two years and led the first event that raised more than \$1,000,000. Mark has served in leadership roles at Hill-Murray for the past 10 years. As the Hill-Murray Fathers Club President, Mark grew the annual contributions to the Hill-Murray Foundation from \$100,000 to \$400,000 through charitable gambling proceeds. Mark continues to make an impact as a member of the Hill-Murray Foundation Board. In this role, Mark has led initiatives to increase alternative revenue sources outside of tuition increases, resulting in the opening of the Foxhole Bingo Lounge in 2023.

\$1.2 million raised!

Thank You Pioneers!

Thank you to Molly Lawrence Schaffer '91 for her leadership as Chair and Co-Chair of the Pioneer Premier Auction for the past three years! We are also grateful for Meghan Simmet Hermes '09 and the many dedicated members of the Pioneer Premier Auction Committee who worked tirelessly to make the 2023 Auction a success!

THANK YOU GENEROUS DONORS

Hill-Murray is blessed with the financial support of so many. Because of this generosity, a strong tradition of excellence continues in the classroom and in our community. The following donor list covers fiscal year July 1, 2022–June 30, 2023.

Ways to Give

Your gift to Hill-Murray changes students' lives. It's never been easier to support today's Pioneers. Gifts can be made in a variety of ways:

- **Give online** at www.hill-murray.org/donate.
- **One-time or recurring gifts** made via cash, check, credit card, or Electronic Fund Transfer.
- **Stocks** or other appreciated securities, please contact: **Jackie Glentz '11, Annual Giving Manager,** jglentz@hill-murray.org or 651-748-2226 for a stock transfer form.
- **Gifts-in-kind:** Consider contributing to Hill-Murray with non-financial resources.
- **Planned Giving:** A perfect way to ensure long-term financial security for you and your family and at the same time support Hill-Murray students through the use of your financial assets. For more detailed information about how you can make your estate work for both purposes, please contact: **Katie McNulty, Director of Advancement:** kmcnulty@hill-murray.org or 651-748-2219.
