The Heirloom Creations Move. Your Top Questions Answered

1. Where are you moving?

5220 S Grand Circle, Sioux Falls, SD 57108

This new location brings us closer to the interstate, offers better parking, and features a larger showroom designed to inspire your creativity.

2. Will you bring back fabric?

We can't confirm just yet, but it's a strong possibility! We're actively evaluating market needs with the goal of offering more options to spark your imagination.

3. When is the move happening?

We'll take possession of the new space in December 2025, followed by construction. Our official move-in is planned for April 2026.

4. What about the event center and service center?

Yes! All services will now be under one roof, making it easier and more efficient for us to serve you.

5. Will you still offer classes, events, and retreats?

Absolutely! We'll be expanding our offerings to help you learn and grow. Plus, with the Hilton Garden Inn just across the parking lot, we'll have even more event space available!

(One student per machine, minimum age for all classes is 18 years old)

Sewing Machine Mastery Classes

Class Descriptions

Sewing Machine Mastery #1

This hands-on class is open to all brands of sewing machines and is designed to build the foundation of basic use and sewing machine etiquette. You'll learn proper care and maintenance, how to select and use different types of needles and threads, and how to improve your sewing with stitch settings and techniques.

Tuesday, February 17 - 9-12pm

Tuesday, February 17 - 5-8pm

Sewing Machine Mastery #2

After completing Mastery #1, you'll take your skills to the next level by working with a variety of different weights of fabric. This class focuses on practical stitches for hemming, mending, overcasting, edge stitching, and blind hemming. You'll also learn to understand tension and create perfect buttonholes.

Tuesday, February 24 - 9-12pm

Tuesday, February 24 - 5-8pm

Sewing Machine Mastery #3

This creative class will cover decorative threads and decorative stitches. You'll learn to use couching, various types of appliqué, and double needles. If your machine has a built-in memory for stitches and letters, you'll also learn how to program it to store your favorite patterns.

Embroidery Machine Mastery Classes

Class Descriptions

Embroidery Machine Mastery #1

This hands-on class is open to owners of all brands of embroidery machines. You'll learn to explore hooping techniques, set tension, design layout, lettering, on-screen editing, and resize for larger designs. This is the perfect class to become familiar with all the parts of your new machine.

Machine Embroidery 101:

This online course was created to put everything you need to know before you start embroidering into one place. If you're tired of searching multiple websites for information on embroidery stabilizers, threads, needles, designs, and more, you'll now have everything in one place. This course will teach you how to avoid costly embroidery mistakes while saving you time and valuable resources as you become an expert embroiderer. You'll also learn how to hoop and embroider on all types of fabrics, from traditional cotton to paper and balsa wood, and how to navigate the giant stabilizer maze.

DREAM BIG EMBROIDERY CLASS

BERNINA OWNERS:

March 11 – 9 AM to 4 PM

VIKING/PFAFF OWNERS:

March 12 – 9 AM to 4 PM

Discover the full creative potential of your embroidery machine in this comprehensive course centered around the breathtaking Dream Big Panel by A Bit Orange—designed specifically for the Hoffman's digitally printed Dream Big fabric panel.

This exclusive class will guide you step-by-step through the process of embroidering this intricate floral masterpiece using multiple hoopings.

You'll learn how to:

- Plan and execute multiple hoopings with precision, ensuring perfect alignment through easy-to-follow instructions and layout diagrams.
- Properly use hoop sizes 8" x 12" (and larger) or 13" x 14" (and larger), selecting the best fit for your machine and project.
- Apply advanced machine functions such as scanning and pinpoint placement to flawlessly stitch each segment of the design.
- Expand your embroidery skills by integrating techniques that can be applied to all your quilting and embroidery projects, enhancing your confidence and creativity.
- The Dream Big Dahlia design comes divided into 60 segments — some subdivided further — with buffer zones to ease segment alignment. You'll receive detailed PDFs featuring layouts, templates, and clear instructions that make the process manageable and enjoyable.

Whether you're a seasoned embroiderer or looking to expand your machine knowledge, this course is designed to empower you to complete a show-stopping, large-scale embroidery project with skill and ease.

Join us and transform your embroidery experience — bring the Dream Big panel to life stitch by stitch!

