Newsletter - Issue 2
2024 - 2025

PRINCIPAL'S MESSAGE

Dear Students, Parents, and Well-Wishers,

It is with great joy and pride that I present to you the second edition of our school newsletter, Vistas. We believe that holistic development is the key to nurturing well-rounded individuals. Learning through activities plays a pivotal role in this journey.

Whether it is organizing inter-school fests, participating in cultural and literary events, engaging in sports, or exploring the wonders of science, each initiative is designed to spark curiosity, foster creativity, and develop essential life skills.

These experiences instil in our students the values of teamwork, empathy, perseverance, and integrity—values that are integral to their personal and academic growth. Additionally, such opportunities empower students to develop competencies and confidence, preparing them for a future filled with possibilities.

As you browse through this newsletter, I invite you to celebrate the achievements, efforts, and enthusiasm of our young learners. Let us continue to support and encourage them in their quest for excellence and their journey of lifelong learning. We appreciate your continued support and partnership. Together, let us nurture dreams and build a brighter tomorrow.

**-Anita Vinodkumar

PLAY GROUP

Bridging generations with festivals.

**NHVP
VISTAS**

WHERE EVERY VIEW MATTERS

Janmashtami

The children of playgroup III put up a show for their **grandparents**.

Sections A and B enacted a skit depicting the birth of Krishna, and a few stories related to Krishna. It was a spellbinding performance.

Onam

The children brought flowers to make flower carpets to welcome good luck and prosperity and celebrated "onam".

GANESH CHATHURTHI

Sections C and D of PG III put up a skit on “Vighnaharta” Lord Ganesh.

The pomp and grandeur of the festivities came alive on the stage.

The grandparents appreciated the efforts put in by the children and teachers. They also stepped up to participate and sang a few bhajans for the children. Prasad was distributed for all.

The children are encouraged to embrace eco-friendly practices through a hands-on activity of making clay Ganesh idols guided by their teachers. They proudly took their handmade idols home to perform pooja with their families

The Playgroup I and toddler group made an idol for the class and took part in the immersion ceremony in school.

INDEPENDENCE DAY CELEBRATIONS!

**NHVPS
VISTAS**
WHERE EVERY BLOSSOM GROWS

LITTLE STEPS TOWARDS PATRIOTISM

The playgroup celebrated independence day with great enthusiasm and joy.

SHOW AND TELL

The parents were called for a mid-year review meeting. They attended the "show and tell" activity where the children had the opportunity to showcase what they had learnt so far. Rhyme time highlighted their growing language skills and confidence.

The Montessori method emphasized self-expression and hands-on learning

The teachers had set up a vibrant "gombe" (traditional doll display) as part of dassara festivities.

**NHVPS
VISTAS**

WHERE EVERY VIEW MATTERS

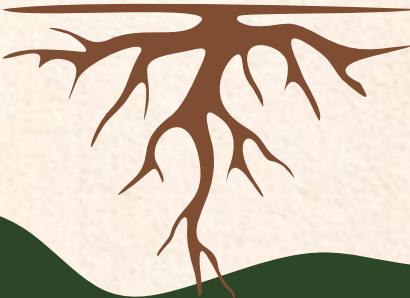

**Time to reap what
you sow!**

The children were eagerly waiting to harvest the Methi crop. As the flower appeared on one of the plants, it was harvesting time.

The crop was harvested, the leaves separated from the stalk, cleaned, chopped and mixed with wheat flour to make a dough which the children rolled into small rotis. These were then cooked on the griddle to get hot yummy parathas!

As sharing is caring the playgroup III shared it with playgroup I.

CLASS I

Busy hands, bright minds!

Using clay and creating a colourful plant enriches their fine motor skill ,creativity and associating with the nature observed by the students. Labelling the parts of the plant, using appropriate colours for each part exudes their love and care for nature in their environment.

Art develops and enhances an awareness and understanding of the visual world. The art works created by the little ones reflect their ability in identifying a variety of shapes and colours.

Hands-on activity using manipulatives.

The activity aimed to help students understand the concept of place value in an experiential and interactive way by using manipulatives.

Playful and educational craft that add an element of fun to their learning.

