MOSES

1. Born Under the Shadow

In the shadow of a tyrant's throne,
Where the Nile runs red, where hope's unknown,
A mother's heart beats, defying the decree,
Hiding her son, praying he'll be free.

Silent cries in the midnight air,
A woven ark, a whispered prayer.

Born under the shadow, but You light the flame!
Risin' through the river, You're callin' his name!
Your hand's alive, Your power unfolds,
A child of promise, in Your grip You hold!

Three months in secret, the danger grows,
Soldiers at the door, nowhere to go.
She sets him adrift, with tears in her eyes,
Trusting the God who hears her cries.

Silent cries in the midnight air,
A woven ark, a whispered prayer.

MOSES

1. Born Under the Shadow Part 2

Born under the shadow, but You tear the dark!
Ignite the future with a rebel spark!
Your will's unbroken, Your story's told,
A child of promise, in Your strength You hold!

Oh, God of Abraham, hear her now,
Guard this child, fulfill Your vow.
From the reeds, a princess sees,
Your mercy writes his destiny.

The heavens roar, the waters bend,
A king's command meets its end.
Through the chaos, Your voice is clear,
A deliverer's born, salvation's near.

Silent cries in the midnight air,
A woven ark, a whispered prayer.

Born under the shadow, but You light the flame!
Risin' through the river, You're callin' his name!
Your hand's alive, Your power unfolds,
A child of promise, in Your grip You hold!

MOSES

1. Born Under the Shadow Part 3

Born under the shadow, but You tear the dark!
Ignite the future with a rebel spark!
Your will's unbroken, Your story's told,
A child of promise, in Your strength You hold!

Under the shadow... You are the flame...
Carried by Your hand... You scream his name...
Through the night... You light the way...

MOSES

2.Exile's Cry

Raised in gold, but my blood runs free,
I see my kin, chained in misery.
One blow, one life, the sand turns red,
The weight of my choice, it fills me with dread.

No turning back, the palace fades,
A fugitive's heart, in the desert's shade.

Exile's cry, I'm breakin' from the throne!
Who am I, God, in this world unknown?
The fire inside, it rages through my chains,
Lost in the wilderness, You scream my name!

Pharaoh's wrath, it hunts me down,
No crown, no home, no solid ground.
Midian's dust, a stranger's land,
A broken man with blood on his hands.

No turning back, the palace fades,
A fugitive's heart, in the desert's shade.

MOSES

2.Exile's Cry Part 2

A bush ablaze, it calls my soul,
Your voice like thunder, it makes me whole.

I'm no hero, my past's a scar,
But You say, "Go," and ignite my heart.

No turning back, the desert shakes,
A warrior's soul, in Your fire awakes.

Exile's cry, I'm risin' through the flame!
You call me out, God, You redefine my name!
Your power surges, it shatters all my fear,
Born in the wilderness, Your purpose draws near!

I thought I'd save them, thought I'd be strong,
But my strength failed, my heart went wrong.
Yet in the silence, You're calling me still,
A purpose unborn, shaped by Your will.

From ashes I stand, Your mission's clear,
A nation's freedom, You're drawing near.
No more a fugitive, I'm forged in Your light,
With staff in hand, I'll face the fight.

MOSES

2.Exile's Cry Part 3

No turning back, the desert shakes,
A warrior's soul, in Your fire awakes.

Exile's cry, I'm risin' through the flame!
You call me out, God, You redefine my name!
Your power surges, it shatters all my fear,
Born in the wilderness, Your purpose draws near!

Exile's cry, I'm breakin' from the throne!
Who am I, God, in this world unknown?
The fire inside, it rages through my chains,
Lost in the wilderness, You scream my name!

Exile's cry... burns in Your light...
You scream my name... through the night...
From the ashes... You lead the way...

MOSES

3. Burning Ground

Out in the wild, where the silence screams,
Tending the flock, chasing broken dreams.
A flame in the distance, it won't burn out,
A voice from the fire begins to shout.

Holy, holy, take off your shame,
The ground is alive with the King's true name.

Burning ground, You're calling my name!
I'm not enough, but You remain.
Speak through the fire, set my heart ablaze,
Lead me to freedom, through Your holy ways!

"Who am I, Lord, to stand and speak?
My voice is frail, my knees are weak."
But You say, "I AM, the One who sends,
Your strength begins where your power ends."

Holy, holy, take off your shame,
The ground is alive with the King's true name.

MOSES

3. Burning Ground Part 2

Burning ground, You're calling my name!

I'm not enough, but You remain.

Speak through the fire, set my heart ablaze,
Lead me to freedom, through Your holy ways!

"I can't speak, I can't lead, I'm a broken man!