Class Fee: \$50, PLUS a 25% OFF Discount Code for the embroidery collection from ABitOrange.com will be provided upon enrollment

Fabric Requirements:

- Dream Big Panel
- Batting: 52" x 52"
- Back Fabric: 54" x 54"

Class Supplies/Prep: Thread, bobbin thread, embroidery needles, Bernina Maxi hoop or larger or Viking/Pfaff 360x200 hoop, curved embroidery scissors, and your Dream Big panel sandwiched with batting and pinned with safety pins.

Can't come to class? Use discount code SARA15 for 15% off this design collection from ABitOrange.com.

Exclusive BERNINA 990 Course Featuring Scanning & Pinpoint Placement with Expert Guidance

Join Sara and discover the incredible possibilities of your BERNINA 990 (see machine details on the next page) with this specially designed online course! Join me on a step-by-step journey as we dive deep into the scanning and Pinpoint Placement features, using the stunning Dream Big Flower panel as our creative playground.

Plus, every student will receive an exclusive 25% OFF discount code from A Bit Orange for the course designs. If you're ready to explore new techniques and create truly remarkable quilts on your embroidery machine, this is the course for you. Enroll today and start your embroidery masterpiece!

ENROLL TODAY

The BERNINA 990 features extraordinary innovations to make embroidering even more precise and easier than ever. Go beyond normal embroidery editing with the numerous on-screen editing features. With just the touch of a finger quickly edit and design your embroidery masterpiece visualized in the embroidery hoop. Easy, accurate and intuitive — the world is now your embroidery canvas.

Precisely position your embroidery on any project with the various placement options. The B 990 allows you to place a design down to a single stitch, even checking each stitch with the new BERNINA Pinpoint Laser. The new BERNINA Placement Scanner visualizes your hooped fabric directly on the screen as a background to preview design placement and colors. View the needle area on screen with the Camera and combine with the BERNINA Pinpoint Placement to accurately place your designs with ease, every time!

The new high-end Embroidery Module XL with BERNINA Smart Drive Technology (SDT) and the new Giant Hoop come standard with the B 990. The Giant Hoop expands your embroidery horizon with the extra-large space and ability to embroider a 16.1" x 12" area, including a full 12-inch square.

Save and organize your embroidery and stitch patterns directly on the machine or USB (type A or C) in the File Manager. Name saved files, create folders, cut, copy, paste and simply move entire folders of designs from the USB straight to your Personal Folder quickly and easily — just like magic!

The B 990 includes the **NEW BERNINA Embroidery Module XL with SDT** and **extra-large embroidery area (410 x 305 mm, 16.1" x 12")**, and the **NEW Giant Hoop**

Next generation embroidery with the B 990.

NEW BERNINA PLACEMENT SCANNER

Positioning of embroidery designs has never been easier. Scan to preview how your designs will look when stitched. Viewing the hooped fabric on the screen makes placement simple and provides a realistic preview for embroidery colors and sizing. Transfer the scanned background to the optional BERNINA Embroidery Software 9 DesignerPlus to digitize directly on your hooped project.

NEW CUSTOMIZABLE LETTERING

24 embroidery fonts with limitless resizing! Create embroidery lettering perfectly to fit your project with multiple lines, alignment and corrections to previously made text. Edit the stitch density and pull compensation, and transform the shape and spacing to get perfect results every time.

NEW ARRANGE FEATURES

Easily align, distribute, group/ungroup and move design stitchout order all while editing your designs. Match Start and Stop points of designs to create endless border and quilting designs without having to individually place multiple designs.

PINPOINT PLACEMENT WITH NEW 4-POINT

Perfect design placement starts with exact virtual positioning. Pinpoint Placement gives you total control of the stitching placement of your embroidery. With the new 4-Point Placement, simply define four points on the fabric in the hoop and the design is placed proportionally or morphed to fit the created boundary.

NEW WIFI CONNECTIVITY AND BERNINA STITCHOUT APP

WiFi allows you to transfer embroidery designs from your optional BERNINA Embroidery Software 9 DesignerPlus directly to your B 990, or the other way around. And thanks to the new BERNINA Stitchout App, the embroidery process can be monitored on your smartphone or tablet. The B 990 connects with the app allowing you to monitor the status of your embroidery stitchout from any room in your house. The app notifies you when the machine needs your direct attention, like thread color change, thread breakage or when the design is finished.