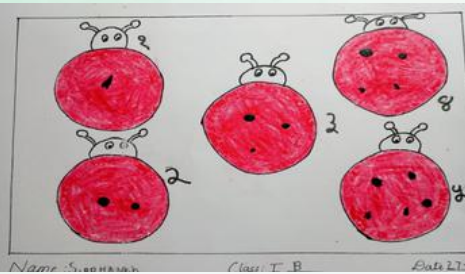

Ladybug's dotting fun!!

Count and create with ladybug! Make Black dots on the ladybugs to practice Hindi numbers from 1 to 5.

Children learnt numbers in Hindi by making black dots on the ladybugs.

UPCOMING EVENTS

Observation of five senses

Recording the students' observation using the 5 senses-- see, hear, taste, smell and feel- in pictorial form in a flip book.

EAGER LEARNERS FROM CLASS II

**NHPVPS
VISTAS**
WHERE EVERY VIEW MATTERS

Houses of Value

Students were made into groups of four. In turns each one of them rolls the 3 dice

(white, green and blue colours, which denote the place value of hundreds, tens and ones respectively). The 3-digit number formed is the House door number. They note it on the space provided for it on the house picture on the activity sheet. Then they apply their skill on expanded form of numbers and make the house colourful. It is teamwork that enriches the value of 'waiting for their turn.'

The students drew the image of Sun and decorated it by colouring and with rolling paper balls. They were enthusiastic about the activity and completed it with Joy. They wrote words related to ऋ ki matra

HEALTHY BITES HAPPY LIVES

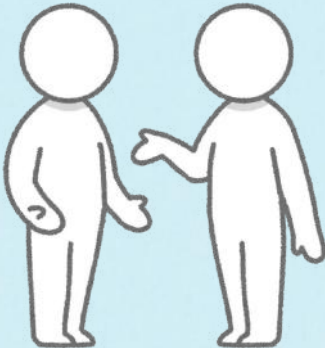

"Food on My Plate"

In an exciting and nutritive activity, The students explored healthy eating through their "Food on My Plate" art sheet activity. The students thoughtfully illustrated the food that helps them grow strong and stay healthy. The activity not only sparked creativity but also encouraged students to think about balanced meals and healthy eating habits. The colourful plates now decorate our classroom walls, reminding everyone of the joy in eating healthy!

THE ART OF CONFLICT RESOLUTION

The students recently took on the role of problem-solvers in a group activity designed to teach conflict resolution. Given a variety of real-life situations, such as disagreements over toys or waiting for a turn, the students didn't just participate—they took charge by analyzing the scenario and develop good interpersonal skills.

**NHVPS
VISTAS**

WHERE EVERY VIEW MATTERS

WHAT'S THE BUZZ IN CLASS III?

Diverse Beliefs, United Hearts

This activity focused on instilling values of empathy, tolerance, co-operation and respect for India's rich cultural and religious diversity. The students were given the task of putting up a thematic board that showcased these values, reflecting their understanding of how diverse beliefs can unite hearts.

The students participated in an enquiry based interview where they interviewed

characters from *The Jungle Book*. They asked thoughtful questions and received imaginative answers, deepening their understanding of the story.

The activity sparked creativity and critical thinking, making it both fun and educational for the students.

CONNECTING WITH NATURE

On 4th September, The students embarked on a nature walk as part of their Environmental Studies (EVS) curriculum. The children were guided through the school campus, which features a variety of orchards and other plant life. Prior to the walk, children enjoyed a nutritious snack of sprouts, vegetable and fruit salads. They learnt to explore the different trees around the campus.

The activity successfully achieved its goals of promoting environmental awareness among children parts of a plant, healthy eating habits and enhancing environmental awareness among the children.

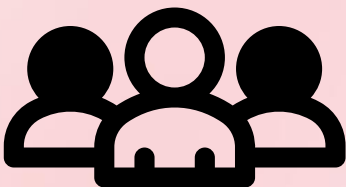

A TAPESTRY OF CULTURES

NHVP
VISTAS

WHERE EVERY VIEW MATTERS

The students came together to present a vibrant and heartwarming stage show that celebrated diversity and unity. Titled "Celebrating Diversity and Unity Through the Eyes of Our Young Minds," this performance beautifully highlighted the significance of respecting all religions and cultures. Through engaging performances, the students showcased their understanding of how different faiths contribute to the harmony and well-being of society.