Send another, Lord, I don't understand!"

But Your voice shakes the heavens, Your promise stands tall,

"I'll be with you, Moses, through it all."

Burning ground, You're calling my name!

I'm not enough, but You remain.

Speak through the fire, set my heart ablaze,
Lead me to freedom, through Your holy ways!

Through desert sands, where the doubts arise,

Your staff in my hand, Your truth in my eyes.

The chains of the past, they're breaking away,

Your power ignites with the words I obey.

MOSES

3. Burning Ground Part 3

Holy, holy, take off your shame,
The ground is alive with the King's true name.

Burning ground, You're calling my name!
I'm not enough, but You remain.
Speak through the fire, set my heart ablaze,
Lead me to freedom, through Your holy ways!

The Pharaoh's heart, it's hard as stone,
But Your mighty hand will make You known.
With signs and wonders, Your glory will shine,
Your people will rise, for their freedom is Thine.

Holy, holy, take off your shame,
The ground is alive with the King's true name.
Burning ground, You're calling my name!

I'm not enough, but You remain.
Speak through the fire, set my heart ablaze,
Lead me to freedom, through Your holy ways!

Holy fire, burning ground...
Your voice, my call, I'm found...

MOSES

4. Let My People Go

I stand before the king, with a staff in hand,
Speaking for the Lord, to free this land.
Pharaoh's heart is stone, his eyes are cold,
But the God I serve, His power unfolds.

Signs and wonders, the heavens decree,
The chains will break, the captives set free!

Let my people go, hear the heavens roar!
The Lord's command, you can't ignore!
Plagues will fall, till your pride is low,
Bow to the King, let my people go!

Rivers turn to blood, darkness chokes the sky,
Locusts swarm, and your firstborn die.
Each sign a call, to bend your knee,
But your heart's a fortress, refusing to see.

Signs and wonders, the heavens decree,
The chains will break, the captives set free!

MOSES

4. Let My People Go Part 2

Let my people go, hear the heavens roar!
The Lord's command, you can't ignore!
Plagues will fall, till your pride is low,
Bow to the King, let my people go!

Hail and fire rain, the heavens ignite,
Your fields are ruined, swallowed by night.
Yet still you stand, with a hardened soul,
Defying the One who makes nations whole.

Signs and wonders, the heavens decree,
The chains will break, the captives set free!

Let my people go, hear the heavens roar!
The Lord's command, you can't ignore!
Plagues will fall, till your pride is low,
Bow to the King, let my people go!

The angel of death, through Egypt will sweep,
A final cry, as the nation weeps.
Your will shall break, your throne will fall,
For God's own hand will deliver us all.

MOSES

4.Let My People Go Part 3

Signs and wonders, the heavens decree,
The chains will break, the captives set free!

Let my people go, hear the heavens roar!
The Lord's command, you can't ignore!
Plagues will fall, till your pride is low,
Bow to the King, let my people go!

Frogs and flies, the boils that burn,
Still you defy, when will you learn?
The God of Israel, His will is done,
Freedom's coming with the rising sun!

Let my people go, hear the heavens roar!
The Lord's command, you can't ignore!
Plagues will fall, till your pride is low,
Bow to the King, let my people go!

Let my people go... the storm is near...
God's voice resounds... tremble in fear...

MOSES

5. Blood On The Door

Midnight looms, the angel's near,
A judgment falls, but we won't fear.
The lamb is slain, its blood we place,
A sign of mercy, a shield of grace.

Paint the frame, with trembling hands,
Trust the promise, where salvation stands.

Blood on the door, death passes by!
Salvation comes in the midnight cry!
The Lord redeems, His love endures,
Through the sacrifice, our hope is sure!

Huddled close, we eat in haste,
The bread of freedom, no time to waste.
Outside, the wail of Egypt's pain,
But we're preserved by the lamb that's slain.

Paint the frame, with trembling hands,
Trust the promise, where salvation stands.

MOSES

5. Blood On The Door Part 2

Blood on the door, death passes by!
Salvation comes in the midnight cry!
The Lord redeems, His love endures,
Through the sacrifice, our hope is sure!

The doorposts marked, our faith displayed,
In shadows deep, we're not afraid.
The Lord will see, and He will spare,
His covenant holds us in His care.

Paint the frame, with trembling hands,
Trust the promise, where salvation stands.

Blood on the door, death passes by!
Salvation comes in the midnight cry!
The Lord redeems, His love endures,
Through the sacrifice, our hope is sure!

A nation waits, the dawn will rise,
With freedom's song in tearful eyes.
The blood's a sign, His power divine,
Through death's dark veil, His mercy shines.

