New Aire Editions

Both CX-30 2.5 S and 2.5 Turbo Aire Edition models are available in stylish exterior colors

Aero Gray, Snowflake White, Ceramic Metallic, Deep Crystal Blue, and Jet Black Mica and feature Black side mirrors and 18-inch alloy wheels with Black Metallic finish.

A Sophisticated Interior

Both CX-30 2.5 S and 2.5 Turbo Aire Edition models also create a serene, interior look with an exclusive white leatherette-trimmed interior, premium materials and supportive seats.

Available CX-30 2.5S Turbo Aire Edition

The CX-30 2.5 Turbo Aire Edition features our SKYACTIV-G® 2.5 Dynamic Pressure Turbo engine and is further accentuated by our Black signature wing and Black roof rails for more cargo capacity.⁵

A SENSE OF CONNECTION

These innovative features enhance your drive and help you stay connected to the world around you while on the road.

AVAILABLE ALEXA BUILT-IN

Connect to your maps, climate control, music and more using your voice so you can focus on the road and what's ahead of you.

MAZDA CONNECTED SERVICES

Remotely start your engine, check status reports and more through the MyMazda App. This service is complimentary for one year.

PRESS PLAY

Delivering pristine audio is central to Mazda's design approach. Starting from the first exploratory phase, the design team works with audio in mind, pursuing dynamic forms that make the vehicle feel alive. See how the Mazda CX-30 is made to deliver powerhouse audio.

AVAILABLE SIRIUSXM

Your Mazda comes with a 3-month SiriusXM® trial subscription in your vehicle and on the SiriusXM® app. Enjoy your favorite entertainment—including ad-free music, plus talk, sports, comedy, news, podcasts, and more. SiriusXM® is the perfect driving companion.

AVAILABLE BOSE® PREMIUM AUDIO

Over the course of our 30-year partnership with Bose®, we've enhanced our ability to conceal noise and to get better response from the speakers.