A BOX OF MEMORIES

**NHPS
VISTAS**
WHERE EVERY VIEW MATTERS

As part of their holiday homework, The students were given a task of creating a 'Story in a Box,' an activity aimed at nurturing their creativity and to develop their storytelling abilities. Students enthusiastically presented their projects in class.

Each student was given the freedom to choose a story of their preference and bring it to life inside a small box. The box was decorated with elements representing key scenes, characters, or important themes from their chosen stories. Some used toys, handmade figures, drawings, and natural materials to illustrate their ideas. This activity not only encouraged children to think outside the box but also helped them build confidence in presenting their ideas in front of the class.

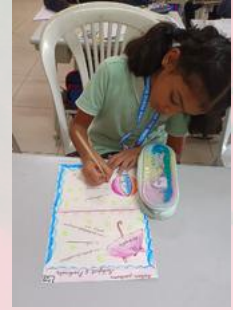

The presentations were a delightful display of imagination and storytelling.

CURIOUS MINDS OF CLASS IV

SENTENCE CRAFTING WITH SUBJECTS AND PREDICATES

The students were engaged in a creative exercise to understand the structure of subjects and predicate. They drew pictures with the subject in the centre and illustrated with predicates around it. This helped them to visually grasp how subjects and predicates connect in sentences. The activity was enjoyable and effectively reinforced their understanding of grammar concepts. The students' drawings reflected their creativity and comprehension, making the learning process both fun and experiential.

FROM PETS TO PREDATORS - THE ANIMAL ALBUM

पालतू और जंगली जानवरों का एलबम

The Students made a small colourful album with names of animals in Hindi and showed their interest and creativity.

Petals and Patterns

Onam was celebrated with great joy by students from Classes 1 to 4 . They also created beautiful flower carpets (Pookalam) using colourful petals with the guidance of their teachers, the students worked together to create flower patterns, focusing on perfect symmetry and exceptional aesthetic appeal. The students of class 3 and 4 performed a traditional **Onam dance (kaikotti kalli)**, bringing festive energy to the celebration.

SALUTING THE SPIRIT OF PATRIOTISM COMPETITIONS GALORE

**NHVPS
VISTAS**

WHERE EVERY VIEW MATTERS

As part of the celebrations for Patriotic Month, A series of engaging competitions were organised for students of the primary level. These activities were designed to foster a sense of national pride, unity, and cultural appreciation among our young learners. The competitions included a fancy dress contest, a dance performance to a patriotic song, and a declamation competition, allowing students to creatively express their love for the country.

LUMINO CITY

WHERE THE LITTLE STARS SHINE THE BRIGHTEST

The interschool fest, **Lumino City**, held on 24 October 2024, was a remarkable event for students from Classes I to V, filled with excitement, learning, and talent showcase. Organized with the aim of fostering collaboration, creativity, and a spirit of healthy competition, the fest brought together schools from across the city to participate in a variety of fun-filled and educational activities.

This Mega event provided students with a unique opportunity to connect, share insights, and create lasting memories together.

The event commenced with a spirited introduction by MC Adith Sagar of Class XII, setting an energetic tone for the day. The trustee secretary Mrs Aishwarya DKS Hegde interacted with the students, emphasizing the significance of growth, resilience, and learning through participation. Judges, including alumni parents and former teachers, brought warmth and encouragement, creating a supportive environment for the young participants.

LUMINO CITY

Each grade level showcased its unique events:

1. **Class 1:** In *Star Dust*, students transformed into fairy tale characters, bringing their favourite stories to life through a fancy dress display. This was followed by a quiz that tested their knowledge of classic tales.
2. **Class 2:** *Collage Cluster* allowed budding artists to create vibrant collages, while *Stellar Bard* enabled young poets to recite original verses, captivating the audience.
3. **Class 3:** *Celestial Dancers* saw students perform delightful dance routines, and *Astral Illustrator* highlighted their drawing and illustration skills.
4. **Class 4:** *JAM Nova*, a pick-and-speak event, tested quick thinking, while *Radiant Marionette*, the puppet show, allowed students to narrate stories through puppetry.
5. **Class 5:** The *Star Wars* debate encouraged lively discussions, while *Dazzling Array* showcased students' creativity and humor in a mad ads activity.