MOSES

5. Blood On The Door Part 3

The Lord redeems, His love endures,
Through the sacrifice, our hope is sure!

Oh, the cost, the life poured out,
A shadow of the truth we'll shout.
From this night, the story's told,
Redemption's price, more precious than gold.

Blood on the door, death passes by!
Salvation comes in the midnight cry!
The Lord redeems, His love endures,
Through the sacrifice, our hope is sure!

Blood on the door... His mercy stays...
Through the night... to endless days...

MOSES

6.Red Sea Rising

Hear the thunder, feel the ground shake!
The sea is rising, but we won't break!

Chariots closing, dust in the sky,
Trapped by the waters, nowhere to hide.
The people cry out, "Why'd you lead us here?"
But I lift my staff, and I face the fear.

Stand still, see the power of the Lord,
He fights for us, His promise is our sword!

Red Sea rising, walls of water stand!
God's mighty hand leads to the promised land!
Through the deep, we walk on dry ground,
Deliverance roars, His glory all around!

Wind from the east, the waters divide,
A path through the sea, where faith can't hide.
The army pursues, but their fate is sealed,
The Lord's in the fire, our shield revealed.

Stand still, see the power of the Lord,
He fights for us, His promise is our sword!

MOSES

6.Red Sea Rising Part 2

God's mighty hand leads to the promised land!
Through the deep, we walk on dry ground,
Deliverance roars, His glory all around!

Children and elders, we march as one,
Through towering waves, by the Lord's command done.

No chain can hold what His hand sets free,
The path to salvation is carved through the sea.
Stand still, see the power of the Lord,
He fights for us, His promise is our sword!

Red Sea rising, walls of water stand!
God's mighty hand leads to the promised land!
Through the deep, we walk on dry ground,
Deliverance roars, His glory all around!

The dawn breaks through, with a song of praise,
The waters return, ending Egypt's chase.
We stand on the shore, our hearts open wide,
The Lord is our strength, our eternal guide

MOSES

God's mighty hand leads to the promised land!
Through the deep, we walk on dry ground,
Deliverance roars, His glory all around!

The waves collapse, the enemy's gone,
We sing of salvation from dusk till dawn!
Moses, lift your voice, let the heavens ring,
The Lord is our warrior, forever our King!

Red Sea rising, walls of water stand!
God's mighty hand leads to the promised land!
Through the deep, we walk on dry ground,
Deliverance roars, His glory all around!

Red Sea rising... His glory remains...
Through the waters... we'll never be the same...

7. Bread From Heaven

The desert stretches, hunger bites,
Voices rise in the fading light.
“Why’d you bring us here to die?” they say,
But I lift my eyes, and I start to pray.

Look to the skies, His mercy’s near,
The Father provides, we’ll conquer fear.

Bread from heaven, falling to the ground!
Every morning, Your grace is found!
You meet our needs, You hear our plea,
In the wilderness, Your love sets free!

Manna like dew, it covers the sand,
A gift of life from the Father’s hand.
Gather enough, no more, no less,
Trust in His rhythm, His faithfulness.

Look to the skies, His mercy’s near,
The Father provides, we’ll conquer fear.

MOSES

In the wilderness, Your love sets free!

Each day it falls, a promise renewed,
A sign of care in the multitude.
No storehouse needed, Your hand sustains,
Through barren lands, Your provision reigns.

Look to the skies, His mercy's near,
The Father provides, we'll conquer fear.

Bread from heaven, falling to the ground!
Every morning, Your grace is found!
You meet our needs, You hear our plea,
In the wilderness, Your love sets free!

Teach us, Lord, to walk Your way,
To live by Your word, to trust, obey.

Bread from heaven, falling to the ground!
Every morning, Your grace is found!
You meet our needs, You hear our plea,
In the wilderness, Your love sets free!

Bread from heaven... Your grace remains...
Through the desert... we'll sing Your name...

9. Golden Rebellion

Down from the mountain, tablets in my hand,
I hear the noise, defiling the land.
They've cast an idol, gold from their chains,
Dancing to a lie, spitting on His name.

How could you turn, after all He's done?
Broke the covenant, chasing the sun!

Golden rebellion, you break His heart!
Tearing the promise, ripping us apart!
I shatter the stone, I burn with Your flame,
God, spare Your people, remember Your name!

Aaron stands silent, the crowd's gone wild,
They've traded their God for a lifeless child.
I grind their idol, scatter its dust,
But my soul's in pieces, who can I trust?

How could you turn, after all He's done?
Broke the covenant, chasing the sun!

MOSES

9. Golden Rebellion Part 2

Golden rebellion, you break His heart!
Tearing the promise, ripping us apart!
I shatter the stone, I burn with Your flame,
God, spare Your people, remember Your name!

