LINEN HOUSE

Naturally beautiful and yet gentle and stylish: with our new LINEN HOUSE non-woven collection, you can bring a modern living atmosphere into your home, where geometric shapes meet natural structures. In 24 different colours, the LINEN block-colour wallpaper provides a first-class base with the washed look of a high-quality LINEN fabric. The FLAX design complements this linen wallpaper, inspired by flax bales after harvest, and the pattern unfolds like a fan on the wall. The CUBE and MILL STONES patterned wallpapers with their geometric motifs and natural background textures offer further combination options. A particular highlight is the innovative WOOD wallpaper, presenting real wood on the wall without a hammer and nail. Laminated on a non-woven substrate, this beautiful, fine wood can be applied using the normal wall bonding technique and is available in four colours. Two digital wall motifs in different colour designs complete this versatile collection. FOREST shows a mysterious forest scene and BLOCK PRINT juggles with abstract coloured areas. Both motifs have been refined with fabric structures. The formats can also be individually adapted on request.