The day concluded with a prize distribution ceremony. The principal and vice principal awarded certificates and trophies, acknowledging each participant's effort and celebrating their achievements. This memorable fest fostered a sense of camaraderie and joy, leaving students and teachers alike with cherished memories and renewed school spirit.

The success of **Lumino City** was a testament to the collective efforts of teachers, students and organizers, making it a truly memorable experience for everyone.

GLIMPSES FROM LUMINO CITY

CLASS V

**NHPS

WHERE EVERY VIEW MATTERS

BEHIND THE MASK- SPEAKING WITH CONFIDENCE

The issue of atrocities committed by humans against animals is a deeply serious problem that has environmental, ethical and social implications. The students of Grade 5 spoke about the same to spread awareness and empathy amongst their peers by wearing masks of various animals they had prepared.

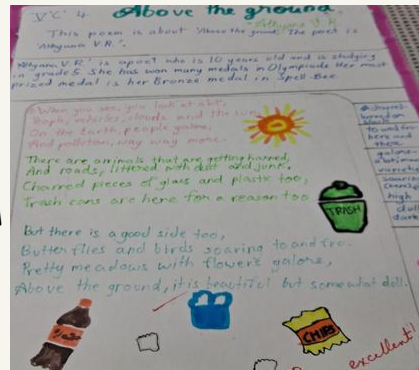

LITERARY- LUMINARIES

**NHPS
VISTAS**

WHERE EVERY VIEW MATTERS

'Above the Ground' poem writing activity: The Students indulged in writing a creative poem of above the ground as a contrast to a poem "underground" that they read in the textbook

THE ART OF PRESENTATION

The Students shared the information about the eco-friendly school 'SECMOL' in Ladakh through PPTs that they had prepared in teams. The Students became aware of the usage of solar energy, pump, cookers, biogas etc., and got to know how Secmol alternative school which is a eco-friendly campus near Leh, has set an example for the whole world to follow eco-friendly ways to lead a simple life.

ROLLING INTO NATURE- THE SEED BALL ADVENTURE

Based on the topic, 'Awareness about our Environment' students were involved in a thoughtful seed ball activity. The students were given red seeds of the Rosary pea and soil mixed with manure. The students each made about five to six balls and placed a seed inside each of them.

They were instructed to plant these seed balls in a suitable place. This nature based activity is each child's effort and a step towards afforestation and making the planet a greener and cleaner place to live in.

CLASS VI

'X' marks the spot - Treasure Map Challenge

The treasure map activity was a fun and engaging way to spark curiosity and problem-solving skills. Here, the students came up with different types of treasure maps with the 'X' marking the spot of the hidden treasure to be discovered.