The fire consumes, their sin laid bare,
Yet I plead for grace, in the desert air.
Your anger burns, but Your love is strong,
Restore Your people, though we've done wrong.

How could you turn, after all He's done?
Broke the covenant, chasing the sun!

Golden rebellion, you break His heart!
Tearing the promise, ripping us apart!
I shatter the stone, I burn with Your flame,
God, spare Your people, remember Your name!

A new day dawns, Your mercy renews,
The covenant holds, though we bear the bruise.
We turn from our idols, to seek Your face,
Led by Your truth, we'll run Your race.

MOSES

9. Golden Rebellion Part 3

How could you turn, after all He's done?
Broke the covenant, chasing the sun!

Golden rebellion, you break His heart!
Tearing the promise, ripping us apart!
I shatter the stone, I burn with Your flame,
God, spare Your people, remember Your name!

On my knees, I plead for their lives,
"If You won't forgive, let my name die!"
Your mercy holds, though judgment falls,
You hear my cry, You hear my call.

Golden rebellion, you break His heart!
Tearing the promise, ripping us apart!
I shatter the stone, I burn with Your flame,
God, spare Your people, remember Your name!

Golden rebellion... fades in Your light...
Mercy prevails... through the fight...

MOSES

10.Face To Face

In the tent of meeting, I seek Your voice,
Away from the noise, I make my choice.
You speak as a friend, You call me near,
In Your presence, there's no more fear.

Show me Your ways, let my heart see,
Your glory alone, my soul's decree.

Face to face, I'm caught in Your light!
Your glory shines, through the endless night!
Hide me in the rock, let Your mercy pass,
I'm changed forever, in Your love so vast!

New tablets carved, Your words restored,
My face now glows, reflecting the Lord.
The people see, but they can't know,
The fire of Your presence, where true life flows.

Show me Your ways, let my heart see,
Your glory alone, my soul's decree.

Face to face, I'm caught in Your light!
Your glory shines, through the endless night!
Hide me in the rock, let Your mercy pass,
I'm changed forever, in Your love so vast!

11. Wandering Heart

The people complain, their faith runs dry,
Murmuring dreams of the land they deny.

I'm tired, O Lord, their weight I bear,
Carrying their doubts, through the desert's glare.

Lost in the sand, they turn away,
But Your promise holds, through the longest day.

Wandering heart, we chase the wind!
Yet Your mercy calls, Your love won't bend!

Forty years, we learn to trust,
In the wilderness, You're still with us!

Spies return, with fear in their eyes,
Giants and walls, they believe the lies.

The land is near, but they won't go,
So we roam again, where the wild winds blow.

Lost in the sand, they turn away,
But Your promise holds, through the longest day.

MOSES

11.Wandering Heart Part 2

Quail in the evening, Your gifts abound,
Yet still they grumble, no faith is found.
You send Your spirit, to share my load,
Your strength sustains on this weary road.

Lost in the sand, they turn away,
But Your promise holds, through the longest day.

Wandering heart, we chase the wind!
Yet Your mercy calls, Your love won't bend!
Forty years, we learn to trust,
In the wilderness, You're still with us!

The years unfold, Your lessons take root,
From rebel hearts, You grow faithful fruit.
Though we've been tested, Your plan is clear,
The promised land is drawing near.

Lost in the sand, they turn away,
But Your promise holds, through the longest day.

MOSES

11.Wandering Heart Part 3

But You share my load, You carry on.
Though we stumble, Your plan remains,
A hope unbroken, through all our pains.

Wandering heart, we chase the wind!
Yet Your mercy calls, Your love won't bend!

Forty years, we learn to trust,
In the wilderness, You're still with us!

Wandering heart... Your love is near...
Through the desert... You dry our tears...

I climb the peak, my journey's end,
The land You swore, around the bend.
My eyes behold what my feet won't tread,
Your will is my peace, my heart is led.

Now I rest in You, in Your perfect plan.

From the mountain's edge, I see Your grace!
The promise lives, though I leave this place!
Your word endures, Your people rise,
I trust Your heart, with my closing eyes!

No prophet like me, You've walked so near,
Through fire and storm, You've calmed my fear.
I've spoken Your truth, I've borne the load,
Now I lay it down, on this final road.

Faithful through the years, I've seen Your hand,
Now I rest in You, in Your perfect plan.

In Your holy name, forever I live.

From the mountain's edge, I see Your grace!
The promise lives, though I leave this place!
Your word endures, Your people rise,
I trust Your heart, with my closing eyes!

From the mountain's edge... I'm home at last...
In Your arms, Lord... my soul is cast...