Standard i-Activ AWD®

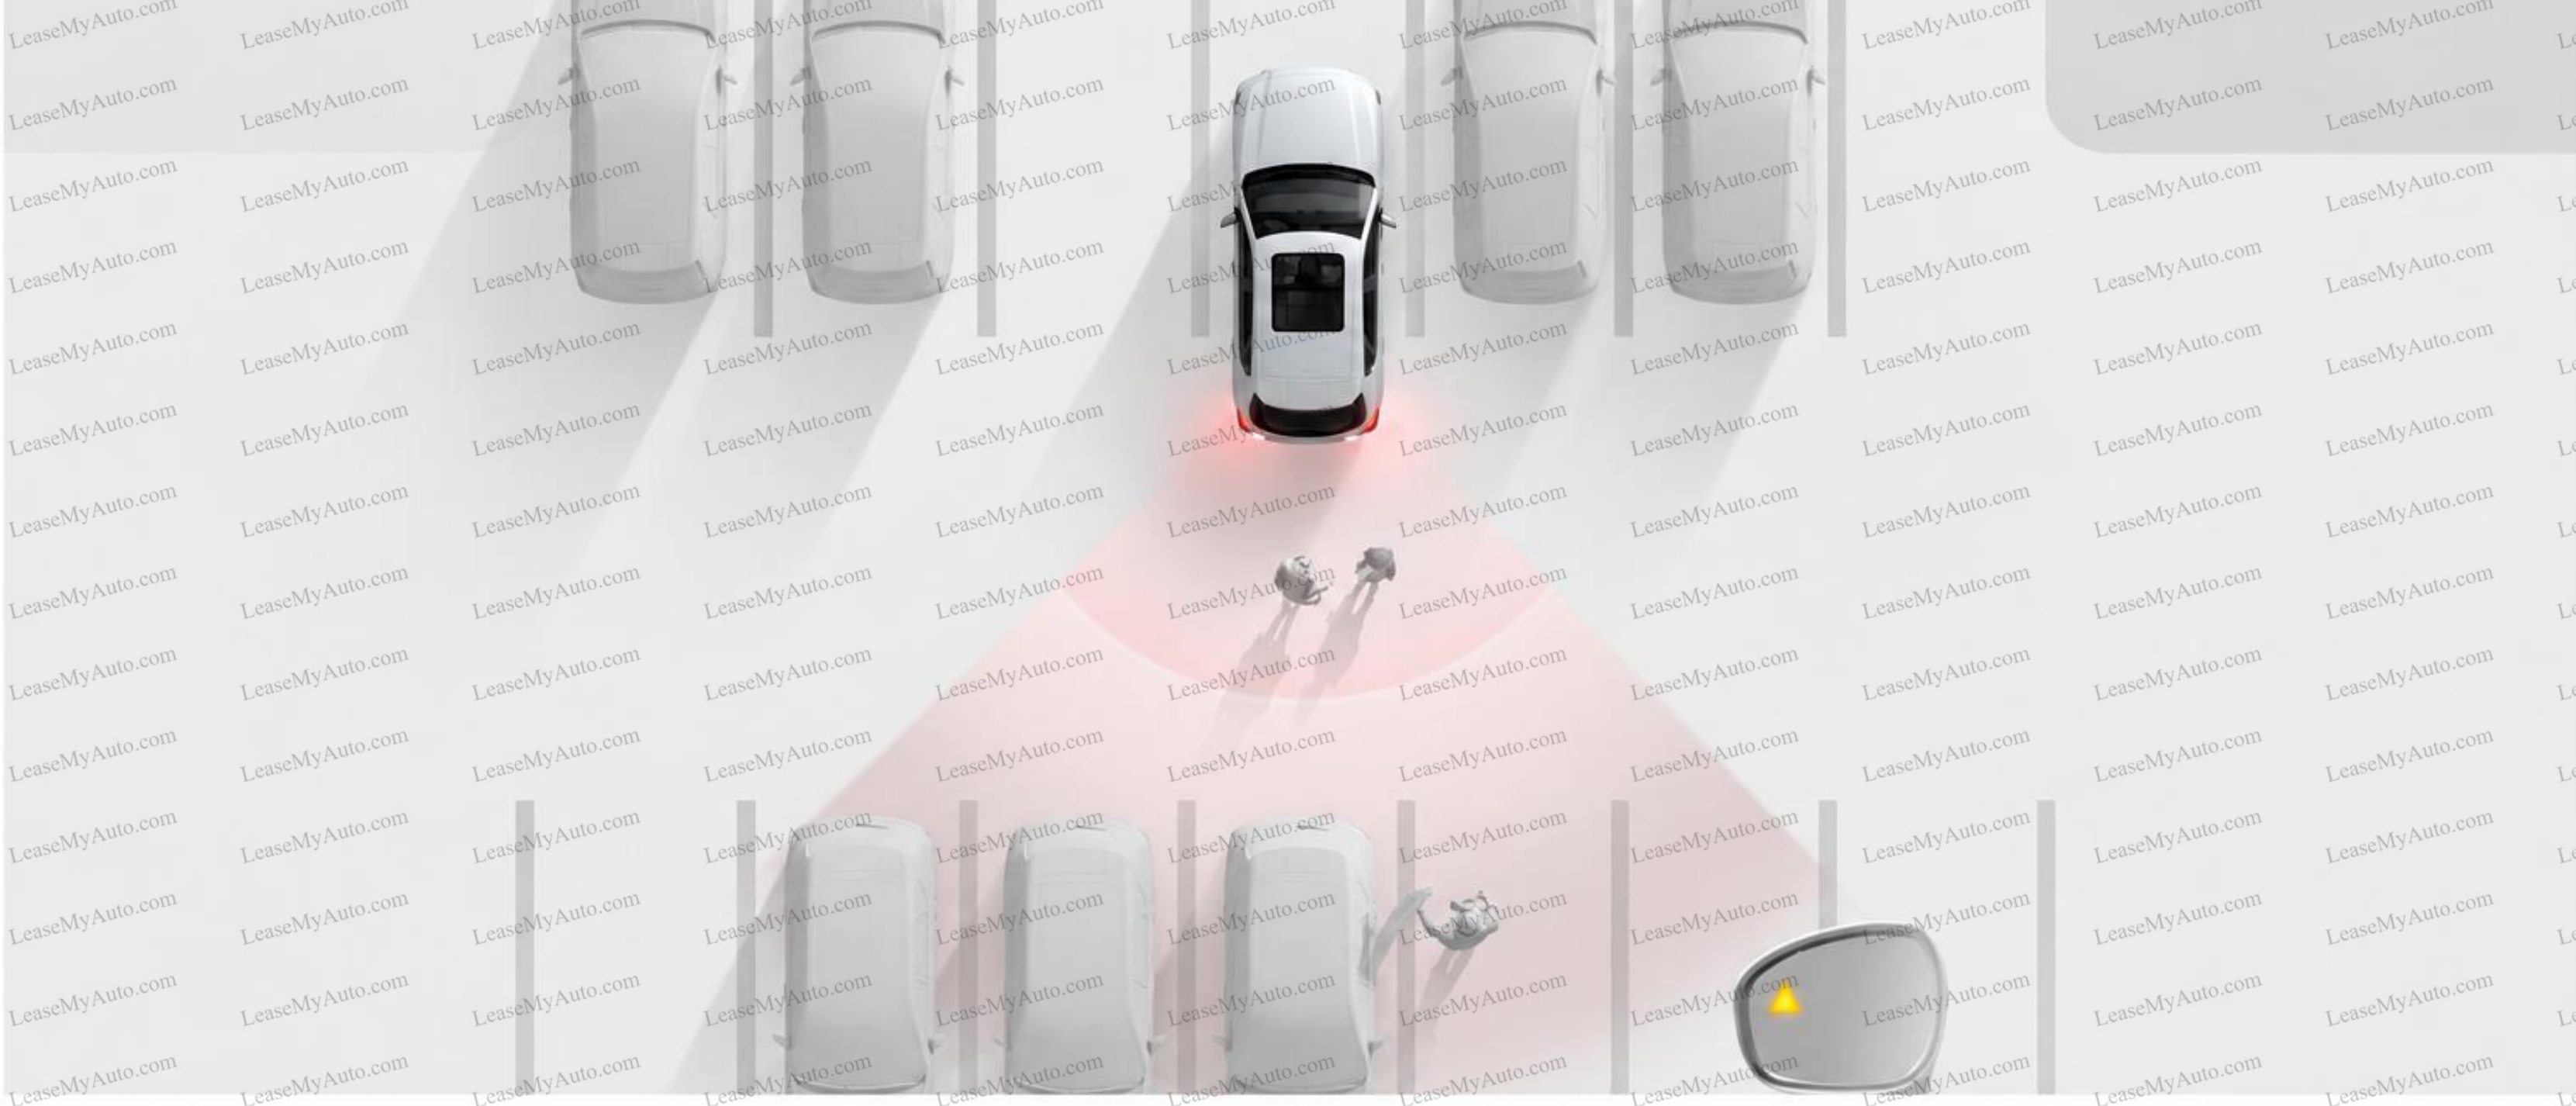

The Mazda CX-30 intuitively responds to changing conditions to deliver power to the right wheels at the right time.

Skyactiv® - G 2.5L Turbo Engine

This available turbo engine offers up to 250 hp and 320 lb.-ft of torque. ⁷

Enhanced Stability

G-Vectoring Control Plus responds to steering inputs with subtle torque and braking adjustments for a smoother drive.

Smart Brake Support – Reverse

This available feature can alert the driver of objects and/or pedestrians in the vehicle's reverse path and activate automatic emergency braking if a potential collision is predicted. ¹⁴

Smart Brake Support – Rear Crossing

When reversing at low speeds, this available feature can provide automatic emergency braking in addition to the audible and visible alerts of Rear Cross Traffic Alert when an imminent collision with vehicles crossing from either side is detected. ¹⁵

Blind Spot Monitoring

This standard feature can detect vehicles in the driver's blind spots and provide visual alerts. If the driver signals a lane change while a vehicle is in their blind spot, an additional audible alert can activate. ¹⁶