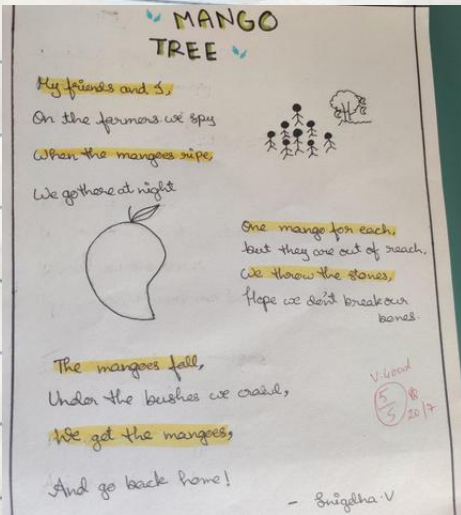

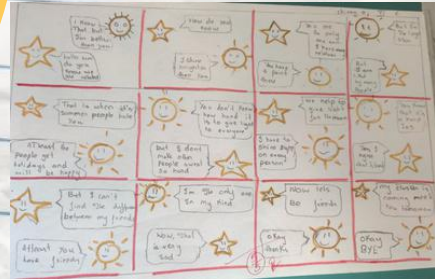

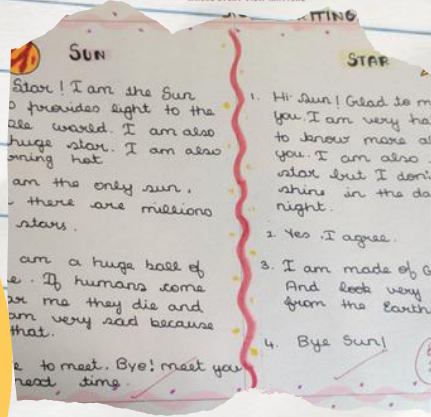

**NHPS
VISTAS**

WHERE EVERY VIEW MATTERS

CRAFTING CONVERSATIONS

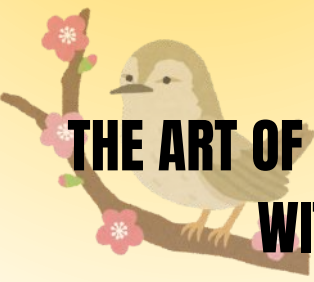

The Students exhibited their creative talent when they scripted a playful dialogue writing activity between the Sun and a Star with a touch of humour. The main focus was to write an interaction between the two as to how they are same yet have different personalities and their unique role in the cosmos.

POETRY POWER

The 'Poem writing on trees' activity aimed to inspire creativity and encourage students to connect with nature. This activity provided a unique opportunity to appreciate the beauty, importance and symbolism of trees in our environment.

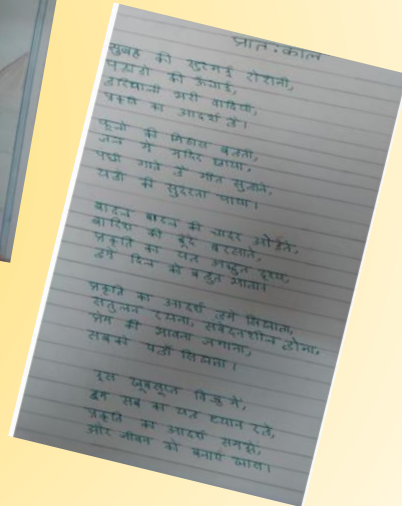

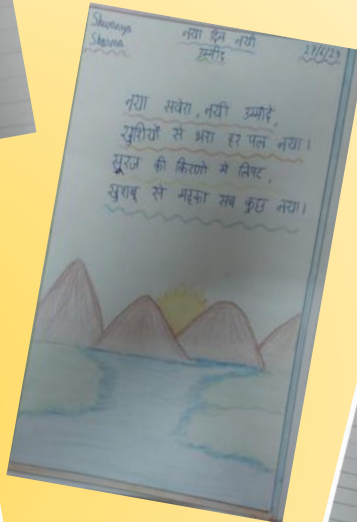

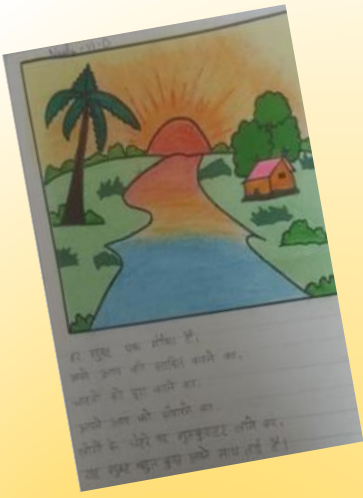

THE ART OF PAINTING PICTURES WITH WORDS

कक्षा ६ (द्वितीय भाषा हिंदी) - विद्यार्थियों ने प्रातः काल के वातावरण पर स्वरचित कविताएँ लिखीं | इससे उनकी रचनात्मकता बढ़ी व भावों को अभिव्यक्त करने की योग्यता का विकास हुआ।

जल बैंक नामक कहानी की विस्तारित शिक्षा (**extended learning**) के रूप में विद्यार्थियों ने यूनियन बैंक का दौरा कर बैंक मैनेजर से बैंकिंग के बारे में जाना।

विद्यार्थियों ने अपने बैंकिंग ज्ञान का प्रदर्शन कक्षा में बैंक का एक दिन नामक प्रस्तुति द्वारा किया जिसमें कुछ विद्यार्थी बैंक कर्मचारी बने और कुछ ग्राहक।

इस अनुभवात्मक शिक्षा से विद्यार्थियों ने जल बचाने के साथ साथ बैंकिंग के बारे में सीखा।

THE SPIRIT OF INDEPENDENCE

कक्षा सात (तृतीय भाषा हिंदी)

विद्यार्थियों ने भारत के स्वतंत्रता सेनानियों के योगदान पर जानकारी प्राप्त की। उनके जीवन से प्रेरणा लेकर देशप्रेम, बलिदान, साहस जैसे गुण विकसित किए।

इांसी रानी ~ लक्ष्मीबाई

लक्ष्मीबाई नेवालकर, झांसी की रानी (जन्म-सगिकर्णिका तांबे; १६ नवंबर १८२८ — १८ जून १८५८), मराठा गंगाधर राव नेवालकर से विवाह के द्वारा १८४३ से १८५७ तक मराठा साम्राज्य में झांसी रियासत की महारानी पत्नी थीं। वे १८५७ के भारतीय विद्रोह में अग्रणी शक्तियती में से एक थीं, जो भारतीय राष्ट्रवादियों के लिए एक राष्ट्रीय मायका और आदर्श में ब्रिटिश शासन के प्रतिरोध का प्रतीक बन गईं। झांसी की रानी का परिचय नारायण भांडारकर द्वारा 'इांसी रानी लक्ष्मीबाई' के नाम से किया गया है। उनके माता-पिता मराठों के थे और भारतीय संप्रदाय के थे।

भगत सिंह

भगत सिंह भारतीय स्वतंत्रता सेनानी ब्रिटिश शासन से भारत को मुक्त करने में पूर्ण योगदान दिया। इनका जन्म २७ सितंबर १९०६ में लुधियाना में हुआ था। छोटी उम्र में ही वे अंग्रेजों के अत्याचारों से प्रेरित हो गए और वे अंग्रेजों के खिलाफ आंदोलन में जुड़ गए। भगत सिंह का जीवन प्रसिद्ध है। भारतीय स्वतंत्रता सेनानियों में वे एक प्रमुख नाम हैं। वे २३ मार्च १९३१ को मार दिये गए थे।

बेगम हजरत महल

बेगम हजरत महल १८०१ में अयोध्या में जन्मी थीं। वे अंग्रेजों के खिलाफ आंदोलन में सक्रिय थीं। १८५७ के विद्रोह में वे अग्रणी भूमिका निभाईं। वे अंग्रेजों के खिलाफ आंदोलन में अग्रणी भूमिका निभाईं। वे अंग्रेजों के खिलाफ आंदोलन में अग्रणी भूमिका निभाईं।

बाग्यलाल बालकृष्ण टैगोर

बाग्यलाल बालकृष्ण टैगोर एक प्रमुख भारतीय स्वतंत्रता सेनानी थे। वे अंग्रेजों के खिलाफ आंदोलन में अग्रणी भूमिका निभाईं। वे अंग्रेजों के खिलाफ आंदोलन में अग्रणी भूमिका निभाईं। वे अंग्रेजों के खिलाफ आंदोलन में अग्रणी भूमिका निभाईं।

SWIFT N' AGILE

The Annual Sports Day for Classes 9 to 12 was a spectacular showcase of athleticism, teamwork and school pride. The event began with the declaration of the meet open after welcoming the chief guest of the day Mr Sachin Belvadi, a former Karnataka Senior State player and presently one of the coaches of the Karnataka State Basketball Team by The Trustee Secretary Ms Aisshwarya DKS Hegde, Principal Ms Anita Vinodkumar, Vice-principal Ms Surekha Rao followed by the lighting of the torch symbolizing the spirit of sportsmanship. The Sports Captain led the oath-taking ceremony, affirming the commitment of all participants to fair play and integrity.

The highlight of the opening ceremony was the march past, where students from each house displayed impeccable coordination and discipline, accompanied by the rhythmic beats of the school band. The energy on the field soared as the track events commenced, featuring sprints, relays, and other competitive races that had the audience cheering with excitement.

The day was elevated by a series of extravagant displays, each more captivating than the last. Display events included, yoga, aerobics, zumba ,pyramid formation and an awe-inspiring karate and kalari payattu. The grand finale was the captivating NHVPS formation, created with glowing bulbs in a darkened field, leaving everyone spellbound. The event concluded with a dazzling fireworks display, lighting up the night sky and marking a perfect end to a day of celebration and achievement.

This year's Annual Sports Day was a true testament to the spirit of excellence and camaraderie, leaving behind cherished memories for the entire NHVPS family.

WHERE EVERY VIEW MATTERS

A DAY OF UNITY, A LEGACY OF FREEDOM

**NHVPS
VISTAS**

WHERE EVERY VIEW MATTERS

The school celebrated Independence Day with great enthusiasm. The event began with the hoisting of the national flag, followed by a powerful rendition of the national anthem. Students presented cultural performances, highlighting India's rich heritage. Speeches by students emphasized the importance of freedom and unity, leaving everyone inspired by the patriotic spirit.

Channelling Awareness: The Effects of Television Revealed

The poem 'Mike Teavee' by Roald Dahl critiques television's deleterious effects of television on children's development, particularly their imagination and intellectual abilities. With reference to the poem and as a part of the English activity, students of class VIII showcased the ill-effects of television in the form of a poster. Students learnt to investigate and gather credible information about the negative impacts of television, developing their ability to discern reliable sources. Students evaluated how television content can influence attitudes, behaviours, and perceptions, fostering critical thinking about media consumption.

CLASS VIII

BEHIND THE LOOM- JOURNEY TO THE SILK BOARD

In celebration of National Handloom Day celebrated on 7th August every year, the students of class 8 were taken on an educational visit to the Central silk board, BTM Layout. The trip helped students gain first'hand experience and knowledge about the art of silk production and the importance of handloom in our cultural heritage.

CHILDREN'S DAY!- **WHERE EVERY SMILE MATTERS**

Children's Day was celebrated with enthusiasm and joy in our school, bringing smiles and laughter to every corner. The day began with a special assembly where teachers took centre stage and captivated the audience with lively dance performances and an entertaining mime act, leaving the students cheering and laughing. The fun continued with engaging activities and games organized for students across all grades. It included pottery, a magic show left them awestruck with its fascinating tricks and outdoor games, which every child found something to enjoy. A special highlight of the day was the delightful treat for each child—a delicious cupcake topped with a cream emoji, adding a sweet and cheerful touch to the festivities. The Children's Day celebration was a perfect blend of fun, creativity, and togetherness, honouring the joy and innocence of childhood while creating memories to cherish forever.

VIGILANCE WEEK

Vigilance Awareness Week was observed from October 28th to November 3rd, 2024, for classes 11 and 12, focusing on the theme "Culture of Integrity for Nation's Prosperity." The initiative aimed to inspire students to embrace the values of integrity and transparency, contributing to the development of a corruption-free and prosperous nation.

CLASS 9

COLOUR, CREATIVITY AND COMMUNICATION

As a part of the English activity, students of class 9 presented brochures of various places that they had visited. By engaging in the BROCHURE- MAKING ACTIVITY, students enhanced their descriptive and organizational skills while fostering cultural awareness. The activity also encouraged personal reflection on their experiences, allowed them to articulate their insights and improved their written and communication skills through sharing and discussing their brochures with peers. Overall, students developed a deeper appreciation for diverse places and cultures while honing essential skills for effective presentation.

FROM INSIGHT TO IMPACT- A SWOT EXPLORATION OF AI

The bright spirited NHVPIANS from the senior secondary section got together for a panel discussion to weigh up the pros and cons of AI. The discussion focused on how AI is reshaping the spectrum of traditional working be it in medicine, marketing, entertainment and academics and how the human potential is getting compromised due to the fast headways AI is making in various fields. Students came up with insightful observations about the technological advances and why it was necessary to come to terms with this personal assistant, eager to take up any job that comes its way. The discussion aimed at providing insightful information about the involvement of AI in human domain and what were the problematic concerns and potential risks that come about with the unchecked use of AI.

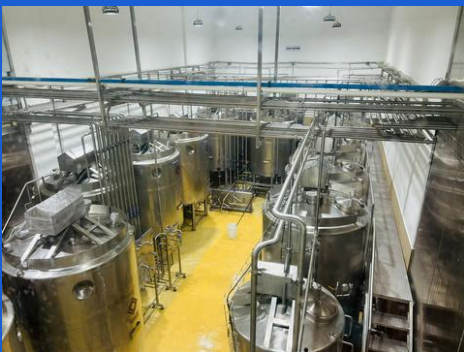

WHERE THEORY MEETS PRACTICE - A HANDS ON FACTORY TOUR

**NHVP
VISTAS**
WHERE EVERY VIEW MATTERS

On 2nd September the commerce stream students of classes 11 and 12 visited the Harohalli unit of Dairy Day Ice Creams. It was organized as a part of their Business Studies and Accountancy project, allowing them to observe and get the experiential learning of the workings of a real business. The opportunity to know how the theories teachers taught in the classroom are applied practically enhanced the students; understanding of business operations. And the chance to see the production, packing and distribution of their favorite ice cream brand added a dollop of delightfulness to the educational trip.

ENIGMA 2024- ENTHRALLING FLOW OF TALENT AND CREATIVITY

**NHVP'S
VISTAS**
WHERE EVERY VIEW IRRADIATES

Enigma 2024 was organized by the 12 standard students for the junior classes in August. It upheld the traditional fervour of the event as it was the most anticipated gala of the school calendar. Countless students patiently waited to showcase their talent to the whole school and took an active part. The theme for the year was *Celestial Magic* and the organizing committee came up with an array of events which offered the participants a chance to tap their unexplored talents. The school campus wore a festive look on the day of the event as multiple contests were being held in various venues- the auditorium reverberated with the strong arguments of the debaters, the podium witnessed mesmerizing moves of the dancers, the open ground saw the young artists reveal their imagination and in the library young writers sat spinning a yarn and those with an eye for the perfect shot roamed around the picturesque campus to get the best entry for the photography contest.

TINKERING LAB: -“We think when we Tink !”

Our school's tinkering lab is a place of joy and learning for our senior school students. They have the freedom to break, make and innovate while opening up non operational / non functioning electric /electronic devices.

This term the 12th standards had fun opening up an old CRT television. They learnt about the source of Cathode rays, the role of an electromagnet around the tube and the circuitry. The quest for unravelling the other components is still on.

A non functional battery eliminator was an interesting dissection for them, as they could look and learn first hand about a transformer and the functioning of a diode as a rectifier. The standard 11 students were quite impressed with the dismantling of an electric kettle and observing its working components.

You know where to come if you want to join the fun. Because ...
PHYSICS is FUN!!

PS: We always welcome donations to the lab, so that many more students can be benefited.

Any kind of electronic/ electric trash at home is a treasure for us.

Bring it in, let's have fun.

CELEBRATING TEACHERS CELEBRATING GROWTH

**NHVP
VISTAS**

WHERE EVERY VIEW MATTERS

Happy Teachers Day! The school campus reverberated with the hearty greetings on 5th September as students right from Playgroup to 12 grade wished their teachers. It was the day when they poured out tribute and gratitude, love and appreciation as they wholeheartedly acknowledged the contribution of teachers in shaping them. The day marked the celebration of the profession honoured as the mother of all professions and students presented a variety programme with the most entertaining and heart touching ideas to express love for their nurturers who make schools a second home for them.

Frontiers 2024: WHERE CURIOSITY MEETS DISCOVERY

INSPIRING YOUNG MINDS

The second edition of Frontiers 2024, a science fair co-organized with NAXXATRA Science and Collaborative Research, was hosted by our school on November 12, 2024. Over 140 students from nine schools participated, showcasing innovative projects addressing global challenges in junior and senior categories.

The event aimed to inspire creativity, foster collaboration, and promote scientific exploration. Students presented research-based solutions on environmental concerns, technology, and societal issues, demonstrating critical thinking and problem-solving skills. Highlights included project presentations, insightful feedback from judges, and awards like the Rohini and Curiosity Awards. Frontiers 2024 celebrated curiosity and innovation, igniting a passion for science and paving the way for future scientific pursuits

Buddy Bench In Action

where every child finds a friend

There can be nothing that can make a school more proud than to see its alumni coming back to the campus and sharing their stories of success and grit with their juniors. Cheshtaa Chitkara and Vishaka Ramamurthy visited the campus as a part of the Buddy Bench programme to interact with students and tell them about their journey which started from the same place. Cheshtaa, who finished Ph. D in Marine Biology from Norway and Vishaka who did her masters in Immunology from Germany spent time with the students from the senior secondary classes and provided them useful information about the procedure for applying for admission in foreign universities, scholarships, programmes and the challenges to be faced. They amicably answered the questions from the students and motivated them to let their dream soar high.

LET'S LEGISLATE YOUTH PARLIAMENT 2024

Let's legislate Young Politician Club of our school organized "Let's Legislate" a youth parliament simulation for students of Grades 9-12. This event was designed to inspire young minds to engage in thoughtful debate and legislate on matters of national importance, simulating the proceedings of the Lok Sabha.
